1.9 In particular the MFSA may refuse a request for Admissibility to Listing of Securities:

1.9.1 if it considers that the Applicant's situation is such that an authorisation for Admissibility to Listing of the Securities would be detrimental to the interests of investors;

1.9.2 in respect of Securities already listed in a Recognised Jurisdiction if the Applicant has failed to comply with the obligations to which it is subject by virtue of that listing; or

1.9.3 if it considers that the Applicant does not comply or has not complied with the requirements of the Capital Markets Rules or with any special condition imposed upon the Applicant by the MFSA.

Information Gathering and Additional Information

1.10 Issuers must provide to the MFSA without delay:

1.10.1 all the information and explanations that the MFSA may reasonably require for the purpose of any decisions of the MFSA as to whether to grant an application for Admissibility to Listing of Securities;

1.13 The Issuer must comply with such requirements to provide information, and, if it fails to do so, the MFSA may itself publish such information after having heard the representations of the Issuer.

1.17 An Issuer, the listing of whose Securities is suspended, must continue to comply with all Capital Markets Rules applicable to it, unless the MFSA otherwise agrees.

1.18 Where listing has been suspended, the procedure for lifting the suspension will depend on the circumstances and the MFSA reserves the right to impose such conditions and/or sanctions as it considers appropriate in such circumstances.

1.19 The continuation of a suspension for a prolonged period without the Issuer taking adequate action to obtain restoration of the listing of the relevant securities shall constitute sufficient reason for the MFSA in its absolute discretion, to discontinue the listing.

It shall determine whether, on the basis of the information submitted by the Issuer in the application, the requirements as set out in Capital Markets Rule 1.22 in respect of the application for Discontinuation of Listing have been satisfied.

1.25 If the MFSA determines that on the basis of the said information the requirements as set out in Capital Markets Rule 1.22 and 1.23 in respect of the application for Discontinuation of Listing have been satisfied, it shall publish a notice announcing the Discontinuation of Listing of the relevant Security and the effective date of Discontinuation of Listing which shall be ninety (90) days following the date of submission of the relevant application for Discontinuation of Listing.

1.26 An Issuer who intends to make or has made an Application for Discontinuation of Listing shall forthwith make a Company Announcement as provided in Capital Markets Rule 5.16 below on any of the following matters as appropriate:

1.26.1 the date fixed for any meeting of the board of Directors at which the Issuer's intention to make an application for Discontinuation of Listing is expected to be considered;

1.26.2 whether the resolution of the Directors referred to at Capital Markets Rule 1.22.2 was carried or not;

1.26.3 the date fixed for any meeting of the Security Holders convened in accordance with Capital Markets Rule 1.22.2 above;

1.26.4 the result of any vote of the Security Holders taken at a meeting convened in accordance with Capital Markets Rule 1.22.2 above (and in compliance with paragraph 7 of Appendix 1.1); and

1.26.5 the delivery to the MFSA of an application for Discontinuation of Listing.

Dispensing and Modification of Capital Markets Rules

1.27 The MFSA may dispense with, vary or not require compliance with any of the terms of these Capital Markets Rules to suit the circumstances of a particular case. In circumstances where this discretion is availed of by the MFSA, a statement to this effect shall be included in the Prospectus. Furthermore, the Issuer concerned may be required to enter into an ancillary agreement prepared by the MFSA as a precondition of such dispensation, variation or non-compliance.

Investigations and Imposition of Sanctions

1.28 The MFSA may appoint one or more competent persons as investigators to conduct an investigation on its behalf into circumstances suggesting contravention of the Capital Markets Rules or the rules or bye-laws of any Recognised Investment Exchange. The powers of any such investigators are governed by the relevant provisions of the FMA.

1.29 If the MFSA considers that an Applicant or Issuer or any other person subject to the Capital Markets Rules has contravened any provision of the Capital Markets Rules it may impose

on the Applicant or Issuer or any other person subject to the Capital Markets Rules a financial penalty or publish a statement censoring the Applicant or Issuer subject to the provisions of the FMA or both.

Notwithstanding the above, no person shall be liable for statements made in a summary which is part of a Prospectus in terms of Capital Markets Rule 4.9, including the translation thereof, except when such statements are untrue when read together with the other parts of the Prospectus or the summary does not provide, when read together with other parts of the Prospectus, Key Information in order to aid investors when considering whether to invest in such securities.

1.30 An Issuer is obliged to give effect to, comply with and ensure the fulfilment of the terms of the prospectus as approved by the MFSA. Failure to strictly adhere to these obligations is considered a very serious breach and shall result in an administrative sanction, including but not limited to the imposition of a penalty, the publication at the Issuer's expense of a public statement relating to the breach, or to both, or to other sanctions allowed by the Capital Markets Rules or by the FMA commensurate to the seriousness of such breaches.

Cooperation with other regulatory authorities

1.31 The MFSA shall cooperate with other regulatory authorities for the purpose of assisting other regulatory authorities in carrying out their duties and making use of their powers, particularly for the following purposes:

1.31.1 Exchange of information and cooperation when an Issuer has more than one home regulatory authority;

1.31.2 Transfer of the Approval of a Prospectus to the regulatory authority of another Member State or EEA State.

1.31.3 When requiring suspension or prohibition of trading for securities traded in various Member States or EEA States in order to ensure a level playing field between trading venues and protection of investors.

1.32 Where Malta is the Host Member State and the MFSA finds that breaches have been committed by the Issuer or the financial institutions responsible for seeking admissibility to listing or any other person subject to the Capital Markets Rules, it shall refer those findings to the regulatory authority of the Home Member State or EEA State.

1.33 If measures taken by the regulatory authority of the Home Member State or EEA State do not prevent the Issuer or the financial institutions responsible for seeking admissibility to listing or any other person subject to the Capital Markets Rules, from breaching the relevant provisions of these Capital Markets Rules, the MFSA shall, after informing the regulatory authority of the Home Member State or EEA State, take all the appropriate measures in order to protect investors. The European Commission shall be informed of such measures at the earliest opportunity.

Appendix 1.1

Meetings of Security Holders in Relation to Discontinuation of Listing

1 No business shall be transacted at any such meeting convened as provided in Capital Markets Rule 1.22.2 of this Chapter unless a quorum of Security Holders is present at the time when the meeting proceeds to business. A Security Holder or Security Holders present in person or by proxy holding in aggregate more than fifty percent (50%) of the nominal value of the Security outstanding at the date of the holding of the meeting shall be a quorum. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting shall be dissolved.

2 The Chairman or the deputy Chairman, if any, of the Issuer's board of Directors or any other equivalent governing body, shall preside as Chairman of the meeting or if there is no Chairman or deputy Chairman, or if any such person shall not be present within fifteen (15) minutes after the time appointed for the holding of the meeting or is unwilling to act, the Directors present shall elect one of their number to be Chairman of the meeting, and that failing, the Security Holders present and entitled to vote shall appoint one of their number to be Chairman.

3 A resolution for the Discontinuation of Listing of a Security shall be ineffectual unless such resolution is:

3.1 taken by a poll called exclusively for this purpose;

3.2 approved by the Security Holders represented and entitled to vote at the meeting for this purpose, holding in the aggregate not less than seventy five percent (75%) of the nominal value of the outstanding issued amounts of the relevant Security of the Issuer or such other higher percentage as the Memorandum and Articles of Association of the Issuer may prescribe;

3.3 not disapproved by Security Holders represented at the meeting holding 5% or more of the nominal value of the issued securities of the Issuer.

4 On the occasion of such a poll, every Security Holder shall have one (1) vote for each Security of which he is a holder. Votes may be given either personally or by proxy.

5 The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a copy of the power or authority duly certified by a notary public, lawyer or legal procurator shall be deposited at the registered office of the Issuer or at such other place in Malta as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent by the Issuer in relation to the meeting, not less than twenty four (24) hours before the time appointed for the taking of the poll or such longer time as required by the Memorandum and Articles of Association of the Issuer, and in default the instrument of proxy shall not be treated as valid.

When two (2) or more valid but differing instruments of proxy are delivered in respect of the same Security for use at the same meeting, the one which is last delivered (regardless of its date or of the date of its execution) shall be treated as replacing and revoking the others as regards that Security. If the Issuer is unable to determine which was last delivered, none of them shall be treated as valid in respect of that Security. Delivery of an instrument appointing a proxy shall not preclude a member from attending and voting in person at the meeting or poll concerned. An instrument of proxy shall be designed by the Issuer as provided in Paragraph 10 of Appendix 5.2.

6 No objection shall be raised to the qualification of any voter except at the meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the meeting, whose decision shall be final and conclusive.

7 A resolution which becomes effectual upon satisfaction of the criteria laid down in paragraph 3 of this Appendix 1.1 shall also form the subject of a Circular to be issued by the Issuer to all Security Holders of the Issuer as soon as practicable after the meeting referred to in the said paragraph 3, but in no case later than twenty four (24) hours after the result of the poll is announced at that meeting.

CHAPTER 2

Sponsors and Their Responsibilities

This Chapter contains the requirements relating to Sponsors and the Sponsor's responsibilities to the Issuer and the Malta Financial Services Authority (MFSA).

Introduction and General Information

2.1 An Applicant applying for a primary listing of its Securities which requires the production of a Prospectus or equivalent document is required to appoint a Sponsor.

2.2 Public Sector Issuers are not required to appoint a Sponsor.

2.3 The Applicant shall ensure that, up to the time of listing, all communications and/or meetings with the MFSA are made through its Sponsor.

2.4 The MFSA attaches particular importance to the Sponsor's role in satisfying itself that the Securities in respect for which an application has been made in terms of Chapter 4 of these Capital Markets Rules are suitable for authorisation for Admissibility to Listing.

Qualifications and obligations of a Sponsor

2.5 A Sponsor appointed under this Chapter shall:

2.5.1 be in possession of a Category II or III licence in terms of the Investment Services Act or exempt from authorisation in terms of regulations issued under the Investment Services Act or authorised to provide investment services under Directive 2004/39/EC;

2.5.2 be independent of the Issuer;

2.5.3 have adequate resources to fulfil the role expected of a Sponsor under these Capital Markets Rules and be capable of giving the Applicant impartial advice before agreeing to accept the role.

Responsibilities of a Sponsor

2.6 The responsibilities of a Sponsor are owed solely to the MFSA. In carrying out its responsibilities, the Sponsor shall ensure that:

2.6.1 to the best of its knowledge and belief, having made due and careful enquiry, the Applicant has satisfied all applicable conditions for Admissibility to Listing and other relevant requirements of the Capital Markets Rules;

2.6.2 it has advised and guided the Applicant as to its responsibilities and obligations to ensure compliance with the Capital MarketsRules;

2.6.3 all matters known to it which should be taken into account by the MFSA in considering the particular application for Admissibility to Listing have been disclosed in the Prospectus or otherwise in writing to the MFSA;

2.6.4 it discloses to the MFSA without delay any information or explanations that the MFSA may reasonably require for the purpose of verifying any information which should be taken into account in considering an application for Admissibility to Listing;

2.6.5 it does not provide its services as a Sponsor in relation to an Issuer from which it is not independent and shall provide a confirmation in writing of its independence to the MFSA.;

2.6.6 all documentation has been submitted to the MFSA in a timely manner. Subsequent versions of any documents submitted to the MFSA must show clearly the tracked changes and all deletions must be notified;

2.6.7 the formal application for authorisation for Admissibility to Listing as set out in Appendix 4.1 is filed with the MFSA, together with supporting documentation, in accordance with these Capital Markets Rules and it

shall deal with the MFSA on all matters arising in connection with the application;

2.6.8 it advises the MFSA in writing without delay of its resignation or if its appointment is terminated giving details of any relevant facts or circumstances thereto. A copy of such notification shall also be sent to the Applicant.

Principles of conduct for the Sponsor

Relations with the MFSA

2.7 A Sponsor shall:

2.7.1 deal with the MFSA in an open and co-operative manner;

2.7.2 deal with all enquiries raised by the MFSA promptly; and

2.7.3 disclose to the MFSA in a timely manner any material information relating to the Sponsor or Applicant of which it has knowledge which addresses non-compliance with the Capital Markets Rules.

Independence

2.8 A Sponsor shall be independent of the Applicant and in any event shall not act if the Sponsor or the Group of which the Sponsor forms part has:

2.8.1 an interest, or a holding that is equivalent to 10 % or more of the Equity or Debt Securities of the Applicant or any other company in the Applicant's Group. In assessing the percentage of the interest, the Equity Securities for which application for Admissibility to Listing has been made are to be treated as having already been issued; or

2.8.2 a business relationship with, other than his role as Sponsor, or a financial interest in the Applicant or any other company in the Applicant's Group that would give the Sponsor or the Sponsor's Group a material interest in the outcome of the transaction.

2.9 Any interest that arises as a result of the Sponsor's discretionary client holdings is not to be included in the determination of the threshold set out in Capital Market Rule 2.8.1.

2.10 A Sponsor shall not be considered to be independent of an Applicant if a director, partner, or senior officer of the Sponsor or another company in the Sponsor's Group has a material interest in the Applicant or any other company in the Applicant's Group.

2.11 A Sponsor shall ensure that no Equity Securities are placed with connected clients of the Sponsor unless placed with a fund manager for the purpose of its business.

Directors of the Applicant

2.12 Prior to the endorsement by the Directors of the Applicant of the Prospectus in accordance with Capital Market Rule 4.31, the Sponsor to an application for authorisation for Admissibility to Listing shall satisfy itself that such Directors:

2.12.1 can be relied upon to prepare and publish all information within their knowledge (or which it would be reasonable for them to obtain) that investors and their professional advisers would reasonably require and reasonably expect to find for the purpose of making an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Applicant and of the rights attaching to the Securities to which the Prospectus relates; and

2.12.2 have had explained to them (by the Sponsor or other appropriate professional adviser) the nature of the responsibilities and obligations they will be undertaking as Directors of a Company whose Securities are Admissible to Listing under these Capital Markets Rules.

2.13 In the case of a new Applicant the Sponsor shall obtain written confirmation from the Directors that the Issuer has established procedures which provide a reasonable basis for them to make proper judgements as to the financial position and prospects of the Issuer and, in each case, its Group, and be satisfied that this confirmation has been given after due and careful enquiry by the Directors.

Financial Information

2.14 Where a Prospectus includes a working capital statement, the Sponsor shall report to the MFSA in writing that:

2.14.1 it has obtained written confirmation from the Issuer that the working capital available to the Group is sufficient for its present requirements, that is, for at least the next twelve (12) months from the date of publication of the relevant document; and

2.14.2 it is satisfied that this confirmation has been given after due and careful enquiry by the Issuer and that the persons or institutions providing finance have stated in writing that the relevant financing facilities exist.

2.15 The Sponsor shall report, where applicable, that it has satisfied itself that any profit forecast or estimates have been made after due and careful enquiry by the Issuer.

2.16 The Sponsor shall:

2.16.1 obtain written confirmation from the Issuer that the financial information published in that document has been properly extracted from the Issuer's accounting records; and

2.16.2 be satisfied that this confirmation has been given after due and careful enquiry by the Issuer.

Appointment of more than one Sponsor

2.17 Where an Applicant appoints more than one Sponsor, the Applicant shall establish how responsibility is to be allocated and so inform the MFSA in writing.

2.18 The appointment of more than one Sponsor does not relieve any of the Sponsors so appointed of their responsibilities and obligations under the Capital Markets Rules.

Termination

2.19 If an Applicant terminates the services of its Sponsor, the Applicant shall immediately notify the MFSA in writing and it shall copy the Sponsor stating the reasons for such termination. The Applicant shall ensure that a new Sponsor is appointed immediately. The MFSA shall suspend the processing of the application for authorisation for Admissibility to Listing until a new Sponsor is so appointed.

Breaches by Sponsors

2.20 The MFSA shall report any failure by Sponsors to comply with their obligations under these Capital Markets Rules or to satisfactorily perform the duties set out in this Chapter to the Competent Authority appointed by the Minister in terms of article 2A of the Investment Services Act.

CHAPTER 3

Conditions for Admissibility

This Chapter specifies rules relating to the Conditions for suitability for admissibility to Listing of a security, and the MFSA's scope of discretion.

General

3.1 This Chapter applies to all Applicants seeking Admissibility to Listing for admission unless otherwise specified in this Chapter.

3.2 Suitability for listing depends on many factors. Applicants and their Sponsors should appreciate that compliance with the relevant requirements laid down in these Capital Markets Rules may not of itself ensure the Admissibility to Listing of an Applicant's Securities.

3.3 In addition, the MFSA may make Admissibility subject to any special condition which it considers appropriate in the interests of investors. The Issuer will be expressly informed in any such case and must comply with such condition(s) at all times.

3.4 Issuers must continue to satisfy the conditions for listing contained in this Chapter throughout the whole period in which any of their securities are Admitted to Listing on a Regulated Market in Malta.

Conditions for listing for all Securities

Incorporation

3.5 An Applicant (other than a Public Sector Issuer) must be:

3.5.1 duly incorporated or otherwise validly established according to the relevant laws of its place of incorporation or establishment; and

3.5.2 operating in conformity with its Memorandum and Articles of Association or equivalent constitutional document.

3.6 The Memorandum and Articles of Association are required to conform with the provisions set out in Appendix 5.2 of these Capital Markets Rules. Only in exceptional circumstances will the MFSA grant exemption from compliance with any of the provisions of the said Appendix.

Validity

3.7 The Securities for which authorisation for Admissibility to Listing is sought must:

3.7.1 be issued to conform with the law of the Applicant's place of incorporation;

3.7.2 be duly authorised according to the requirements of the Applicant's Memorandum and Articles of Association or equivalent constitutional document; and

3.7.3 be duly authorised by all necessary statutory and other authorisations for the creation and issue of such Securities in terms of any applicable system of law.

Transferability

3.8 The Securities for which authorisation for Admissibility to listing is sought must be freely transferable.

3.9 The MFSA may treat Securities which are not fully paid up as freely transferable if arrangements have been made to ensure that the transferability of such Securities is not restricted and that dealing is made open and proper by providing the public with all appropriate information.

3.10 The MFSA may, in the case of the authorisation for Admissibility to Listing of Securities which may be acquired only subject to approval, derogate from Capital Markets Rule 3.8 only if the applicable approval procedure does not, in the opinion of the MFSA, disturb the market.

Market Capitalisation

3.11 Except where Equity Securities of the same Class have already been Admitted to Listing, the expected aggregate Market Value of all Equity Securities not being Preference Shares, which are the subject of the application for Admissibility must be at least one million euro (€1,000,000). If such Market Value cannot be assessed, the Applicant's capital and reserves, including profit or loss, from the last financial year, must be at least one million euro (€1,000,000).

3.12 Except in the case of a Tap Issues where the amount of the Debt Securities is not fixed., an Applicant applying for authorisation for Admissibility to Listing of Preference Shares or Debt Securities shall offer at least one million euros (€1,000,000) of issued Preference Shares or Debt Securities (as appropriate) of the Class to be authorised as Admissible to Listing.

3.13 Notwithstanding Capital Markets Rules 3.11 and 3.12, the MFSA may admit Securities of a lower value if it is satisfied that there will be an adequate market for the Securities concerned.

Continuity of Dealing

3.14 The Securities for which Admissibility is sought must be expected to enjoy adequate continuity of dealing.

Whole Class to be listed

3.15 Where an application for authorisation for Admissibility to Listing is made in respect of any particular Class of Security:

3.15.1 if none of the Securities of that Class are already authorised as Admissible to Listing, the application must relate to all Securities of that Class, issued or proposed to be issued; and

3.15.2 if some of the Securities of that Class are already authorised as Admissible to Listing, the application must relate to all further Securities of that Class issued or proposed to be issued.

3.15.3 Authorisation for Admissibility to Listing must be sought for all further issues of a Class of Securities already authorised for Admissibility to Listing by not later than one (1) month after allotment.

Issued share capital.

3.16 In the case of an application for the Admissibility to Listing of Shares, the Applicant must have fully paid-up capital of at least one million euro (€1,000,000) including preference shares other than redeemable preference shares.

3.17 In the case of an application for the Admissibility to Listing of Debt Securities, the Applicant must have fully paid-up capital of at least two hundred and fifty thousand euro (€250,000).

Accounts

3.18 An Applicant must have published or filed audited Annual Accounts which:

3.18.1 cover at least three financial years preceding the application for Admissibility to Listing and the last year of audited information may not be older than 18 months from the date of the registration document;

3.18.2 are Consolidated Accounts in respect of the Applicant and all its Subsidiary Undertakings, unless the MFSA otherwise agrees; and

3.18.3 contain no qualification in the audit reports or where that was not the case, the nature of such qualifications or uncertainties is disclosed, together with such explanations by the Directors of the Applicant as appear relevant.

3.19 The Applicant must have shareholders' funds less intangible assets of at least six hundred thousand euro (€600,000).

Nature and duration of business activities

3.20 An Applicant, either by itself or through one or more of its subsidiary undertakings or affiliates must demonstrate that:

3.20.1 at least 75% of its business is supported by a historical revenue earning record which covers the period for which Annual Accounts are required under Capital Markets Rule 3.18.1;

3.20.2 it controls the majority of its assets and has done so for at least the period referred to in Capital Markets Rule 3.18.1; and

3.20.3 it will be carrying on an independent business as its main activity.

3.21 In determining what amounts to 75% of the Applicant's business for the purposes of Capital Markets Rule 3.20.1, factors such as the assets, profitability and market capitalisation of the business will be taken into account.

3.22 If an Applicant's business has been in existence for the period referred to in Capital Markets Rule 3.18.1 but part or all of its business has one or more of the following characteristics it may not satisfy that rule:

3.22.1 a business strategy that places significant emphasis on the development or marketing of products or services which have not formed a significant part of the Applicant's historic revenue earning record;

3.22.2 the value of the business on Admission to Listing will be determined, to a significant degree, by reference to future developments rather than past performance;

3.22.3 the relationship between the value of the business and its revenue or profit earning record is significantly different from those of similar companies in the same sector;

3.22.4 there is no record of consistent revenue, cash flow or profit growth throughout the historic revenue earning record;

3.22.5 the business of the Applicant has undergone a significant change in its scale of operations during the period of the historic revenue earning record; or

3.22.6 it has significant levels of research and development expenditure or significant levels of capital expenditure.

3.23 The MFSA may modify or dispense with Capital Markets Rules 3.18.1 or 3.20 if it is satisfied that it is desirable in the interests of the Applicant or of investors and that investors have the necessary information available to arrive at an informed judgment about the Applicant and the Securities for which Admissibility to Listing is sought.

3.24 Before modifying or dispensing with Capital Markets Rule 3.20, the MFSA must be satisfied that there is an overriding reason for the Applicant seeking a listing on a Regulated Market in Malta (rather than seeking admission to a market more suited to companies without a historic revenue earning record).

3.25 For the purposes of Capital Markets Rule 3.24, the MFSA will take into account factors such as whether the Applicant:

3.25.1 is attracting significant funds from sophisticated investors;

3.25.2 is undertaking a significant marketing of Securities in connection with the application for Admissibility to Listing and has demonstrated that having listed status is a significant factor in the ability to raise funds; and

3.25.3 has demonstrated that it will have a significant market capitalisation on Admissibility to Listing.

Shares in Public Hands

3.26 The Applicant shall, together with its application for admissibility to listing, demonstrate to the satisfaction of the MFSA that:

3.26.1 at least twenty-five percent (25%) of the Class of Shares in respect of which application is made are in the hands of the public in one or more Recognised Jurisdictions; or

3.26.2 at least twenty-five percent (25%) of the Class of Shares in respect of which application is made shall be in the hands of the public in one or more Recognised Jurisdictions.

Exceptionally, a lower percentage may be accepted by the MFSA where the number of Shares of the same Class and the extent of their distribution to the public would enable the market to operate properly with a lower percentage.

3.27 Shares are not considered to be held in public hands if they are held, directly or indirectly by:

3.27.1 a Director of the Applicant or any of its Subsidiary Undertakings;

3.27.2 a person connected with a Director of the Applicant or of any of its Subsidiary Undertakings;

3.27.3 the trustees of any employees' share scheme or pension fund established for the benefit of any Directors and employees of the Applicant and its Subsidiary Undertakings;

3.27.4 any person who under any agreement has a right to nominate a person to the Board of Directors of the Applicant; or

3.27.5 a Substantial Shareholder.

3.28 Where Admissibility to Listing is sought for a further block of shares of the same class, the MFSA may assess whether a sufficient number of shares has been distributed to the public in relation to all the shares issued and not only in relation to this further block.

3.29 An Issuer must inform the MFSA in writing without delay if it becomes aware that the proportion of any Class of Equity Shares authorised as Admissible to Listing in the hands of the public has fallen below twenty-five percent (25%) of the total issued Share capital of that Class or, where applicable, such lower percentage as the MFSA may have agreed.

Shares of a non-EU or EEA company.

3.30 The MFSA will not grant authorisation for Admissibility to Listing to Shares of a company incorporated in a non-EU Member State or EEA State that are not listed either in the company's country of incorporation or in the country in which the majority of its shares are held, unless the MFSA is satisfied that the absence of a listing is not due to the need to protect investors.

Settlement

3.31 Where an application for authorisation for Admissibility to Listing in respect of Shares or a new Class of Securities is made by a Company incorporated in Malta, the Shares or Securities forming the subject of the application must (save where the MFSA in exceptional circumstances otherwise agrees) be eligible for electronic settlement.

Management

3.32 The Directors and senior management of an Applicant that is a Company must collectively demonstrate appropriate expertise and experience for the management of the Group's businesses.

3.33 An Applicant which is a Company must ensure that each of its Directors is free of conflicts between duties to the Applicant and private interests and other duties, unless the Applicant can demonstrate that arrangements are in place to avoid detriment to its interests. Where there are potential conflicts the MFSA must be consulted at an early stage.

Provided that no person may act as a Director of an issuer of a listed security if the person concerned is already acting as a director, partner or employee and is authorised to provide investment advice and/or portfolio management in terms of Part B of the Investment Services Rules for Investment Services Providers in an entity licenced in terms of the Investments Services Act.

Substantial Shareholder

3.34 Where an Applicant has a relationship with a Substantial Shareholder which could result in a conflict of interest between its obligations towards that shareholder and its duties to the general body of shareholders, the MFSA may render the Applicant subject to conditions in the interest of the general body of shareholders of the Applicant.

Participation of Directors in an Issue

3.35 Except in a case of a rights issue, no Director of an Issuer or his Connected Persons may participate directly or indirectly in an issue of Equity Securities or other Securities with rights of conversion to Equity Securities unless the Issuer's shareholders in general meeting have approved the specific allotment to be made. The notice convening the meeting shall state:

3.35.1 the number of Securities to be allotted;

3.35.2 the precise terms and conditions of the issue; and

3.35.3 that such Directors and their Connected Persons shall abstain from exercising any voting rights at the meeting.

Warrants or Options to Subscribe, Convertible Securities, Certificates Representing Shares

3.36 In the absence of exceptional circumstances, the issue of options or warrants to subscribe for Shares must be limited to an amount equal to ten percent (10%) of the issued share capital of the Issuer at the time the warrants or options are issued. Rights under employee share schemes will not be included for the purposes of this limit.

3.37 The conditions for Admissibility of options or warrants to subscribe for Securities (not being options or warrants accompanied by other Securities) are the same as would apply if the subject of the application for Admissibility had been the Securities to be subscribed unless the MFSA otherwise agrees.

3.38 Where an application for Admissibility is made for options or warrants to subscribe, the terms of issue must be such that the unit of dealing, where traded separately, is an option or warrant to subscribe for one Share. Where the terms of the subscription rights change (e.g. on a capitalisation issue) the Issuer must ensure that the quotation on any Recognised List continues to be based on the right to subscribe for one (1) Share.

Convertible Securities

3.39 Securities convertible or exchangeable into another Class of Securities or options or warrants to subscribe or purchase such other Class, may become authorised as Admissible to Listing only if that other Class of Securities is or will become at the same time a Class of Securities authorised as Admissible to Listing. However, the MFSA may grant an application for Admissibility in respect of such Securities, options or warrants in other circumstances if they are satisfied that holders have the necessary information available to form an opinion concerning the value of the underlying Securities to which such Securities, options or warrants relate.

Certificates Representing Shares

3.40 Where application for Admissibility is made in relation to Certificates Representing Shares, the Issuer of the Shares is the Issuer for the purposes of the Capital Markets Rules, and the application will be dealt with as if it were an application for Admissibility of Shares.

The Issuer of the Certificates and the Certificates

3.41 The Issuer of the Certificates must fulfil the requirements of Capital Markets Rule 3.5.

3.42 The Issuer of the Certificates must be a suitably authorised and regulated Financial Institution acceptable to the MFSA.

3.43 The Issuer of the Certificates must hold for the sole benefit of the Certificate holders and on their behalf (or under equivalent arrangements) the Shares to which the Certificates relate, all rights pertaining to the Shares and all money and benefits that it may receive in respect of them, subject only to payment of the remuneration and proper expenses of the Issuer of the Certificates. Neither the Shares nor any such rights, money or benefits may be or may be liable to be treated as assets of the Issuer of the Certificates under the law (including insolvency law) of the place of its incorporation, place of incorporation of the Issuer of the Shares, place of issue of the Certificates or the place of administration of the arrangement under which the Shares are held.

3.44 To be authorised for Admissibility to Listing, the Certificates must fulfil the conditions set out in Capital Markets Rules 3.7 to 3.17 and 3.26 to 3.29. For this purpose, in those Capital Markets Rules, references to Shares should be taken as references to Certificates in respect of which application for authorisation for Admissibility to Listing is made.

3.45 The Certificates shall not impose obligations on their Issuer other than to the extent necessary for the protection of Certificate-holders' rights to, and the transmission of entitlements of, the Shares.

3.46 In the case of Certificates Representing Shares, the Issuer of the Shares shall be subject to the continuing obligations set out in Chapter 5.

3.47 In addition, any change of the Issuer of the Certificates shall be submitted to the MFSA. The newly appointed Issuer of Certificates shall satisfy the applicable conditions for Admissibility set out in this Chapter.

Application for Admissibility to Listing

3.48 The MFSA may refuse an application for Admissibility to Listing:

3.48.1 if in its reasoned opinion, it considers that the Applicant's situation is such that admission of the Securities would be detrimental to the interests of investors;

3.48.2. for Securities already listed in another Member State or EEA State, if the applicant has failed to comply with the obligations to which it is subject by virtue of that listing; or

3.48.3 if it considers that the Applicant does not comply or has not complied with the requirements of the Capital Markets Rules or with any special condition imposed upon the applicant by the MFSA under Capital Markets Rule3.3.

Approaching the market for the listing of Securities

3.49 This part and Appendix 3.1 shall apply to:

3.49.1 Companies having Securities already admitted to a Regulated Market; and

3.49.2 Companies not having Securities admitted to listing on a Regulated Market but an application has been made to the MFSA for Admissibility to Listing of those securities.

3.50 The Companies referred to in Capital Markets Rule 3.49 may approach the market by any one or a combination of the following methods:

3.50.1 an offer for sale or subscription (paragraph 1 of Appendix 3.1);

3.50.2 an intermediaries offer (paragraph 2 of Appendix 3.1)

3.50.3 a rights issue (paragraph 3 of Appendix 3.1);

3.50.4 a placing of rights (paragraph 4 of Appendix 3.1)

3.50.5 an open offer (paragraph 5 of Appendix 3.1);

3.50.6 a vendor consideration placing (paragraph 6 of Appendix 3.1);

3.50.7 a capitalisation or bonus issue (paragraph 7 of Appendix 3.1);

3.50.8 an issue for cash and other methods (paragraph 8 of Appendix 3.1);

3.50.9 such other method as may be accepted by the MFSA either generally or in any particular case.

3.51 The provisions of Appendix 3.1 shall form an integral part of the Capital Markets Rules.

Appendix 3.1

Methods of approaching the market for the listing of Securities

1. *Offer for Sale or Subscription*

1.1 An offer for sale is an invitation to the public by, or on behalf of, a third party to purchase Securities of the Issuer already in issue or allotted (and may be in the form of an invitation to tender at or above a stated minimum price).

1.2 An offer for subscription is an invitation to the public by, or on behalf of, an Issuer to subscribe for Securities of the Issuer not yet in issue or allotted (and may be in the form of an invitation to tender at or above a stated minimum price).

1.3 In an offer for sale or subscription the Issuer shall ensure that:

1.3.1 letters of allotment or acceptance are all issued simultaneously;

1.3.2 letters of regret must be dispatched with the letters of allotment or acceptance; and

1.3.3 where the Securities may be held in uncertificated form, the Issuer must ensure that there is equality of treatment between those who elect to hold the Securities in certificated form and those who elect to hold them in uncertificated form.

2. *An Intermediaries Offer*

2.1 An intermediaries offer is a marketing of Securities already or not yet in issue, by means of an offer by, or on behalf of, the Issuer to intermediaries for them to allocate to their own clients.

2.2 For an intermediaries offer the MFSA may require a list of the names of the intermediaries to whom Securities were allocated and of the names and addresses of the clients of each intermediary to whom Securities were in turn allocated.

3. *Rights Issue*

3.1 A rights issue is an offer to existing holders of Securities to subscribe or purchase further Securities in proportion to their holdings made by means of the issue of a renounceable letter (or other negotiable document) which may be traded (as "nil paid" rights) for a period before payment for the Securities is due.

3.2 The MFSA will not authorise any rights issue in which the rights cannot be transferred in part or in whole in favour of a third party at the option of the entitled shareholder.

3.3 An Issuer intending to make a rights issue whether for cash or by way of bonus should promptly notify the MFSA accordingly. Intention for these purposes shall be evidenced by a decision of the board of Directors of the Issuer or equivalent governing body of the Issuer. In addition, the following must be notified to the MFSA without delay:

3.3.1 the issue price and principal terms of the issue;

3.3.2 the results of the issue and, if any rights not taken up are sold, details of the sale, including the date and price per share; and

3.3.3 if relevant, the number or amount of any Securities issued pursuant to any excess applications together with the basis of any acceptance of those applications.

3.4 In a rights issue the MFSA may grant authorisation for Admissibility to Listing for Securities at the same time as the Securities are authorised as Admissible in "nil paid" form.

Upon the Securities being paid up and the allotment becoming unconditional in all respects, authorisation for Admissibility to Listing will continue without any need for further application for Admissibility of fully paid Securities.

3.5 If existing holders do not take up their rights to subscribe in a rights issue, the Issuer must ensure that the Securities to which the offer relates are offered for subscription or purchase on a Regulated Market on terms that any premium obtained over the subscription or purchase price (net of expenses) is to be for the account of such holders, save that if the premium for an existing holder does not exceed five euros (€ 5), the premium may be retained for the Issuer's benefit.

3.6 Where the offer is undersubscribed or not all the securities are purchased on a Regulated Market, the Securities may be allotted or sold to underwriters, if on the expiry of the subscription period no premium (net of expenses) has been obtained.

3.7 A Director of the Issuer will not, save in exceptional circumstances and with the prior authorisation of the MFSA, be permitted to subscribe for or purchase excess Securities without those Securities being offered to other existing holders on the same terms.

3.8 In the case of an application for authorisation for Admissibility to Listing for Securities offered by way of rights to holders of a Security already authorised as Admissible to Listing, the Prospectus shall comply the relevant requirements set out in Chapter 5.

3.9 No date should be fixed for closing of the offer until the issue has been authorised by the MFSA. An Issuer shall ensure that the offer relating to a rights issue remains open for acceptance for at least fourteen days.

4. *Placing of Rights*

4.1 In a placing of rights arising from the issue before the official start of dealings, the following conditions must be satisfied:

4.1.1 the placing must relate to at least twenty five percent (25%) of the maximum number of Securities offered, or such lesser amount as may be agreed by the MFSA if it is satisfied that a requirement of at least twenty five percent (25%) would be detrimental to the success of the issue;

4.1.2 the placees must be committed to take up whatever is placed with them;

4.1.3 the price paid by the placees must not exceed the price at which the Securities the subject of the rights issue are offered by more than one half (½) of the calculated premium over that offer price (that premium being the difference between the offer price and the theoretical ex-rights price);

4.1.4 the Securities the subject of the rights issue must be of the same Class as Securities already listed;

4.1.5 there must be no minimum holding of Securities before which a shareholder may participate in the rights issue;

4.1.6 the Issuer may not, once the basis of entitlements under the rights issue is declared, make any subsequent alterations to such entitlements.

5. *Open Offer*

5.1 An open offer is an invitation to existing holders of Securities to subscribe or purchase Securities in proportion to their holdings, which is not made by means of a renounceable letter (or other negotiable document).

5.2 The following rules apply to an open offer:

5.2.1 it must be made using assignable or transferable application forms, with splitting facilities;

5.2.2 it may be made in conjunction with other methods of issue (for example, a conditional placing); and

5.2.3 a Director of the Issuer will not, save in exceptional circumstances and with the prior authorisation of the MFSA, be permitted to subscribe for or purchase excess Securities without those Securities being offered to other existing holders on the same terms.

5.3 The following requirements relate to the communication of information on an open offer:

5.3.1 if the offer is subject to the approval of shareholders in general meeting the notification must state that this is the case;

5.3.2 the Circular dealing with the offer must not contain any statement which might be taken to imply that the offer gives the same entitlements as a rights issue; and

5.3.3 the Prospectus must comply with the relevant requirements set out in Chapter 5.

5.4 The timetable for an open offer shall be approved by the Regulated Market on which the Issuer's Securities are listed and traded.

6. *Vendor Consideration Placing*

6.1 A vendor consideration placing is an offer, by or on behalf of vendors, of Securities that have been allotted as consideration for an acquisition.

6.2 In a vendor consideration placing, all vendors must have an equal opportunity of participating in the placing.

7. *Capitalisation/Bonus Issue*

7.1 A capitalisation issue (or bonus issue) in lieu of dividend or otherwise is an issue to existing holders of Securities, in proportion to their holdings, of further Shares credited as fully paid out of the Issuer's reserves.

7.2 Where, in a capitalisation issue (other than one in lieu of dividend) a shareholder's entitlement includes a fraction of a Security, the Issuer must ensure that the fraction is sold for the benefit of the holder except that if its value (net of expenses) does not exceed five euros (€ 5) it may be sold for the Issuer's benefit. Sales of fractions may be made before authorisation for Admissibility to Listing is granted.

7.3 Where the Securities for which authorisation for Admissibility to Listing is sought are allotted by way of capitalisation of reserves or undistributed profits to the holders of a Security already authorised as Admissible to Listing, the Circular must comply with the relevant requirements set out in Chapter 11.

8. *Issue for Cash and other Methods*

8.1 Issues for cash of Equity Securities must be offered in the first place to the existing holders of Equity Securities in proportion to their holdings in accordance with Article 88(1) of the CA unless the right of pre-emption has been restricted or withdrawn in accordance with the provisions of articles 88 (5) and (7) of the CA. Holders of other Equity Securities must be permitted to participate if the rights attached thereto so require.

8.2 Where such an issue is to persons who are specifically approved by shareholders, it will not be regarded as a placing if the subscribers are small in number and are named in the Circular or notice convening the general meeting.

8.3 Securities of a Class already authorised as Admissible to Listing may be granted authorisation for Admissibility to Listing if they arise from an issue for cash, an exchange for, or a conversion of Securities from another Class of Securities or an exercise of options or warrants to subscribe Securities (including options under an employee share scheme).

9. *Discounts not to exceed 10%*

9.1 If an Issuer makes an open offer, placing, vendor consideration placing, or an offer for subscription of Equity Securities, the price shall not be at a discount of more than 10% to the middle market price or similar of those Securities at the time of announcing the terms of the offer or at the time of agreeing the placing (as the case may be) unless the MFSA satisfied that the Issuer is in severe financial difficulties or that there are other exceptional circumstances. A pricing statement shall be completed in accordance with Appendix 3.2.

9.2 Paragraph 9.1 shall not apply to an offer or placing at a discount of more than 10% if:

9.2.1 the terms of the offer or placing at that discount have been specifically approved by the Issuer's shareholders; or

9.2.2 it is an issue of Equity Securities for cash under a pre-existing general authority to disapply article 88(1) of the CA.

4.53 Where the Prospectus is made available by publication in electronic form, a hard copy shall nevertheless be delivered to the investor, upon his request and free of charge, by the Issuer, the person asking for Admissibility to Listing or the financial intermediaries placing or selling the securities.

Advertisements

4.54 Where Malta is the Home Member State, the MFSA shall have the power to exercise control over compliance with the requirements of Capital Markets Rules 4.55 to 4.57 relating to advertising activity involving the Admissibility to Listing of Securities.

4.55 Advertisements related to any Securities which have been authorised as Admissible to Listing or which are to be listed or traded on a Regulated Market shall be clearly recognisable as such, easily readable and comprehensible.

4.55A An Applicant or Issuer, as the case may be, is obliged to ensure that the content of any such advertising:

4.55A.1 is accurate, factual and not misleading;

4.55A.2 does not contain any unverifiable claims; and

4.55A.3 is consistent with the information contained in the Prospectus, if already published, or with the information required to be in the Prospectus if the Prospectus is published afterwards.

4.55B An Applicant shall refrain from advertising in any manner, whether directly or indirectly, from the date of the notification submitted in terms of Capital Markets Rule 4.1A and until it is in receipt of final written notice of the approval of the Admissibility to Listing from the MFSA.

4.55C Hidden, surreptitious and other indirect forms of advertising which are not strictly compliant with these Rules are prohibited.

4.55D In the case of any doubt as to what constitutes an advertisement in terms of these Capital Markets Rules, the Issuer shall contact the MFSA without delay, prior to any proposed publication, requesting a determination as to whether such material constitutes an advertisement. An Issuer shall refrain from publishing any such material in the absence of such a determination.

4.56 In any case, any advertisement issued for the purpose of announcing the Admissibility to Listing of Securities, shall contain a statement that a Prospectus has been or will be published and the addresses and times at which copies of the Prospectus are or will be available to the public.

4.57 Information concerning the Admission to Listing on a Regulated Market disclosed in an oral or written form, even if not for advertising purposes, shall be consistent with the information contained in the Prospectus.

4.58 A Prospectus shall be valid for 12 months after its approval provided that the Prospectus is completed by the supplements required pursuant to Capital Markets Rule 4.26.

4.59 In the case of an Offering Programme, the Base Prospectus, previously filed, shall be valid for a period of up to 12 months.

4.60 In the case of Non-equity Securities referred to in Capital Markets Rule 4.19.2, the Prospectus shall be valid until no more of the Securities concerned are issued in a continuous or repeated manner.

4.61 A registration document, as referred to in Capital Markets Rule 4.13, previously filed, shall be valid for a period of up to 12 months.

Exercise of Passport Rights

4.62 Where Malta is the Home Member State and an Admission to Listing is provided for in one or more Member States or EEA States, other than Malta, the Prospectus approved by the MFSA and any supplements thereto shall be valid in any number of host Member States or EEA States, provided that ESMA and the regulatory authority of each Host Member State or EEA State is notified in accordance with Capital Markets Rule 4.64.

4.63 If there are significant new factors, material mistakes or inaccuracies, as referred to in Capital Markets Rule 4.26, arising since the approval of the Prospectus, the MFSA shall require the publication of a supplement to be approved as provided for in Capital Markets Rule 4.26. Where Malta is the Host Member State, ESMA and the MFSA may draw the attention of the regulatory authority of the Home Member State or EEA State to the need for any new information.

4.64 The MFSA shall provide the regulatory authority of the Host Member State or EEA State, at the request of the Issuer or the person responsible for drawing up the Prospectus and within three Working Days following the receipt of that request or, if the request is submitted together with the draft Prospectus, within one Working Day after the approval of the Prospectus, with a certificate of approval and a copy of the Prospectus as approved. If applicable, this notification shall be accompanied by a translation of the summary of the Prospectus produced under the responsibility of the Issuer or person responsible for drawing up the Prospectus. The same procedure shall be followed for any supplement to the Prospectus. The MFSA shall also notify ESMA and the Issuer or the person responsible for drawing up the Prospectus of the certificate of approval at the same time it notifies the regulatory authority of the host Member State or EEA State.

4.65 A Prospectus in relation to an Admission to Listing which has been approved by the regulatory authority of another Member State or EEA State, other than Malta, is not deemed to be an approved Prospectus unless that authority has provided the MFSA with a certificate of approval and a copy of the Prospectus as approved together with, where requested by the MFSA, a translation into English or Maltese of the summary of the Prospectus.

4.66 For the purposes of this Capital Markets Rule, the certificate of approval shall consist of a statement

4.66.1 that the Prospectus has been drawn up in accordance with the Prospectus Regulation;

4.66.2 that the Prospectus has been approved in accordance with the Prospectus Regulation by the MFSA or the regulatory authority of the Member State or EEA state, as the case may be, providing the certificate; and where applicable

4.66.3 of the reasons as to why the MFSA or the regulatory authority providing the certificate, authorised, in accordance with the Prospectus Regulation, the omission from the Prospectus of information which would otherwise have been included.

Approval of a Prospectus of a third-country Issuer

4.67 If a Prospectus relating to an Issuer whose registered office is situated in a country that is not a Member State or EEA State is drawn up in accordance with the law of that country, the MFSA shall, if Malta is the Home Member State in relation to the Issuer, approve the Prospectus if it is satisfied that:

4.67.1 it has concluded cooperation arrangements with the relevant supervisory authorities of that country issuer in accordance with Article 30 of the Prospectus Regulation;

4.67.2 the information requirements, including information of a financial nature, are equivalent to the requirements under the Prospectus Regulation.

4.68 Where Malta is the Host Member State in relation to an Issuer whose registered office is situated in a country that is not a Member State or EEA State, the requirements set out in Capital Markets Rules 4.32 to 4.34 and 4.61 to 4.65 shall apply.

CHAPTER 5

Continuing Obligations

This chapter deals with the Issuers' continuing obligations and one of its objectives is to implement the relevant provisions of Directive 2004/109/EC of the European Parliament and of the Council of 15 December 2004 on the harmonisation of transparency requirements in relation to information about issuers whose securities are Admitted to Trading on a regulated market and Directive 2007/14/EC of 8 March 2007. These requirements do not exclude any other ongoing obligations which may be contained in other chapters of these Capital Markets Rules.

Preliminary

5.1 Once an Issuer's Securities have been duly authorised as admissible to listing on a Regulated Market and Malta is the Home Member State, the Issuer shall be responsible for ensuring compliance with the continuing obligations of these Capital Markets Rules at all times.

5.2 The MFSA may, at any time, require an Issuer to publish such information in such form and within such time limits as it considers appropriate to protect investors or to ensure the smooth operation of the market.

5.3 If an Issuer fails to comply with the requirement under Capital Markets Rule 5.2, the MFSA may itself publish the information, if the same is available to it, after giving the Issuer an opportunity to make representations as to why it should not be published.

5.4 Where Malta is the Home Member State, the MFSA may subject Issuers to obligations more stringent than those provided for hereafter or to additional obligations, provided that they apply generally to all Issuers or to all Issuers of a given Class.

5.5 The provisions of this Chapter shall not apply to Units issued by collective investment undertakings other than the closed-end type, or to Units acquired or disposed of in such collective investment undertakings.

5.6 Subject to any exemptions set out herein, this Chapter applies to an Issuer:

5.6.1 whose Securities are admitted to listing on a Regulated Market; and

5.6.2 whose Home Member State is Malta.

5.7 For the purposes of this Chapter, "Home Member State" means:

5.7.1 in the case of an Issuer of Debt Securities the denomination per unit of which is less than one thousand (1,000) Euro or an Issuer of Shares:

5.7.1.1 where the Issuer is incorporated in a Member State or EEA State, the Member State or EEA State in which it has its registered office;

5.7.1.2 where the Issuer is incorporated or registered in a non-Member or EEA State the Member State chosen by the Issuer from amongst the Member States or EEA States where its securities are admitted to trading on a Regulated Market. Transactions by Directors and Officers of Issuers

5.106 Subject to Capital Markets Rule 5.105 below, an Issuer must require:

5.106.1 its Directors or Directors of its Subsidiary or Parent Undertaking; and

5.106.2 any of its Officers or employees or an Officer or employee of its Subsidiary or Parent Undertaking who, because of his office or employment in the Issuer or Subsidiary Undertaking or Parent Undertaking, is likely to be in possession of unpublished price-sensitive information in relation to the Issuer

(hereinafter referred to as "Restricted Persons")

to comply with an internal code of dealing which must be no less exacting than those of Capital Markets Rules 5.109 to 5.116 below and must take all proper and reasonable steps to ensure such compliance.

5.107 Capital Markets Rule 5.106 does not apply if such dealings are entered into by such persons:

5.107.1 in the ordinary course of business by a Securities dealing business; or

5.107.2 on behalf of third parties by the Issuer or any other member of its Group.

5.108 Issuers may impose more rigorous restrictions upon dealings by Restricted Persons if they so wish.

5.109 A Restricted Person shall not deal directly or indirectly in any of the Securities of the Issuer:

5.109.1 at any time when he is in possession of unpublished price-sensitive information in relation to those Securities;

5.109.2 prior to the Announcement of matters of an exceptional nature involving unpublished price-sensitive information in relation to the market price of the Securities of the Issuer;

5.109.3 on considerations of a short-term nature;

5.109.4 without giving advance written notice to the Chairman, or one or more other Directors designated for this purpose. In his own case, the Chairman, or such other designated Director, shall not deal without giving advance notice to the board of Directors of such Company or any other designated Director as appropriate;

5.109.5 during such other period as may be established by the MFSA from time to time.

5.110 The same restrictions apply to dealings by a Restricted Person in the Securities of any other Issuer when, by virtue of his position in the Issuer, he is in possession of unpublished price-sensitive information in relation to those Securities.

5.111 During the period of thirty (30) days immediately preceding any publication of the Issuer's annual results, or the half-yearly results or the quarterly basis reports, a Restricted Person shall not purchase any Securities of the Issuer nor shall he sell any

such Securities. The Issuer may allow a Restricted Person to trade on its own account or for the account of a third party during a closed period either:

(a) on a case-by-case basis due to the existence of exceptional circumstances, such as severe financial difficulty, which require the immediate sale of shares; or
(b) due to the characteristics of the trading involved for transactions made under, or related to, an employee share or saving scheme, qualification or entitlement of shares, or transactions where the beneficial interest in the relevant security does not change.

5.112 If the approval of the MFSA to deal in exceptional circumstances has been granted, the Issuer must notify the MFSA of such deals immediately after these have been concluded.

5.113 The restrictions on dealings contained in this Chapter shall be regarded as equally applicable to any dealings by any Connected Person or any Investment Manager acting on behalf of a Restricted Person or on behalf of any Connected Person where either he or any Connected Person has funds under management with that investment Manager, whether on a discretionary basis or not. It is the duty of the Restricted Person (as far as is consistent with his duties of confidentiality to his Company) to seek to prohibit any such dealing by any Connected Person at a time when he himself is not free to deal.

5.114 Where a Restricted Person is acting as a trustee, dealing in the Securities of the Issuer by that trustee is permitted during the period referred to in Capital Markets Rule 5.111 where:

5.114.1 the Restricted Person is not a beneficiary of the trust; and

5.114.2 the decision to deal is taken by the other trustees or by investment managers on behalf of the trustees independently of the Restricted Person.

5.115 The other trustees or investment managers acting on behalf of the trustees will be assumed to have acted independently of the Restricted Person for the purpose of Capital Markets Rule 5.114.2 where they:

5.115.1 have taken the decision to deal without consultation with, or other involvement of, the Restricted Person; or

5.115.2 if they have delegated the decision making to a committee of which the Restricted Person is not a member.

5.116 No dealings in any Securities may be effected by or on behalf of an Issuer or any other member of its Group at a time when, under the provisions of this Chapter, a Director of the Issuer would be prohibited from dealing in its Securities, unless such dealings are entered into:

5.116.1 in the ordinary course of business by a Securities dealing business; or

5.116.2 on behalf of third parties by the Issuer or any other member of its Group.

Audit Committee

5.117 The Issuer shall establish and maintain an audit committee which satisfies the

following criteria:

5.117.2 the majority of such members shall be independent of the Issuer;

5.117.3 at least one member of the audit committee shall be competent in accounting and/or auditing; and

5.117.4 the chairman of the audit committee shall be appointed by the board of directors of the Issuer and shall be independent of the Issuer.

5.118 It shall be the responsibility of the Board to determine who of the Directors satisfy the competence and independence criteria set out in Capital Markets Rule 5.117. The Board shall also ensure that the committee members as a whole have competence relevant to the sector in which the Issuer is operating.

5.118A The corporate governance statement required under Capital Markets Rule 5.97 shall clearly indicate the independent members and the member/s competent in accounting and/or auditing together with the reasons why these members are considered by the Board as independent and competent in accounting and/or auditing. In the said corporate governance statement the Board shall also include the reasons why it considers that the committee members as a whole have the relevant competence as required in Capital Markets Rule 5.118 above.

5.119 For the purposes of this section a Director shall be considered independent only if he is free of any business, family, or other relationship with the Issuer, its controlling shareholder or the management of either, that creates a conflict of interest such as to impair his judgement. The Board of the Issuer shall take into account the following situations when determining the independence or otherwise of a director:

5.119.1 whether the director has been an executive officer or employee of the Issuer or a subsidiary or parent of the Issuer, as the case may be, within the last three years;

5.119.2 whether the director has, or has had within the last three years, a significant business relationship with the Issuer either directly, or as a partner, shareholder, director or senior employee of a body that has such a relationship with the Issuer;

5.119.3 whether the director has received or receives significant additional remuneration from the Issuer or any member of the Group of which the Issuer forms part in addition to a director's fee, such as participation in the Issuer's share option or a performance-related pay scheme, or membership of the Issuer's pension scheme, except where the benefits are fixed;

5.119.4 whether he has close family ties with any of the Issuer's executive Directors or senior employees;

5.119.5 whether he has served on the Board of the Issuer for more than twelve consecutive years; or

5.119.6 whether he is or has been within the last three years an engagement

partner or a member of the audit team of the present or former external auditor of the Issuer or any member of the group of which the Issuer forms part.

5.120 For the purposes of Capital Markets Rule 5.119.2 "business relationship" includes the situation of a significant supplier of goods or services (including financial, legal, advisory or consulting services), of a significant customer, and of organisations that receive significant contributions from the Issuer or its group.

5.121 In addition to anything contained in the Memorandum or Articles of Association of the Issuer relating to the nomination and appointment of Directors, when the Board of the Issuer is receiving nominations for Directors and none of the persons nominated satisfy the independence and competence criteria referred to in Capital Markets Rule 5.117, the Board may nominate a person that satisfies these requirements.

5.122 If none of the persons elected as Directors of the Issuer satisfy the independence and competence criteria prescribed by Capital Markets Rule 5.117, the Board shall have the right to appoint an additional Director that satisfies the said criteria. This right may only be exercised as long as there is a vacancy in the Board and provided the maximum number of Directors stipulated by the Memorandum and Articles of Association of the Issuer is not exceeded.

5.123 The obligation to establish an audit committee shall not apply to:

5.123.1 an Issuer of Debt Securities which is a Subsidiary Undertaking provided that an audit committee which is compliant with these Capital Markets Rules and which the MFSA considers to be satisfactory is set up at the ultimate Parent Undertaking;

5.123.2 an Issuer which is a UCITS as defined in Article 1 (2) of Directive 2009/65/EC of the European Parliament and of the Council or an alternative investment fund as defined in Article 4 (1) (a) of Directive 2011/61/EU of the European Parliament and of the Council;

5.123.3 an Issuer the sole business of which is to issue asset backed securities, provided that the Issuer explains to the public, by means of a Company Announcement, the reasons for which it considers it inappropriate to have an audit committee;

5.124 For the purposes of Capital Markets Rule 5.123.4, "asset backed securities" means securities which:

5.124.1 represent an interest in assets, including any rights intended to assure servicing, or the receipt or timeliness of receipts by holders of assets, of amounts payable thereunder; or

5.124.2 are secured by assets and the terms of which provide for payments which relate to payments or reasonable projections of payments calculated by reference to identified or identifiable assets.

5.125 *Omissis*

5.126 The primary purpose of the audit committee is to protect the interests of the company`s shareholders and assist the Directors in conducting their role effectively

so that the company's decision-making capability and the accuracy of its reporting and financial results are maintained at a high level at all times.

5.127 Without prejudice to Capital Markets Rule 5.117, the Issuer shall determine the terms of reference, life span, composition, role and function of such committee and shall establish, maintain and develop appropriate reporting procedures, provided that the main role and responsibilities of the audit committee shall include:

5.129 The external Auditor shall report to the audit committee on key matters arising from the audit, and in particular on material weaknesses in internal control in relation to the financial reporting process.

5.130 The audit committee shall establish and maintain access between the internal and external Auditors of the Company and shall ensure that this is open and constructive.

5.131 The audit committee shall meet at least four times a year. The head of Internal Audit should attend the meetings of this Committee.

5.132 When the audit committee`s monitoring and review activities reveal cause for concern or scope for improvement, it shall make recommendations to the Board on action needed to address the issue or make improvements. The Board shall satisfy itself that any issues raised by the audit committee and the external Auditor and communicated to the Board have been adequately addressed.

5.133 The Issuer shall inform the MFSA how the audit committee is constituted, identifying clearly that independent member of the committee who is competent in accounting and/or auditing as required by Capital Markets Rule 5.117 and providing the reasons why such member is deemed to satisfy the independence and competence criteria set out in the said Capital Markets Rule. The Issuer shall also provide the MFSA with the terms of reference of the audit committee and shall inform the MFSA, without delay, of any changes to the above.

5.134 The terms of reference of the audit committee should provide sufficient guarantees and safeguards for the protection of the rights of shareholders and particularly with respect to related party transactions. They should also prohibit any member of the audit committee who has a direct or indirect interest in any contract, transaction or arrangement that is brought before the committee from being present at, and from voting, at any meeting of the committee during which such contract, transaction or arrangement is being discussed.

5.134A In so far as the requirements relating to the audit committee are concerned, an Issuer shall also refer to and comply with the relevant provisions of the Statutory Audit Regulation, in particular with Articles 16 and 17 of Title III of the said Regulation, relating to the appointment of statutory auditors or audit firms.

Transactions with Related Parties

General

5.135 Capital Markets Rules 5.136 to 5.142 set out safeguards that apply to transactions and arrangements between an Issuer and a Related Party, which transactions must be entered into at arm's length and on a normal, commercial basis. Such safeguards are intended to prevent a Related Party from taking advantage of its position and also to prevent any perception that it may have done so.

5.136 In considering each possible related party relationship, attention should be directed to the substance of the relationship and not merely the legal form.

5.137 The following are not necessarily related parties:

5.137.1 two entities simply because they have a Director or other member of key management personnel in common or because a member of key management personnel of one entity has significant influence over the other entity;

5.137.2 two venturers simply because they share joint control over a joint venture;

5.137.3 providers of finance, trade unions, public utilities, and government departments and agencies of a government that does not control, jointly control or significant influence the reporting entity; simply by virtue of their normal dealings with an entity (even though they may affect the freedom of action of an entity or participate in its decision-making process); and

5.137.4 a customer, supplier, franchisor, distributor or general agent with whom an entity transacts a significant volume of business, merely by virtue of the resulting economic dependence.

The role of the audit committee with respect to related party transactions[1]

5.138 The audit committee of the Issuer or any other committee established by the Issuer that satisfies the composition requirements prescribed by Capital Markets Rule 5.117 shall be responsible for vetting and approving related party transactions. Any reference in this part to the audit committee shall be deemed to include a reference to such other committee that the Issuer may set up in terms of this Capital Markets Rule.

5.139 Where the Issuer sets up a committee, other than the audit committee, to carry out the functions referred to in Capital Markets Rule 5.127, the said committee shall provide the MFSA with its terms of reference, which terms of reference have to comply with the requirements of Capital Markets Rule 5.134.

5.140 The audit committee shall give due consideration to:

5.140.1 whether the transaction is a Material Related Party Transaction;

5.140.2 whether the transaction is in the ordinary course of the Issuer's business or the business of any its Subsidiary Undertakings as applicable;

5.140.3 whether the transaction gives rise to preferential treatment to the Related Party;

5.140.4 the nature of the transaction;

5.140.5 the position of the related party;

5.140.6 the influence that the information about the transaction may have on the economic decisions of shareholders of the issuer;

5.140.7 the risk that the transaction creates for the issuer and its shareholders who are not a related party, including minority shareholders;

5.141 Should the audit committee, after considering the proposed related party transaction as laid down in Capital Markets Rule 5.140, deem the proposed transaction to be material and approves such a transaction, such Material Related Party Transaction

[1] These requirements are without prejudice to the rules on public disclosure of inside information as referred to in Article 17 of Regulation (EU) No 596/2014 of the European Parliament and of Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (market abuse regulation) and repealing Directive 2003/6/EC of the European Parliament and of the Council and Commission Directives 2003/124/EC, 2003/125/EC and 2004/72/EC (OJ L 173, 12.6.2014, p. 1).

shall be approved by the board of directors of the Issuer and a Company Announcement containing the below information shall be published:

5.141.1 the nature and details of the transaction;

5.141.2 the name of the Related Party concerned; and

5.141.3 details of the nature and extent of the interest of the Related Party in the transaction, including the date and value of the transaction and other information necessary to assess whether or not the transaction is fair and reasonable from the perspective of the Issuer and of the shareholders who are not a related party, including minority shareholders.

5. 141A Where the related party transactions involves a director, the respective director shall not take part in the approval of the vote.

5.142 Where the proposed Material Related Party Transaction is not approved by the audit committee but the board of directors of the Issuer still wants to proceed with the transaction, the Issuer shall:

5.142.1 make a Company Announcement which shall contain:

5.142.1.1 the nature and details of the transaction;

5.142.1.2 the name of the Related Party concerned; and

5.142.1.3 details of the nature and extent of the interest of the Related Party in the transaction, including the date and value of the transaction and other information necessary to assess whether or not the transaction is fair and reasonable from the perspective of the Issuer and of the shareholders who are not a related party, including minority shareholders; and

5.142.1.4 the fact that the Material Related Party transaction has not been approved by the Audit Committee including the reasons for not approving such a transaction.

5.142.2 send a Circular to its shareholders containing the information required by Capital Markets Rule 6.17; and

5.142.3 obtain the approval of its shareholders either prior to the transaction being entered into or, if it is expressed to be conditional on such approval, prior to completion of the transaction and, where applicable, ensure that the Related Party itself abstains from voting on the relevant resolution. The board of directors of the Issuer shall disclose the fact that the audit committee has not approved the related party transaction in question at the general meeting convened for the purpose of this Capital Markets Rule.

5.142A An Issuer shall ensure that material transactions concluded between the related party of the Issuer and the Issuer's subsidiary are publicly disclosed through the issue of a Company Announcement. The disclosure requirements outlined under Capital Markets Rule 5.141 shall apply.

5.142B The disclosure requirements under Capital Markets Rule 5.141 and Capital Markets Rule 5.142 are without prejudice to the rules on public disclosure of inside

information as referred to in Article 17 of Regulation (EU) No 596/2014 on Market Abuse.

Exemptions

5.143 The rules dealing with related party transactions shall not apply in the following cases:-

5.143.1 transactions offered to all shareholders on the same terms where equal treatment of all shareholders and protection of the interests of the company is ensured.

5.143.2 the transaction:

5.143.2.1 involves the receipt of any asset (including cash or Securities of the Issuer or any of its Subsidiary Undertakings) by a Director of the Issuer, its Parent Undertaking or any of its Subsidiary Undertakings; or

5.143.2.2 is a grant of an option or other right to a Director of the Issuer, its Parent Undertaking, or any of its Subsidiary Undertakings to acquire (whether or not for consideration) any asset (including cash or new or existing Securities of the Issuer or any of its Subsidiary Undertakings);

in accordance with the terms of either an employee share scheme or a long-term incentive scheme;

5.143.3 the transaction is a grant of credit (including the lending of money or the guaranteeing of a loan):

5.143.3.1 to the Related Party upon normal commercial terms;

5.143.3.2 to a Director for an amount and on terms no more favourable than those offered to employees of the Group generally; or

5.143.3.3 by the Related Party upon normal commercial terms and on an unsecured basis.

5.143.4 the transaction is the grant of an indemnity to a Director of the Issuer (or any of its Subsidiary Undertakings) to the extent not prohibited by Article 148 of the CA, or the maintenance of a contract of insurance to the extent contemplated by that article (whether for a Director of the Issuer or for a Director of any of its Subsidiary Undertakings);

5.143.5 the transaction is an underwriting by the Related Party of all or part of an issue of Securities by the Issuer (or any of its Subsidiary Undertakings) and the consideration to be paid by the Issuer (or any of its Subsidiary Undertakings) in respect of such underwriting is no more than the usual commercial underwriting consideration and is the same as that to be paid to the other underwriters (if any);

5.143.6 the terms and circumstances of the investment or provision of finance by the Issuer, or any of its Subsidiary Undertakings are, in the opinion of an independent adviser acceptable to the MFSA, no less favourable than those applicable to the investment or provision of finance by the Related Party;

5.143.7 Transactions regarding remuneration of directors, awarded in accordance with the right to vote on the remuneration policy provisions under Chapter 12 of the Capital Markets Rules.

5.143A The requirements set out in Capital Markets Rules 5.141 to 5.142A shall not apply to transactions entered into in the ordinary course of business and concluded on normal market terms.

Reporting requirement

5.144 The Issuer shall disclose all related party transactions *ex post facto* in the Annual Financial Report.

Memorandum and Articles of Association

5.145 The Articles of Association of all Issuers seeking authorisation for Admissibility to listing must conform with the provisions set out in Appendix 5.2 and obtain the prior authorisation by the MFSA. Only in very exceptional circumstances will the MFSA grant exemption from compliance with any of the provisions of Appendix 5.2

5.146 An Issuer shall not amend its Memorandum and Articles of Association unless prior written authorisation has been sought and obtained from the MFSA.

5.147 If authorisation for the amendment to the Memorandum and Articles of Association is granted by the MFSA, the Issuer must send a Circular to its shareholders containing the information prescribed by Capital Markets Rule 6.16.

Acquisitions and Realisations

5.148 In this section (except where specifically provided to the contrary) a reference to a transaction entered into by an Issuer:

5.148.1 includes all agreements (including amendments to agreements) entered into by the Issuer or its Subsidiary Undertakings;

5.148.2 excludes a transaction in the ordinary course of business;

5.148.3 excludes any transaction between the Issuer and its wholly-owned Subsidiary Undertakings or between its wholly-owned Subsidiary Undertakings.

Classification of acquisitions and realisations

5.149 Acquisitions and realisations shall be classified as follows:-

5.149.1 Class 1 transaction: where any of the tests mentioned in Capital Markets Rule 5.151 amount to five percent (5%) but less than thirty-five percent (35%); or

5.149.2 Class 2 transaction: where any of the tests mentioned in Capital Markets Rule 5.151 amount to thirty-five percent (35%) or more.

Class tests

5.150 In order to classify acquisitions and realisations the following class tests will be used:

5.150.1 the gross assets test;

5.150.2 the profits test; and

5.150.3 the consideration test.

The gross assets test

5.151 The gross assets test shall be calculated by dividing the gross assets the subject of the transaction by the gross assets of the Issuer. For the purposes of this Capital Markets Rule, "the gross assets of the Issuer" means the total non-current assets, plus the total current assets, of the Issuer.

5.152 In the case of:

5.152.1 an acquisition of an interest in an undertaking which will result in the consolidation of the assets of that undertaking in the accounts of the Issuer; or

5.152.2 a disposal of an interest in an undertaking which will result in the assets of that undertaking no longer being consolidated in the accounts of the Issuer;

the "gross assets the subject of the transaction" means the value of 100% of that undertaking's assets irrespective of what interest is acquired or disposed of.

5.153 For an acquisition or disposal of an interest in an undertaking which does not fall within Capital Markets Rule 5.152, the "gross assets the subject of the transaction" means:

5.153.1 for an acquisition, the consideration together with liabilities assumed (if any); and

5.153.2 for a disposal, the assets attributed to that interest in the Issuer's accounts.

5.154 If assets, other than an interest in an undertaking, are acquired, "the assets the subject of the transaction" means the consideration or, if greater, the book value of those assets as they will be included in the Issuer's balance sheet.

5.155 In the case of a disposal of assets other than an interest in an undertaking, "the assets the subject of the transaction" means the book value of the assets in the Issuer's balance sheet.

The profits test

5.156 The profits test is calculated by dividing the profits attributable to the assets the subject of the transaction by the profits of the Issuer. For the purposes of this Capital Markets Rule "profits" means profits after deducting all charges except taxation and, in the case of an acquisition or disposal of an interest in an undertaking referred to in Capital Markets Rule 5.152, 100% of the profits of the undertaking (irrespective of what interest is acquired or disposed of).

The consideration test

5.157 The consideration test is calculated by taking the consideration for the transaction as a percentage of the aggregate Market Value of all the ordinary Shares of the Issuer. The figure used to determine market capitalisation is the aggregate Market Value of all the ordinary Shares of the Issuer at the close of business on the last day before prior to the date when the transaction has been agreed to.

5.158 For the purposes of Capital Markets Rule 5.157:

5.158.1 the consideration is the amount paid to the contracting party;

5.158.2 if all or part of the consideration is in the form of Securities to be traded on a market, the consideration attributable to those Securities is the aggregate Market Value of those Securities; and

5.158.3 if deferred consideration is or may be payable or receivable by the Issuer in the future, the consideration is the maximum total consideration payable or receivable under the agreement.

5.159 For the purposes of Capital Markets Rule 5.158.2, the figures used to determine consideration consisting of:

5.159.1 Securities of a Class already listed, must be the aggregate Market Value of all those Securities on the last Business Day before the announcement; and

5.159.2 a new Class of Securities for which an application for Admissibility to Listing will be made, must be the expected aggregate Market Value of all those Securities.

5.160 If the total consideration is not subject to a maximum (and the other class tests indicate the transaction to be a class 1 transaction) the transaction is to be treated as a class 2 transaction.

Acquisitions and disposals of Property

5.161 Acquisitions and disposals of Property by an Issuer (including any transactions or arrangements the purpose of which is to change, in whole or in part, the beneficial ownership of Property) are subject to the rules contained in this section save as indicated below:

5.161.1 for the purposes of Capital Markets Rule 5.150.1 (the gross assets test), the assets test is calculated by dividing the transaction consideration by the gross assets of the Issuer and Capital Markets Rules 5.154 and 5.155 do not apply;

5.161.2 for the purposes of Capital Markets Rule 5.150.1 (the gross assets test), if the transaction is an acquisition of land to be developed, the assets test is calculated by dividing the transaction consideration and any financial commitments relating to the development by the gross assets of the Issuer;

5.161.3 for the purposes of Capital Markets Rule 5.150.1, the "gross assets of the Issuer" are, at the option of the Issuer:

5.161.3.1 the aggregate of the Issuer's share capital and reserves (excluding minority interests);

5.161.3.2 the book value of the Issuer's Properties (excluding those Properties classified as current assets in the latest published Annual Accounts); or

5.161.3.3 the published valuation of the Issuer's Properties (excluding those Properties classified as current assets in the latest published Annual Accounts);

5.161.4 for the purposes of Capital Markets Rule 5.150.2 (the profits test), "profits" means the net annual rental income; and

5.161.5 the test referred to in Capital Markets Rule 5.150.3 shall not apply but when any of the consideration for an acquisition is in Shares, an alternative test will be applied comparing the Shares to be issued with the number of Shares in issue.

Notification requirements

5.162 In the case of a Class 1 transaction, the Issuer shall make a Company Announcement as soon as possible after the terms of the transaction are agreed.

5.163 In the case of a Class 2 transaction, the Issuer must:

5.163.1 issue a Company Announcement in the manner laid down by Capital Markets Rule 5.162.

5.163.2 send an explanatory Circular to its shareholders and obtain their prior approval in a general meeting for the transaction; and

5.163.3 ensure that any agreement effecting the transaction is conditional on that approval being obtained.

Provided that Issuers without Equity Securities authorised as Admissible to Listing shall only be required to comply with Capital Markets Rule 5.163.1 when proposing to enter into a Class 2 transaction.

5.164 The Company Announcement referred to in Capital Markets Rules 5.162 and 5.163 must include:

5.164.1 details of the transaction, including particulars of dates, parties, terms and conditions, general nature of contract, the name of the receiving notary, where applicable;

5.164.2 a description of the business carried on by, or using, the net assets the subject of the transaction;

5.164.3 the consideration, and how it is being satisfied (including the terms of any arrangements for deferred consideration);

5.164.4 the value of the gross assets the subject of the transaction;

5.164.5 the profits attributable to the assets the subject of the transaction;

5.164.6 the effect of the transaction on the Issuer including any benefits which are expected to accrue to the Issuer as a result of the transaction;

5.164.7 for a disposal, the application of the sale proceeds;

5.164.8 for a disposal, if Securities are to form part of the consideration received, a statement whether the Securities are to be sold or retained; and

5.164.9 details of key individuals important to the business or company the subject of the transaction.

5.165 If, at any time subsequent to any Company Announcements made in terms of Capital Markets Rules 5.162 or 5.163, the Issuer has become aware that there has been a significant change affecting any matter contained in the Announcement or a significant new matter has arisen which would have been required to be mentioned in that Announcement if it had arisen at the time of making such Announcement, the Issuer must make another Company Announcement.

5.166 The supplementary Company Announcement must give details of the change or new matter and also contain a statement that, except as disclosed, there has been no significant change affecting any matter contained in the earlier Announcement and no other significant new matter has arisen which would have been required to be mentioned in that earlier Announcement if it had arisen at the time of preparation of that Announcement.

5.167 In Capital Markets Rules 5.165 and 5.166, "significant" means significant for the purpose of making an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer and the rights attaching to any Securities forming part of the consideration. It includes a change in the terms of the transaction such that affects the percentage ratios and requires the transaction to be reclassified.

5.168 The Circular referred to in Capital Markets Rule 5.163.2 must comply with the requirements of Capital Markets Rules 6.18 to 6.22.

5.169 If, after the production of a Circular and before the completion of a Class 2 transaction, there is a material change to the terms of the transaction, the Issuer must comply again separately with Capital Markets Rule 5.163 in relation to the transaction.

5.170 In deciding whether a Circular should be sent to shareholders, the MFSA may aggregate acquisitions or realisations that have taken place since either the publication of the last Accounts, or the issue of the last Circular, whichever is the later during the twelve (12) months prior to the date of the latest transaction. Such aggregated transactions may then be treated as if they were one transaction if they were all completed within a short period of time, and the total of transactions is thirty-five percent (35%) or more as defined in Capital Markets Rule 5.149.2. For these purposes, the value of transactions in respect of which adequate information has already been issued to shareholders will be included in the net tangible assets or profits of the Issuer for comparison with the transaction or transactions under consideration. In case of doubt as to aggregation, the MFSA should be consulted at an early stage.

5.171 Without prejudice to the generality of Capital Markets Rule 5.170, transactions will normally only be aggregated in accordance with that provision if they:

5.171.1 are entered into by the Issuer with the same party or with parties connected with one another; or

5.171.2 involve the acquisition or disposal of Securities or an interest in one particular Company; or

5.171.3 together lead to substantial involvement in a business activity which did not previously form part of the Issuer's principal activities.

5.172 If, under Capital Markets Rule 5.170, aggregation results in a class test of thirty-five percent (35%) or more which would require Shareholder approval in terms of Capital Markets Rule 8.105, such approval is required only for the latest transaction.

5.173 Notwithstanding Capital Markets Rule 5.170, where acquisitions are entered into since either the publication of the last Accounts or the issue of the last Circular, whichever is the later, which cumulatively amount to thirty-five percent (35%) or more in any of the percentage ratios, the provisions outlined in Capital Markets Rule 5.163 may apply.

Transactions Involving Substantial Shareholdings

5.174 This Capital Markets Rule shall regulate the activities of an Issuer whenever it is advised or otherwise becomes aware of an impending share negotiation or transaction involving a Substantial Shareholding.

Substantial Shareholding shall for the purposes of this Rule mean the entitlement to exercise or control the exercise of ten percent (10%) or more of the votes able to be cast at general meetings or the entitlement to appoint a majority of Directors on the board of Directors of an Issuer.

5.174.1 All parties to an offer for an acquisition or disposal of a Substantial Shareholding in an Issuer as well as the Issuer must use every endeavour to prevent the creation of a false market in the securities of the Issuer. All parties involved in an offer for an acquisition or disposal of a Substantial Shareholding in an Issuer and the Issuer must take care that statements are not made which may mislead shareholders or the market.

5.174.2 Without prejudice to Capital Markets Rule 5.16, an Issuer must promptly make a Company Announcement:

5.174.2.1 when the board of Directors of the Issuer is advised or otherwise becomes aware that a purchaser is being sought for a Substantial Shareholding in the Issuer;

5.174.2.2 when the Issuer is the subject of rumour and speculation;

5.174.2.3 when the board of Directors of the Issuer is advised or otherwise becomes aware of a firm intention to acquire or dispose of a Substantial Shareholding in the Issuer;

5.174.2.4 when the board of Directors of the Issuer is advised or otherwise becomes aware that an offer has been made to acquire or dispose of a Substantial Shareholding in the Issuer.

5.174.3 Without prejudice to any applicable privacy or secrecy obligations in terms of law, an Issuer may furnish in confidence to a bona fide offeror and the corresponding bona fide transferor such information including

unpublished price-sensitive information as may be necessary to enable the bona fide offeror, the bona fide transferor and their advisers to make, confirm, withdraw or modify the offer, provided that such disclosure of information may only be furnished subject to the following conditions:

5.174.3.1 the express consent of the Company in general meeting by an ordinary resolution of the Company unless the memorandum or articles of the Company require an extraordinary resolution, to make such disclosure of information to bona fide offerors. Such consent may, but need not, be limited to a specific prospective offeror(s);

5.174.3.2 the signing of a confidentiality agreement signed by the prospective transferor and the prospective offeror(s) to prevent the disclosure and use of the information furnished, other than for the purpose of the acquisition of the Substantial Shareholding in the Issuer;

5.174.3.3 an undertaking from the prospective offeror(s) whereby they bind themselves not to deal in the Issuer's shares or any derivative instrument relating thereto, whether directly or indirectly, for a period of one year following completion of the transaction or termination thereof or discontinuance or withdrawal, other than to complete the transaction that prompted the disclosure of information hereunder;

5.174.3.4 an undertaking from the prospective transferor that it acknowledges that the information received from the Issuer cannot be used or communicated other than for the purposes of a transaction in the shares that are the subject of the offer, whether wholly or in part, whether with the prospective offeror(s) or otherwise, and that it cannot deal in other shares of the Issuer for a period of one year following completion of the transaction or termination thereof or discontinuance or withdrawal.

5.174.4 When the transaction that prompted the furnishing of information in confidence is completed the Issuer shall make a Company Announcement disclosing the outcome of negotiations relating to the acquisition or disposal of a Substantial Shareholding in the Issuer, including the price at which the Substantial Shareholding was acquired or disposed of.

5.174.5 When the transaction that prompted the furnishing of information in confidence is not completed and the Issuer is advised or otherwise becomes aware of such non completion, the Issuer shall make a Company Announcement disclosing the outcome of negotiations.

5.174.6 In the event that the transaction that prompted the furnishing of information in confidence is completed, a purchaser which has had access to information in confidence in terms of this Capital Markets Rule shall be prohibited from acquiring further securities in the Issuer or from disposing of securities in the Issuer, whether directly or indirectly for a period of one year from the date of acquisition.

5.174.7 In the event that the transaction that prompted the furnishing of information in confidence is not completed, a bona fide offeror which has had access to information in confidence in terms of this Capital Markets Rule shall be prohibited from acquiring securities in the Issuer, whether directly or indirectly, for a period of one year following termination thereof or discontinuance or withdrawal, other than to complete the transaction that prompted the disclosure of information hereunder.

5.174.8 Regardless of the outcome of the transaction, the purchaser or the bona fide offeror, as the case may be, shall, immediately following completion of the transaction or termination thereof or discontinuance or withdrawal, notify the Issuer to that effect and return all the information furnished by the Issuer and shall take prompt action to cancel, delete or destroy such information furnished by the Issuer that cannot be returned.

Notification of the acquisition or disposal of major holdings to which voting rights are attached.

5.175 Where the Home Member State is Malta and as soon as a shareholder acquires 5% or more of the Issuer's shares to which voting rights are attached, the Issuer shall immediately inform the shareholder of his obligation to notify the Issuer and the MFSA of any changes in major holdings in terms of Capital Markets Rules 5.176 to 5.214.

5.176 Any Shareholder who acquires or disposes shares to which voting rights are attached and where the Home Member State is Malta, shall notify the Issuer and the MFSA of the proportion of voting rights of the Issuer held by such Shareholder as a result of the acquisition or disposal where that proportion reaches, exceeds or falls below the thresholds of 5%, 10%, 15% 20%, 25%, 30%, 50%, 75% and 90%.

5.177 The voting rights shall be calculated on the basis of all the shares to which voting rights are attached even if the exercise thereof is suspended.

5.178 This information shall also be given in respect of all the shares which are in the same Class and to which voting rights are attached.

5.179 The Issuer and the MFSA shall also be notified in terms of Capital Markets Rule 5.176 when the proportion reaches, exceeds or falls below the thresholds specified in the same Capital Markets Rule, as a result of events changing the breakdown of voting rights.

5.180 The threshold referred to in Capital Markets Rule 5.176 shall be calculated on the basis of the information made available to the public by the Issuer at the end of each calendar month, of the total number of voting rights and capital, during which an increase or decrease of such total number has occurred.

5.181 Where the Issuer is incorporated or registered in a non-EU or EEA State, the notification shall be made for equivalent events.

5.182 The notification requirement defined in Capital Markets Rule 5.176 shall also apply to a natural person or Legal Entity who:

5.182.1 is entitled to acquire, to dispose of, or to exercise voting rights in any of the following cases or a combination of them:

5.182.1.1 voting rights held by a third party with whom that person or entity has concluded an agreement, which obliges them to adopt, by concerted exercise of the voting rights they hold, a lasting common policy towards the management of the Issuer in question;

5.182.1.2 voting rights held by a third party under an agreement concluded with that person or entity providing for the temporary transfer for consideration of the voting rights in question;

5.182.1.3 voting rights attaching to shares which are lodged as collateral with that person or entity, provided the person or entity controls the voting rights and declares its intention of exercising them;

5.182.1.4 voting rights attaching to shares in which that person or entity has the right of usufruct;

5.182.1.5 voting rights which are held, or may be exercised within the meaning of Capital Markets Rule 5.182.1.1 to 5.182.1.4 above, by an undertaking controlled by that person or entity;

5.182.1.6 voting rights attaching to shares deposited with that person or entity which the person or entity can exercise at its discretion in the absence of specific instructions from the shareholders;

5.182.1.7 voting rights held by a third party in its own name on behalf of that person or entity;

5.182.1.8 voting rights which that person or entity may exercise as a proxy where the person or entity can exercise the voting rights at its discretion in the absence of specific instructions from the shareholders.

5.183 The obligation to notify the Issuer in terms of Capital Markets Rule 5.176 shall be an individual obligation incumbent upon each shareholder, or each natural person or Legal Entity as referred to in Capital Markets Rule 5.182, or both in case the proportion of voting rights held by each party reaches, exceeds or falls below the thresholds laid down in Capital Markets Rule 5.176. In the circumstances, however, referred to in Capital Markets Rule 5.182.1.1 the said notification obligation shall be a collective obligation shared by all the parties to the agreement.

5.184 In the circumstances referred to in Capital Markets Rule 5.182.1.8, if a shareholder gives the proxy in relation to one shareholder meeting, notification may be made by means of a single notification when the proxy is given provided it is made clear in the notification what the resulting situation in terms of voting rights will be when the proxy may no longer exercise the voting rights at its discretion.

5.186 When the duty to make notification lies with more than one natural person or Legal Entity, notification may be made by means of a single common notification but this does not release any of those persons from their responsibilities in relation to the notification.

5.187 A natural or Legal Entity shall make a notification in terms of Capital Markets Rule 5.176 in respect of the following financial instruments held by such person, directly or indirectly:

5.187.1 financial instruments that, on maturity, give the holder, under a formal agreement, either the unconditional right to acquire or the discretion as to his right to acquire, shares to which voting rights are attached, already issued, of an issuer whose shares are admitted to trading on a regulated market;

5.187.2 financial instruments which are not included in Capital Markets Rule 5.187.1 but which are referenced to shares and which have the economic effect similar to the financial instruments referred to in Capital Markets Rule 5.187.1, whether or not they confer a right to a physical settlement.

5.187A The notification required shall include the breakdown by type of financial instruments held in accordance with Capital Markets Rules 5.187.1 and 5.187.2, distinguishing between the financial instruments which confer a right to a physical settlement and the financial instruments which confer a right to a cash settlement.

5.187B The number of voting rights shall be calculated by reference to the full notional amount of shares underlying the financial instrument except where the financial instrument provides exclusively for a cash settlement, in which case the number of voting rights shall be calculated on a "delta-adjusted" basis, by multiplying the notional amount of underlying shares by the delta of the instrument. For this purpose, the holder shall aggregate and notify all financial instruments relating to the same underlying issuer. Only long positions shall be taken into account for the calculation of voting rights. Long positions shall not be netted with short positions relating to the same underlying issuer.

5.188 For the purposes of Capital Markets Rule 5.187:

5.190 If a qualifying financial instrument relates to more than one underlying share, a separate notification shall be made to each Issuer of the underlying shares.

5.190A The notification required shall also apply to natural person and Legal Entity when the number of voting rights held directly or indirectly by such person or entity under Capital Markets Rules 5.176 and 5.182 aggregated with the number of voting rights relating to financial instruments held directly or indirectly under Capital Markets Rule 5.187 reaches, exceeds or falls below the thresholds set out in Capital Markets Rule 5.176.

5.192 For the purposes of the notification referred to in Capital Markets Rule 5.191, the resulting position in terms of voting rights shall be calculated by reference to the total number of voting rights and capital as last disclosed by the Issuer in terms of Capital Markets Rule 5.16.9.

5.193 The notification that is required to be made to the Issuer in terms of Capital Markets Rule 5.176 shall be effected promptly , but not later than four trading days following the date on which the shareholder, or the natural or Legal Entityrepresenting the shareholder:

5.193.2 is informed about the events changing the breakdown of voting rights.

5.194 For the purposes of Capital Markets Rule 5.193.1, the shareholder, or the natural person or Legal Entity representing the shareholder shall be deemed to have knowledge of the acquisition, disposal or possibility to exercise voting rights no later than two trading days following the transaction in question.

APPENDIX 5.1

THE CODE OF PRINCIPLES OF GOOD CORPORATE GOVERNANCE

PREAMBLE

These principles are designed to enhance the legal, institutional and regulatory framework for good governance in the Maltese corporate sector. They thus complement the current provisions already in force in the Companies Act providing a comprehensive corporate governance framework based on the guidelines provided by the Organization for Economic Cooperation and Development.

These principles are targeting companies whose equity securities are admitted to listing on a Regulated Market but are not applicable to Collective Investment Schemes. Companies should endeavour to adopt these principles so as to provide proper incentives for the Board and management to pursue objectives that are in the interests of the Company and its shareholders. The principles should facilitate effective monitoring thereby encouraging issuers of equity securities to use resources more efficiently.

The adoption of these principles is expected:

- § to provide more transparent governance structures and improved relations within the market which should enhance market integrity and confidence;
- § to ensure proper transparency and disclosure of all dealings or transactions involving the Board, any Director, senior managers or Officers in a position of trust or other related party; and
- § to protect shareholders from the potential abuse of those entrusted with the direction and management of the Company by the setting up of structures that improve accountability to them.

The Code contains main and supporting principles and provisions. When preparing their corporate governance statement, listed companies should divide such statement in two parts. The first part should deal generally with the company's adherence to the main principles whilst the second part should deal specifically with non-compliance with any of the Code Provisions. The descriptions together should give shareholders a clear and comprehensive picture of a company's governance arrangements in relation to the Code as a criterion of good practice.

In relation to the requirement to state how it has applied the Code's main principles, where a company has done so by complying with the associated provisions (that is, the supporting principles and Code provisions) it should be sufficient simply to report that this is the case. Where a company has taken additional steps to apply the principles or otherwise improve its governance, it would be helpful to shareholders to describe these in the annual report.

If a company chooses not to comply with one or more of the Code provisions, it must give shareholders a careful and clear explanation which shareholders should evaluate on its merits. In providing an explanation, the company should aim to illustrate how its actual practices are consistent with the principle to which the particular Code provision relates and contribute to good governance.

While it is expected that listed companies will comply with the Code's provisions most of the time, it is recognised that departure from the provisions of the Code may be justified in

particular circumstances. Every company must review each provision carefully and give a considered explanation if it departs from the Code provisions.

1. THE BOARD

Main principle

Every listed Company should be headed by an effective board, which should lead and control the company.

Supporting principles

(i) Directors are stewards of a company`s assets and their behaviour should be focused on adding value to those assets by working with management to build a successful Company and enhance Shareholder value.

(ii) All Directors are required to provide leadership, integrity and judgment in directing the company.

(iii) Leadership can only come about if the Directors, individually and collectively, are of the appropriate calibre, with the necessary skills and experience to contribute effectively to the decision making process.

Directors should:

(a) set the company`s values and standards in order to enhance and safeguard the interests of shareholders and third parties;

(b) act with integrity and due diligence while discharging their duties as Directors and in particular in the decision and policy-making process of the company, which should be reflected in all company`s dealings and at every level of the organization;

(c) exercise accountability to shareholders and be responsible to relevant stakeholders.

Code provisions

1.1 The board should be composed of persons who are fit and proper to direct the business of the company. The concept of fit and proper requires Directors to conduct themselves with honesty, competence and integrity.

1.2 The shareholders, as the owners of the company, have the jurisdiction and discretion to appoint or remove Directors on the board. The process of appointment should be transparent and conducted at properly constituted general meetings where the views of the minority can be expressed.

1.3 All Directors should:

1.3.1 exercise prudent and effective controls which enables risk to be assessed and managed in order to achieve continued prosperity of the company;

1.3.2 be accountable for all actions or non-actions arising from discussion and actions taken by them or their delegates;

1.3.3 determine the company`s strategic aims and the organizational structure;

1.3.4 regularly review management performance and ensure that the Company has the appropriate mix of financial and human resources to meet its

objectives and improve the economic and commercial prosperity of the company;

1.3.5 acquire a broad knowledge of the business of the company;

1.3.6 be aware of and be conversant with the statutory and regulatory requirements connected to the business of the Company;

1.3.7 allocate sufficient time to perform their responsibilities; and

1.3.8 regularly attend meetings of the board.

1.4 In cases when a Director is unable to agree with a decision of the board because a proposed course of action is not deemed to be consonant with his statutory or fiduciary duties and responsibilities and all reasonable steps have been taken to resolve the issue, the Director may feel that resignation may be a better alternative to submission. In such instances, the shareholders are entitled to an honest account of any such disagreements between Directors.

2. CHAIRMAN AND CHIEF EXECUTIVE

Main principle

There should be a clear division of responsibilities at the head of the Company between the running of the board and the executive responsibility for the running of the company`s business. No one individual or small group of individuals should have unfettered powers of decision.

Supporting principles

(i) The Chairman has a pivotal role to play in helping the board achieve its full potential. He should allow every Director to play a full and constructive role in the affairs of the company. The separation of the roles of the Chairman and Chief Executive avoids concentration of authority and power in one individual and differentiates leadership of the board from the running of the business.

(ii) The Chairman should also facilitate the effective contribution of non-executive directors in particular and ensure constructive relations between executive and non-executive directors.

Code provisions

2.1 The position of the Chairman and that of the Chief Executive should be occupied by different individuals. The division of responsibilities between the Chairman and Chief Executive should be clearly established, set out in writing and agreed by the board. Where the Chairman and the Chief Executive Officer are not different individuals, the Company should provide an explanation to the market and to its shareholders through a Company Announcement for the decision to combine the two roles.

2.2 The Chairman is responsible to:

2.2.1 lead the board and set its agenda;

2.2.2 ensure that the Directors of the Board receive precise, timely and objective information so that they can take sound decisions and effectively monitor the performance of the company;

2.2.3 ensure effective communication with shareholders;

2.2.4 encourage active engagement by all members of the board for discussion of complex or contentious issues.

2.3 The Chairman should meet the independence criteria set out in supporting principle (v) below. A Chief Executive should not go on to be Chairman of the same company. If exceptionally a board decides that a Chief Executive should become Chairman, the board should consult major shareholders in advance and should set out its reasons to shareholders at the time of the appointment and in the next annual report.

3. COMPOSITION OF THE BOARD

Main principle

The board should not be so large as to be unwieldy. The board should be of sufficient size that the balance of skills and experience is appropriate for the requirements of the business and that changes to the board's composition can be managed without undue disruption. The board should be composed of executive and non-executive Directors, including independent non-executives.

Supporting principles

(i) The board should ensure that it is composed of members who, as a whole, have the required diversity of knowledge, judgment and experience to properly complete their tasks.

(ii) The board must understand and fully appreciate the business risk issues and key performance indicators affecting the ability of the Company to achieve its objectives.

(iii) It is desirable that Listed Companies should have a minimum number of non-executive Directors sitting on the board in order to ensure a balance such that no individual or small group of individuals can dominate the board's decision making. The exact composition and balance on a board will depend on the circumstances and business of each enterprise but it is recommended that at least one third of board members are non-executive and the majority of these should be independent.

(iv) A non-executive director is a director who is not engaged in the daily management of the company. A non-executive director has an important role in overseeing executive or managing directors and dealing with situations involving conflicts of interests. Non executive directors and executive directors have as board members the same duties and responsibilities in terms of law. However, as the non-executive directors are not involved in the day-to-day running of the business, they can bring fresh perspectives and contribute more objectively in supporting as well as constructively challenging and monitoring the management team.

(v) The company should appoint non-executive directors of sufficient calibre whose independence and standing would offer a balance to the strength of character of a chairman. Where the roles of the chairman and chief executive officer are combined, it

is important that the non-executive directors are able to bring an independent judgment to bear on the various issues brought before the company.

(vi) Non-executive Directors should be free from any business or other relationship which could interfere materially with the exercise of their independent and impartial judgment.

(vii) A Director is considered to be independent when he is free from any business, family or other relationship - with the company, its controlling Shareholder or the management of either - that creates a conflict of interest such as to jeopardize exercise of his free judgment.

(viii) The value of ensuring that committee membership is refreshed and that undue reliance is not placed on particular individuals should be taken into account in deciding chairmanship and membership of committees.

(ix) No one other than the committee chairman and members is entitled to be present at a meeting of the audit or remuneration committee, but others may attend at the invitation of the committee.

(x) Non-executive Directors are expected to take an active role in:

(a) constructively challenging and help developing proposals on strategy;

(b) monitoring the reporting of performance;

(c) scrutinizing the performance of management in meeting agreed goals and objectives; and

(d) satisfying themselves on the integrity and financial information and that financial controls and risk management systems are well established

Code provisions

3.1 Where the roles of the chairman and chief executive officer are combined, the board should appoint one of the independent non-executive directors to be the senior independent director to act a reference and coordination point for the requests and contributions of non-executive directors and, in particular, those who are independent pursuant to supporting principle (vi) under main principle 3.

3.2 The board should identify in the annual report each non-executive director it considers to be independent. The board should determine whether the director is independent in character and judgment and whether there are relationships or circumstances which are likely to affect, or could appear to affect, the director's judgment. The board should state its reasons if it determines that a director is independent notwithstanding the existence of relationships or circumstances which may appear relevant to its determination, including if the director:

3.2.1 has been an executive officer or employee of the company or a subsidiary or parent of the company, as the case may be, within the last three years;

3.2.2 has, or has had within the last three years, a significant business relationship with the company either directly, or as a partner, shareholder, director or senior employee of a body that has such a relationship with the company;

3.2.3 has received or receives significant additional remuneration from the company or any member of the group of which the company forms part in

addition to a director's fee, such as participation in the company's share option or a performance-related pay scheme, or membership of the company's pension scheme, except where the benefits are fixed;

3.2.4 has close family ties with any of the company's executive directors or senior employees;

3.2.5 has served on the board for more than twelve consecutive years; or

3.2.6 is or has been within the last three years an engagement partner or a member of the audit team of the present or former external auditor of the company or any member of the group of which the company forms part.

For the purposes of Code Provision 3.2.2, "business relationship" includes the situation of a significant supplier of goods or services (including financial, legal, advisory or consulting services), of a significant customer, and of organisations that receive significant contributions from the company or its group.

3.3 Each Director should apply to his duties the necessary time and attention, and should undertake to limit the number of any Directorships held in other companies to such an extent that the proper performance of his duties is assured.

3.4 Every person who is appointed as a non-executive director shall declare in writing to the board that he undertakes:-

3.4.1 to maintain in all circumstances his independence of analysis, decision and action;

3.4.2 not to seek or accept any unreasonable advantages that could be considered as compromising his independence; and

3.4.3 to clearly express his opposition in the event that he finds that a decision of the board may harm the company.

3.5 When the board has made decisions about which an independent non-executive director has serious reservations, he should draw all the appropriate consequences from this. If he were to resign, he should explain his reasons in a letter to the board or the audit committee, and – where appropriate – to any relevant body external to the company.

4. THE RESPONSIBILITIES OF THE BOARD

Main principle

The board has the first level responsibility of executing the four basic roles of corporate governance namely; accountability, monitoring, strategy formulation and policy development.

Supporting principles

(i) The Board should:

(a) regularly review and evaluate corporate strategy, major operational and financial plans, risk policy, performance objectives and monitor implementation and corporate performance within the parameters of all relevant laws, regulations and codes of best business practice.

(b) apply high ethical standards and take into account the interests of stakeholders. Its members should act:

(i) responsibly for exercising independent objective judgment with the highest degree of integrity; and

(ii) on a fully informed basis in good faith with due diligence, and in the best interests of the Company and the shareholders.

(c) recognise that the company`s success depends upon its relationship with all groups of its stakeholders, including employees, suppliers, customers and the wider community in which the company operates. The board should maintain an effective dialogue with such groups in the best interests of the company;

(d) monitor the application by management of its policies;

(e) recognise and support enterprise and innovation within the management of the company. The board should examine how best to motivate Company management.

(ii) A balance between enterprise and control in the company should be struck by the board.

Code provisions

4.1 The board should ensure that its level of power is known by all Directors and the senior management of the company. Any delegation of responsibilities and functions should also be clear and unequivocal. Independently of any powers and functions that the Directors may from time to time validly delegate to management, it remains a fundamental responsibility of Directors to monitor effectively the implementation of strategy and policy by management.

4.2 The board should:

4.2.1 define in clear and concise terms, the company`s strategy, policies, management performance criteria and business policies which can be measured in a precise and tangible manner;

4.2.3 establish an Audit Committee in terms of Capital Markets Rules 5.117 – 5.134;

4.2.4 continuously assess and monitor the company`s present and future operations, opportunities, threats and risks in the external environment and current and future strengths and weaknesses;

4.2.5 evaluate the management's implementation of corporate strategy and financial objectives. The strategy, processes and policies adopted for implementation should be regularly reviewed by the board using key performance indicators so that corrective measures can be taken to address any deficiencies and ensure the future sustainability of the enterprise;

4.2.6 ensure that the Company has appropriate policies and procedures in place to assure that the Company and its employees maintain the highest standards of corporate conduct, including compliance with applicable laws, regulations, business and ethical standards;

4.2.7 develop a succession policy for the future composition of the board of Directors and particularly the executive component thereof, for which the Chairman should hold key responsibility.

4.3 The Board should organise regular information sessions to ensure that Directors are made aware of, interalia;

4.3.1 their statutory and fiduciary duties;

4.3.2 the company's operations and prospects;

4.3.3 the skills and competence of senior management;

4.3.4 the general business environment; and

4.3.5 the board's expectations.

4.4 The board should assess regularly any circumstances, whether actual or potential, that could expose the Company or its Directors to risk, and take appropriate action.

4.5 The business risk and key performance indicators should be benchmarked against industry norms so that the company's performance can be effectively evaluated.

4.6 The board shall require management to constantly monitor performance and report to its satisfaction, at least on a quarterly basis, fully and accurately on the key performance indicators.

4.7 The board shall ensure that the financial statements of the Company and the annual audit thereof are completed within the stipulated time periods.

5. BOARD MEETINGS

Main principle

The board should meet regularly to discharge its duties effectively. Board members should be given ample opportunity during meetings to discuss issues set on the board agenda and convey their opinions.

Supporting principles

(i) The Chairman is primarily responsible for the efficient working of the board. He must ensure that all relevant issues are on the agenda supported by all available information.

(ii) The board agenda should strike a balance between long-term strategic and shorter-term performance issues.

(iii) In conducting board meetings, the Chairman should facilitate and encourage the presentation of views pertinent to the subject matter and should give all Directors every opportunity to contribute to relevant issues on the agenda.

Code provisions

5.1 The board should set procedures to determine the frequency, purpose, conduct and duration of meetings and meet regularly in line with the nature and demands of the company's business.

5.2 The attendance of board members should be reported to shareholders at annual general meetings.

5.3 Notice of the dates of the forthcoming meetings together with the supporting material should be circulated well in advance to the Directors so that they have ample opportunity to appropriately consider the information prior to the next scheduled board meeting. Advance notice should be given of ad hoc meetings of the board to allow all Directors sufficient time to re-arrange their commitments in order to be able to participate. .

5.4 After each board meeting and before the next meeting, minutes that faithfully record attendance and decisions should be prepared and should be circulated to all Directors as soon as practicable after the meeting.

6. INFORMATION AND PROFESSIONAL DEVELOPMENT

Main principle

The board should:

- appoint the Chief Executive Officer;
- actively participate in the appointment of senior management;
- ensure that there is adequate training in the Company for Directors, management and employees;
- establish a succession plan for senior management; and
- ensure that all Directors are supplied with precise, timely and clear information so that they can effectively contribute to board decisions.

Supporting principles

(i) Boards should actively consider the establishment and implementation of appropriate schemes to recruit, retain and motivate high quality executive officers and the management team.

(ii) The Chairman should ensure that Board members continually update their skills and the knowledge and familiarity with the Company required to fulfil their role both on

the board and on board committees. The Company should provide the necessary resources for developing and updating its directors' knowledge and capabilities.

(iii) Under the direction of the Chairman, the company secretary's responsibilities include ensuring good information flows within the board and its committees and between senior management and non-executive directors, as well as facilitating induction and assisting with professional development as required.

(iv) The company secretary should be responsible for advising the board through the chairman on all governance matters.

Code provisions

6.1 All new Directors should be offered a tailored induction programme on joining the board which covers to the extent necessary the company's organization and activities and his responsibilities as a Director.

6.2 The board should ensure that the Directors, especially non-executive Directors, have access to independent professional advice at the Company's expense where they judge it necessary to discharge their responsibilities as directors. Committees should be provided with sufficient resources to undertake their duties.

6.3 All Directors should have access to the advice and services of the company secretary, who is responsible to the board for ensuring that board procedures are complied with.

6.4 The Chief Executive Officer should ensure that systems are in place:

6.4.1 to provide for the development and training of the management and employees generally so that the Company remains competitive;

6.4.2 to provide additional training for individual Directors where necessary;

6.4.3 to monitor management and staff morale; and

6.4.4 to establish a succession plan for senior management.

6.5 The Chief Executive Officer should be responsible for the recruitment and appointment of senior management.

7. EVALUATION OF THE BOARD`S PERFORMANCE

Main principle

The board should undertake an annual evaluation of its own performance and that of its committees.

Code provisions

7.1 The board should appoint a committee chaired by a non-executive Director in order to carry out a performance evaluation of its role.

7.2 The committee is to report directly to the Chairman who should act on the results of the performance evaluation process in order to ascertain the strengths and to address the weaknesses of the board and to report to the board and, where appropriate, to the Annual General Meeting.

7.3 The non-executive Directors should be responsible for the evaluation of the Chairman, taking into account the views of the executive directors.

7.4 As part of the disclosure requirements in the annual report, the board should provide adequate information about its internal organization and including an indication of the extent to which the self-evaluation of the board has led to any material changes in the company's governance structures and organization.

8. COMMITTEES

A Remuneration Committee

For the purposes of this section the term "senior executive" shall mean any person reporting directly to the Board of Directors.

Main principle

The board should establish a remuneration policy for Directors and senior executives. It should also set up formal and transparent procedures for developing such a policy and for establishing the remuneration packages of individual Directors.

Supporting principles

(i) The role of the Remuneration Committee referred to below is to devise the appropriate packages needed to attract, retain and motivate Directors, whether executive or not, as well as senior executives with the right qualities and skills for the proper management of the company. It. should, however, avoid paying more than is necessary to secure the people with the appropriate skills and qualities. In carrying out this function the Remuneration Committee should judge where to position its Company relative to other companies in the marketplace.

(ii) The Remuneration Committee's main duties are:

(a) to make proposals to the board on the remuneration policy for Directors and senior executives;

(b) to make proposals to the board on the individual remuneration to be attributed to executive Directors, ensuring that they are consistent with the remuneration policy adopted by the Company and the evaluation of the performance of the Directors concerned;

(iii) The Committee:

(a) may consult the Chairman and/or the Chief Executive Officer about proposals relating to the remuneration of other executive Directors;

(iv) No member of the Remuneration Committee shall be present while his remuneration is being discussed at a meeting of such Committee.

Code provisions

8.A.1 The board of Directors should establish a Remuneration Committee composed of non-executive Directors with no personal financial interest other than as shareholders in the company, one of whom shall be independent and shall chair the Committee.

8.A.2 Where, however, the remuneration of Directors is not performance-related, the functions of the Remuneration Committee may be carried out by the board and in such case any reference to such Committee in this section shall be construed as a reference to the board of directors. For the purposes of this supporting principle "performance-related" remuneration includes share options and pension benefits, profit sharing arrangements and any other emolument payable to the Directors that is related to the performance of the Company in question.

8.A.3 The Remuneration Committee shall prepare a report which forms part of the annual report providing information regarding its membership, the number of meetings held, the attendance over the year and its main activities.

8.A.4 The annual report should contain a "Remuneration Statement" which discloses at least the following information:

8.A.4.2 an explanation of the relative importance of the variable and non-variable components of directors' and/or senior executives' remuneration;

8.A.4.9 the total emoluments, whether in cash or otherwise, received by senior executives from the Company or any other undertaking of the Group of which the Company forms part;

8.A.4.10 the compensation paid or receivable by each former executive Director in connection with the termination of his activities during that financial year;

8.A.4.11 the compensation paid or receivable by each former senior executive in connection with the termination of his activities during that financial year;

8.A.4.12 with respect to shares and/or rights to acquire share options and/or all other share-incentive schemes:-

the Company forms part during the relevant financial year.

8.A.5 The company shall report separately on Code Provisions 8.A.4.8 and 8.A.4.9, and, in doing so, it shall divide the part dealing with the emoluments of directors and the other dealing with the emoluments of senior executives into four sections entitled "fixed remuneration", "variable remuneration", "share options" and "others". The company may also provide an explanation on which items fall under one of the four categories of emoluments referred to herein.

8.A.6 Without prejudice to the requirements of Code Provision 8.A.2 the disclosure of any information in the Remuneration Statement shall not oblige the Company to disclose commercially sensitive information.

B Nomination Committee

Main principle

There should be a formal and transparent procedure for the appointment of new directors to the board. The procedure shall ensure, inter alia, adequate information on the personal and professional qualifications of the candidates.

Supporting principles

(i) Appointments to the board should be made on merit and against objective criteria. Care should be taken to ensure that appointees have enough time available to devote to the job. This is particularly important in the case of chairmanships.

(ii) The functions of the Nomination Committee referred to below shall be:

- (a) to propose to the board candidates for the position of director, including those persons that are considered to be independent in terms of supporting principle (vii) under Principle 3, taking into account any recommendations in this regard received from shareholders;
- (b) to periodically assess the structure, size, composition and performance of the board and make recommendations to the board with regard to any changes;
- (c) to properly consider issues related to succession planning; and
- (d) to review the policy of the Board for selection and appointment of senior management.

(iii) The board of the company shall determine the terms of reference of the Nomination Committee.

(iv) In performing its duties, the Nomination Committee should be able to use any forms of resources it deems appropriate, including external advice or advertising, and should receive appropriate funding from the company to this effect.

(v) The Nomination Committee may invite Directors other than the committee members, Officers of the company or experts to attend meetings where appropriate to assist in the effective discharge of its duties.

(vii) Whilst the Nomination Committee should try to achieve consensus on the recommendations it makes to the board, where such consensus cannot be achieved, decisions shall be made by a majority vote. In the event that a member or members of the Committee dissent(s) with the majority view on any particular matter, that member or member(s) (as the case may be) shall be entitled to make a dissenting report to the board setting out the reasons as to why they dissent from the majority opinion expressed in the Committee's recommendations.

Code provisions

8.B.1 The board should establish a Nomination Committee to lead the process for board appointments and to make recommendations to it. Such committee should be composed entirely of Directors of the company. The majority of the members of the Nomination Committee shall be non-executive Directors, at least one of whom shall be independent.

8.B.2 No member of the Nomination Committee shall be present while his nomination as a director of the Company is discussed at a meeting of such Committee.

8.B.3 For any new appointment to the board, the skills, knowledge and experience already present and those needed on the board should be evaluated and, in the light of that evaluation, a description of the role and skills, experience and knowledge needed should be prepared by the Nomination Committee.

8.B.4 With respect to the appointment of the chairman, the Nomination Committee should prepare a job specification, including an assessment of the time commitment expected. A chairman's other significant commitments should be disclosed to the board before appointment and any changes to such commitments should be reported to the board as they arise.

8.B.4A The letter of appointment issued to non-executive Directors should set out the expected time commitment and non-executive Directors should undertake that they will have sufficient time to meet what is expected of them. Their other significant commitments should be disclosed to the board before appointment, with a broad indication of the time involved and subsequent changes should be notified to the board.

8.B.5 Any proposal for the appointment of a director by the general meeting of shareholders should be accompanied by a recommendation from the board, based on the advice of the Nomination Committee.

8.B.6 The lists of candidates to the office of director, accompanied by exhaustive information on the expertise and professional qualifications of the candidates with an indication, where appropriate, of their eligibility to qualify as independent and competent in accounting and/or auditing, shall be deposited at the Company's registered office at least fourteen (14) days prior to the date fixed for the Annual General Meeting.

8.B.7 A separate section of the annual report should describe the work of the Nomination Committee, including the process it has used in relation to board appointments.

8.B.8 The Nomination Committee shall periodically assess the skills, knowledge and experience of individual directors, and report on this to the board.

9. RELATIONS WITH SHAREHOLDERS AND WITH THE MARKET

Main principle

The board shall serve the legitimate interests of the company, account to shareholders fully and ensure that the Company communicates with the market effectively. The board should as far as possible be prepared to enter into a satisfactory dialogue with institutional shareholders and market intermediaries based on the mutual understanding of objectives. The board shall use the general meeting to communicate with shareholders.

Supporting principles

(i) The Company should provide the market with regular, timely, accurate, comprehensive and comparable information in sufficient detail to enable investors to make informed investment decisions.

(ii) Communication with the market is crucial for Listed Companies and the integrity of the market itself. The board should ensure that long-term strategic decisions are communicated where the Directors consider these to be in the best interests of the company.

(iii) The board should endeavour to protect and enhance the interests of both the Company and its shareholders, present and future. The Chairman should ensure that the views of shareholders are communicated to the board as a whole.

(iv) The board should:

(a) always ensure that all holders of each Class of capital are treated fairly and equally; and

(b) act in the context that its shareholders are constantly changing and, consequently, decisions should take into account the interests of future shareholders as well.

(v) Shareholders must appreciate the significance of participation in the general meetings of the Company and particularly in the election of Directors. They should continue to hold Directors to account for their actions, their stewardship of the company's assets and the performance of the company.

(vi) The agenda for general meetings of shareholders and the conduct of such meetings must not be arranged in a manner to frustrate valid discussion and decision-taking.

(vii) Whilst recognising that most shareholder contact is with the Chief Executive Officer and finance Director, the Chairman should maintain sufficient contact with major shareholders to understand their issues and concerns.

(viii) The board should consider whether, from time to time, disclosure should be made by the Company to other stakeholders other than its shareholders.

Code provisions

9.1 The Chairman should arrange for the chairmen of the audit, remuneration and nomination committees to be available to answer questions at the Annual General Meeting and for all directors to attend.

9.2 Minority shareholders should be able to call special meetings on matters of importance to the company. However a minimum threshold of share ownership, as established in the Memorandum or Articles of Association of the company, should be set up before a Group or an individual may call a special meeting.

9.3 Procedures should be established to resolve conflicts between minority shareholders and controlling shareholders. To resolve conflicts, there should be some mechanism, disclosed in the Company's Memorandum or Articles, to trigger arbitration.

9.4 Minority shareholders should be allowed to formally present an issue to the board of Directors.

10. INSTITUTIONAL SHAREHOLDERS

The term 'institutional shareholders' should be interpreted widely and includes any person who by profession, whether directly or indirectly, takes a position in investments as principal, or Manager or holds funds for or on behalf of others and includes Custodians, banks, financial institutions, fund managers, stockbrokers, investment managers and others.

(A) Shareholder voting

Main principle

Institutional shareholders have a responsibility to make considered use of their votes.

Supporting principles

(i) Institutional shareholders have the knowledge and expertise to analyse market information and make their independent and objective conclusions of the information available. Their role in the market is to be perceived by individual investors as being a very significant one. Accordingly, institutional shareholders are expected to conduct themselves in an appropriate manner in the market and act as a more effective check on Listed Companies.

(ii) Institutional shareholders should take an active role in the pursuit of the attainment of their voting objectives. They should work towards the adherence to principles of good governance without substituting themselves for the company's board and management.

(iii) Institutional shareholders should make available to their clients, upon request, information on the proportion of resolutions on which votes were cast and non-discretionary proxies lodged.

(iv) Institutional shareholders should use their best endeavours to attend Annual General Meetings. Companies and registrars should facilitate this.

(B) Evaluation of governance disclosures

Main principle

When evaluating the Company's governance arrangements, particularly those relating to board structure and composition, institutional shareholders should give due weight to all relevant factors drawn to their attention.

Supporting Principle

Institutional shareholders should consider carefully the explanations given for departure from this Code and make reasoned judgements in each case. They should give an explanation to the Company, in writing where appropriate, and be prepared to enter a dialogue if they do not accept the Company's position. They should avoid a box-ticking approach to assessing a company's corporate governance. They should bear in mind in particular the size and complexity of the Company and the nature of the risks and challenges it faces.

11. CONFLICTS OF INTEREST

Main principle

Directors` primary responsibility is always to act in the interest of the Company and its shareholders as a whole irrespective of who appointed them to the board.

Supporting principles

(i) A Director should avoid conflicts of interest at all times and shall not accept a nomination if he is aware that he has an actual conflict of interest.

(ii) The personal interests of a Director must never take precedence over those of the Company and its shareholders

Code provisions

11.1 Should an actual or potential conflict arise during the tenure of a Directorship, a Director must disclose and record the conflict in full and in time to the board. A Director shall not participate in a discussion concerning matters in which he has a conflict of interest unless the board finds no objection to the presence of such Director. In any event, the Director shall refrain from voting on the matter. In certain circumstances it may be appropriate for the board to disclose in a public document that an actual conflict or potential conflict of interest has arisen.

11.2 A Director having a continuing material interest that conflicts with the interests of the Company, should take effective steps to eliminate the grounds for conflict. In the event that such steps do not eliminate the grounds for conflict then the Director should consider resigning.

11.3 Each Director should declare to the Company his or her interest in the share capital of the Company distinguishing between beneficial and non-beneficial interest and should only deal in such shares as allowed by law.

12. CORPORATE SOCIAL RESPONSIBILITY

Main principle

Directors should seek to adhere to accepted principles of corporate social responsibility in their day-to-day management practices of their company.

Supporting principles

(i) Corporate Social Responsibility is the continuing commitment by business entities to behave ethically and contribute to economic development while improving the quality of life of the work force and their families as well as of the local community and society at large. Being socially responsible means not only fulfilling legal expectations but also going beyond compliance and investing "more" into human capital, the environment and the relations with stakeholders.

(ii) It is encouraged that Listed Companies take up initiatives aimed at augmenting investment in human capital, health and safety issues, and managing change, while adopting environmentally responsible practices related mainly to the management of natural resources used in the production process.

(iii) Listed Companies are expected to act as corporate citizens in the local community and work closely with suppliers, customers, employees and public authorities.

(iv) Listed Companies are encouraged to go through material relating to the theme of corporate social responsibility and keep abreast with initiatives being taken in the local and international scenario.

7.5.5 the estimated capital values at current prices and on the basis of current market conditions:

7.5.5.1 after development has been completed; and

7.5.5.2 after the development has been completed and the Property has been let.

Progressive Development

7.6 Where Property in the course of development is being developed in phases over a period of time by the erection of a number of buildings, each of which is intended to be sold soon after completion of construction, the requirements of Capital Markets Rules 7.5.3 and 7.5.5 may be satisfied by the provision of information for each phase or for groups of phases. For this purpose, Property in the course of development includes any phase where, at the date of valuation, work is in progress and any other phase where a start is imminent, all appropriate consents have been obtained and a building contract has been entered into. Later phases, where construction at the date of valuation has not yet started, or where all appropriate consents and permits have not been obtained or a building contract has not been entered into, may be treated as Properties held for development (see Capital Markets Rule 7.7).

Properties held for Development

7.7 Where Property is held for future development the valuation report must contain the following additional information so far as it is known and relevant at the valuation date:

7.7.1 whether or not the relevant planning permits have been applied for, whether such applications have been granted or refused and the date of such grant or refusal;

7.7.5 the estimated total costs of the development including, without limitation, the cost of financial carrying charges, letting commissions and other ancillary costs.

Valuation of Property for Business Use

7.8 A Property which is occupied for the purposes of a business should be valued at existing use value. Where open market value for an alternative use significantly exceeds this basis the alternative use valuation must be stated in the valuation report, together with the Directors' estimate of the costs of cessation and removal of the business. Where the alternative use value is significantly lower than the existing use value and the existing use value is no longer appropriate, the alternative use valuation must be stated in the valuation report.

Overseas Property

7.9 If the Issuer owns any overseas Property then this Property must be shown separately in the valuation report and its basis of valuation clearly identified.

Rentals used in Valuations

7.10 In respect of each Property which is rented out by the Issuer, the Net Annual Rent and the estimated Net Annual Rent (based on its current open market rental value) at a specified future date (where this differs materially) must be included in the valuation report.

Summary of Valuations

7.11 The valuation report must include a summary of the number of Properties and the aggregate of their valuations must be split to show the separate totals for the freehold and leasehold Properties. Negative values must be shown separately and not aggregated with the other valuations. Separate totals must be given for:

7.11.1 properties valued on an open market basis;

7.11.2 properties valued on an existing use value basis;

7.11.3 properties valued on a depreciated replacement cost basis; and

7.11.4 for any overseas Properties.

Condensed Format

7.12 If the Properties held are too numerous to enable the Issuer to comply with the normal requirements for a valuation report, the MFSA may consent to a suitably condensed format in the relevant Prospectus or Circular. The full valuation report must be available for inspection.

7.13 The MFSA may authorise the omission of any specific item of information in the valuation report if the MFSA considers that disclosure would be seriously detrimental to the Issuer and omission is not likely to mislead investors with regard to facts and circumstances, knowledge of which is essential for the assessment of the Securities in question.

Continuing Obligations

7.14 In addition to their continuing obligations, Property Companies must also provide for regular independent valuations of their Property portfolio after a Class of their Securities become Admissible to Listing as agreed to with the MFSA.

CHAPTER 8

Admissibility requirements for Collective Investment Schemes

General

8.1 This Chapter sets out the requirements for the Admissibility to Listing of Units in Collective Investment Schemes (open ended and closed ended) whether established in Malta or outside the territory of Malta. Applications will be considered in respect of both existing and newly formed Schemes, whether these are established as single-class funds or umbrella funds.

Section I of this Chapter deals with the Application Procedures and Requirements to be complied with by open ended Schemes seeking authorisation for Admissibility for Listing but which are not meant for trading on the Regulated Market.

Section II deals with the Continuing Obligations of open ended Schemes authorised as Admissible for Primary Listing but which are not traded on the Regulated Market.

Section III deals with the Continuing Obligations of open ended Schemes authorised as Admissible for Secondary Listing but which are not traded on the Regulated Market.

Section IV of this Chapter deals with the Application Procedures and Requirements that shall be complied with by closed ended Schemes seeking authorisation for Admissibility for Listing.

Section V deals with the Continuing Obligations of closed ended Schemes authorised as Admissible for Listing.

8.2 In order to qualify for a listing, a scheme shall be duly licensed by the Malta Financial Services Authority pursuant to the provisions of the Investment Services Act or established in a Recognised Jurisdiction. For the purpose of this Chapter of the Capital Markets Rules, Recognised Jurisdiction shall be construed as including the following:

a. EU Member States
b. EEA Member States
c. Signatories to a multilateral Memorandum of Understanding covering the securities sector, to which the MFSA is a signatory;
d. Signatories to a bilateral Memorandum of Understanding with the MFSA covering the securities sector

In the case of [c] and [d] above, such jurisdiction must have appropriate legislative measures for the establishment and regulation of collective investment schemes. For this purpose, account will be taken of that country's membership of any international organisation recognised as laying down internationally accepted standards for the regulation of collective investment schemes such as the International Organisation of Securities Commissions.

8.3 In cases involving new Applicants for authorisation for Admissibility to Listing or the existence of exceptional circumstances, applicants are encouraged to contact the MFSA at the earliest opportunity prior to listing to seek informal guidance as to the authorisation for Admissibility to Listing of a particular Scheme. Such guidance will be treated by the MFSA in strict confidence.

8.4 The MFSA requires every application for the authorisation for Admissibility to Listing of any such Scheme to be supported by a Prospectus. For the purpose of this Chapter, the term Prospectus shall be construed as also referring to an offering memorandum.

8.5 All the requirements in this Chapter will apply to every application for the authorisation for Admissibility to Listing of a new class of Unit in a Scheme where such a Scheme has already been previously authorised for Admissibility to Listing, as if it were a new Applicant.

Section I - Application Procedures and Requirements for open ended Schemes seeking Authorisation for Admissibility for Listing

Preliminary

8.6 All Applicants shall appoint a Sponsor in accordance with the requirements of Chapter 2 of the Capital Markets Rules. Besides fulfilling the obligations laid down in Chapter 2, the Sponsor will be responsible for preparing the applicant for authorisation for Admissibility to Listing and for dealing with the MFSA on all matters arising in connection with the application.

8.7 When considering an application for authorisation for Admissibility to Listing, the MFSA reserves the right to assess each case on its own merits.

Conditions to be fulfilled by a Scheme seeking authorisation for Admissibility for Listing

8.8 The following conditions shall be fulfilled by a Scheme:

8.8.1 The Units offered by the Scheme shall be freely transferable.

8.8.2 The number of Directors of a Scheme shall at least be one (1). In order to ensure the protection of investors at least one Director shall be independent of the Manager or of any Investment Adviser to the Scheme or of any affiliated entity.

8.8.3 Corporate Directors are not eligible, unless the Corporate Director is the Manager of the Scheme. The Corporate Director shall not be the sole director of the Scheme.

8.8.4 A Scheme shall adopt rules governing dealings by Directors which will preclude them from dealing in the listed Units of the Scheme at a time when they are in possession of price-sensitive information.

8.8.5 Copies of the Directors' service contracts, if any, shall be made available to the general public for inspection at the time of the Annual General Meeting (AGM) of the Scheme.

8.8.6 Any other activity of the Directors, Manager or Investment Adviser should not result in the Scheme being disadvantaged in any way due to possible conflicts of interest between their obligations arising as a result of such activities and their obligations to the Scheme.

8.8.7 Directors and proposed Directors, and in the case of a Unit Trust, the Directors of the Manager, will be personally responsible for the information contained in the Prospectus.

8.8.8 The Directors of the Scheme, and the Manager, shall acknowledge to the MFSA in writing that they accept full responsibility collectively and individually for the Scheme's compliance with all the MFSA's requirements and continuing obligations, whether in terms of these Capital Markets Rules or otherwise.

8.16 Where during the process of authorisation any document is amended after submission, a copy of the amended document shall be submitted to the MFSA for review, marked in the margin to indicate where the relevant items for the Admissibility requirements have been complied with in respect of the amendments. The copy shall also be marked in the margin to indicate any amendments introduced in order to conform with points raised by the MFSA.

8.17 The Prospectus and supplements shall require the formal approval of the MFSA. No amendment to the authorised Prospectus will be allowed without the consent of the MFSA. 8.25.3 A Scheme shall give notice to the MFSA of any major new developments in its sphere of activity which are not yet public knowledge and which, by virtue of their effect on its assets and liabilities or financial position or on the general course of its business, may lead to substantial movements in the price or value of its Units.

In addition, in the case of an initial public offer of a class of shares not already Admitted to Trading on a Regulated Market that is seeking Admissibility to Listing for the first time, the Prospectus shall be available at least six (6) Working Days before the offer opens.

8.69 In the case of a Prospectus comprising several documents and/or incorporating by reference, the documents and information making up the Prospectus may be published and circulated separately provided that the said documents are made available to the public, free of charge. Each document shall indicate where the other constituent documents of the full Prospectus may be obtained.

If applicable, this notification shall be accompanied by a translation of the summary of the Prospectus produced under the responsibility of the Scheme or person responsible for drawing up the Prospectus. The same procedure shall be followed for any supplement to the Prospectus. The MFSA shall also notify the Issuer or the person responsible for the drawing up the Prospectus of the certificate of approval at the same time it notifies the regulatory authority of the host Member State or EEA State.

For the purposes of this Capital Markets Rule, the certificate of approval shall consist of a statement:

8.73.1 that the Prospectus has been drawn up in accordance with the Prospectus Regulation;

8.73.2 that the Prospectus has been approved in accordance with the Prospectus Regulation, by the MFSA or the regulatory authority of the Member State or EEA state, as the case may be, providing the certificate; and where applicable

8.73.3 of the reasons as to why the MFSA or the regulatory authority providing the certificate, authorised, in accordance with the Prospectus Regulation, the omission from the Prospectus of information which would otherwise have been included.

8.74 A Prospectus in relation to an admission to trading which has been approved by the regulatory authority of another Member State, other than Malta, or an EEA State is not deemed to be an approved Prospectus unless that authority has provided the MFSA with a certificate of approval and a copy of the Prospectus as approved; together with, where requested by the MFSA, a translation into English or Maltese of the summary of the Prospectus.

8.145.2 the voting rights attached to units held in the trading book are not exercised or otherwise used to intervene in the management of the Scheme.
Voting rights attached to units acquired for stabilisation purposes in accordance with Commission Regulation (EC) No 2273/2003 implementing Directive 2003/6/EC as regards exemptions for buy-back programmes and stabilisation of financial instruments, shall not be counted for the purposes of Capital Markets Rule 8.138 provided the voting rights attached to those units are not exercised or otherwise used to intervene in the management of the Scheme.

8.146 The notification requirement defined in Capital Markets Rule 8.138 shall also apply to a natural person or Legal Entitywho:

8.146.1 is entitled to acquire, to dispose of, or to exercise voting rights in any of the following cases or a combination of them:

8.146.1.1 voting rights held by a third party with whom that person or entity has concluded an agreement, which obliges them to adopt, by concerted exercise of the voting rights they hold, a lasting common policy towards the management of the Scheme in question;

8.146.1.2 voting rights held by a third party under an agreement concluded with that person or entity providing for the temporary transfer for consideration of the voting rights in question;

8.146.1.3 voting rights attaching to units which are lodged as collateral with that person or entity, provided the person or entity controls the voting rights and declares its intention of exercising them

8.146.1.4 voting rights attaching to units in which that person or entity has the right of usufruct;

8.146.1.5 voting rights which are held, or may be exercised within the meaning of Capital Markets Rule 8.146.1.1 to 8.146.1.4 above, by an undertaking controlled by that person or entity;

8.146.1.6 voting rights attaching to units deposited with that person or entity which the person or entity can exercise at its discretion in the absence of specific instructions from the Unit holders;

8.146.1.7 voting rights held by a third party in its own name on behalf of that person or entity;

8.146.1.8 voting rights which that person or entity may exercise as a proxy where the person or entity can exercise the voting rights at its discretion in the absence of specific instructions from the Unit holders.

8.147 The obligation to notify the Scheme in terms of Capital Markets Rule 8.138 shall be an individual obligation incumbent upon each unitholder, or each natural person or Legal Entity as referred to in Capital Markets Rule 8.146, or both in case the proportion of voting rights held by each party reaches, exceeds or falls below the thresholds laid down in Capital Markets Rule 8.138. In the circumstances, however,

referred to in Capital Markets Rule 8.146.1.1 the said notification obligation shall be a collective obligation shared by all the parties to the agreement.

8.148 In the circumstances referred to in Capital Markets Rule 8.146.1.8, if a unitholder gives the proxy in relation to one unitholder meeting, notification may be made by means of a single notification when the proxy is given provided it is made clear in the notification what the resulting situation in terms of voting rights will be when the proxy may no longer exercise the voting rights at its discretion.

8.149 If in the circumstances referred to in Capital Markets Rule 8.146.1.8 the proxy holder receives one or several proxies in relation to one unitholder meeting, notification may be made by means of a single notification on or after the deadline for receiving proxies provided that it is made clear in the notification what the resulting situation in terms of voting rights will be when the proxy may no longer exercise the voting rights at its discretion.

8.150 When the duty to make notification lies with more than one natural person or Legal Entity, notification may be made by means of a single common notification but this does not release any of those persons from their responsibilities in relation to the notification.

8.151 A natural or Legal Entity shall make a notification in terms of Capital Markets Rule 8.138 in respect of the following financial instruments held by such person, directly or indirectly:

8.151.1 financial instruments that, on maturity, give the holder, under a formal agreement, either the unconditional right to acquire or the discretion as to his right to acquire, shares to which voting rights are attached, already issued, of an issuer whose shares are admitted to trading on a regulated market;

8.151.2 financial instruments which are not included in Capital Markets Rule 5.151.1 but which are referenced to shares and which have the economic effect similar to the financial instruments referred to in Capital Markets Rule 5.151.1, whether or not they confer a right to a physical settlement.

8.151A The notification required shall include the breakdown by type of financial instruments held in accordance with Capital Markets Rules 5.151.1 and 5.151.2, distinguishing between the financial instruments which confer a right to a physical settlement and the financial instruments which confer a right to a cash settlement.

8.151B The number of voting rights shall be calculated by reference to the full notional amount of shares underlying the financial instrument except where the financial instrument provides exclusively for a cash settlement, in which case the number of voting rights shall be calculated on a "delta-adjusted" basis, by multiplying the notional amount of underlying shares by the delta of the instrument. For this purpose, the holder shall aggregate and notify all financial instruments relating to the same underlying issuer. Only long positions shall be taken into account for the calculation of voting rights. Long positions shall not be netted with short positions relating to the same underlying issuer.

8.152 For the purposes of Capital Markets Rule 8.151:

"qualifying financial instruments" means transferable securities and options, futures, swaps, forward rate agreements, contracts for differences, any other contracts or agreements with similar economic effects which may be settled physically or in cash.

"formal agreement" means an agreement which is binding under applicable law.

8.153 The exemptions laid down in Capital Markets Rules 8.160, 8.140.1, 8.140.3, 8.141, 8.145, 8.162 and 8.163 shall apply mutatis mutandis to the notification requirements under Capital Markets Rule 8.151.

8.154 If a qualifying financial instrument relates to more than one underlying share, a separate notification shall be made to each Issuer of the underlying shares.

8.154A The notification required shall also apply to natural person and Legal Entity when the number of voting rights held directly or indirectly by such person or entity under Capital Markets Rules 8.138 and 8.146 aggregated with the number of voting rights relating to financial instruments held directly or indirectly under Capital Markets Rule 8.151 reaches, exceeds or falls below the thresholds set out in Capital Markets Rule 8.138.

8.155 The notification required under Capital Markets Rule 8.138 and 8.146 shall include the following information.

8.155.1 the resulting position in terms of voting rights;

8.155.2 the chain of Controlled Undertakings through which voting rights and/or financial instruments are effectively held, if applicable;

8.155.3 the date on which the threshold was reached or crossed;

8.155.4 the identity of the person entitled to exercise voting rights, even if that person is not entitled to exercise voting rights under the conditions laid down in Capital Markets Rule 8.146.

8.155.5 for instruments with an exercise period:

8.155.6 an indication of the date or time period where shares will or can be acquired, if applicable;

8.155.7 the date of maturity or expiration of the instrument;

8.155.8 name of the underlying Scheme.

8.155A The notification required under Capital Markets Rule 5.154A shall include a breakdown of the number of voting rights attached to shares held in accordance with Capital Markets Rules 8.138 and 8.146 and voting rights relating to financial instruments in terms of Capital Markets Rule 8.151.

8.155B Voting rights relating to financial instruments that have already been notified in accordance with Capital Markets Rule 8.151shall be notified again when the natural person or the Legal Entity has acquired the underlying shares and such acquisition results in the total number of voting rights attached to shares issued by the same issuer reaching or exceeding the thresholds laid down by Capital Markets Rule 8.138.

8.156 The notification required under Capital Markets Rule 8.138 shall include the following information:

8.156.1 the resulting position in terms of voting rights;

8.156.2 the chain of controlled undertakings through which voting rights are effectively held, if applicable;

8.156.3 the date on which the threshold was reached or crossed; and

8.156.4 the identity of the Unit holders, even if that Unit holder is not entitled to exercise voting rights under the conditions laid down in Capital Markets Rule 8.146, and of the natural person or Legal Entity entitled to exercise voting rights on behalf of that Unit holders.

8.157 The notification to the Scheme referred to in Capital Markets Rule 8.156 shall be effected promptly, but not later than four trading days following the date on which the Unit holder, or the natural person or Legal Entity representing the Unit holder:

8.157.1 learns of the acquisition or disposal or of the possibility of exercising voting rights, or on which, having regard to the circumstances, should have learned of it, regardless of the date on which the acquisition, disposal or possibility of exercising voting rights takes effect; or

8.157.2 is informed about the events changing the breakdown of voting rights.

8.158 For the purposes of Capital Markets Rule 8.157.1, the holder of Units in the Scheme, or the natural person or Legal Entity representing the holder of Units in the Scheme shall be deemed to have knowledge of the acquisition, disposal or possibility to exercise voting rights no later than two trading days following the transaction in question.

8.160 An undertaking shall be exempted from notifying the Scheme of any changes in its holding as required under Capital Markets Rules 8.138 if the notification is made by the parent undertaking or, where the parent undertaking is itself a controlled undertaking, by its own parent undertaking.

8.162.2 the management company is free to exercise, independently of the parent undertaking, the voting rights attached to the assets it manages.

Where the parent undertaking, or another controlled undertaking of the parent undertaking, has invested in holdings managed by such Management Company and

the Management Company has no discretion to exercise the voting rights attached to such holdings and may only exercise such voting rights under direct or indirect instructions form the parent or another controlled undertaking of the parent undertaking, the holdings of the parent undertaking shall be aggregated with its holdings through the Management Company.

CHAPTER 10

Alternative Company Listing Requirements

This Chapter details the requirements relating to the authorisation for Admissibility to Listing of Securities to the Alternative Company Listing (ACL).

General

10.1 The MFSA will consider applications for Admissibility to Listing of Securities on the ACL if the Applicant does not fully meet the listing requirements of Chapter 3 of these Capital Markets Rules.

10.2 The MFSA will refuse an application for admission to the ACL if it is satisfied that the Applicant fully meets the listing requirements of Chapter 3 of these Capital Markets Rules.

10.3 The MFSA may authorise Securities as Admissible to Listing on the ACL subject to any special conditions which the MFSA considers appropriate in the interests of protecting investors and of which the MFSA has explicitly informed the Applicant.

10.4 In exceptional circumstances, the MFSA may consider an application for Admissibility to Listing on the ACL by an Applicant which does not comply with all of the entry requirements contained in this Chapter, provided that the MFSA is satisfied that alternative conditions have been met which provide equivalent information and investor protection. The MFSA must be consulted in advance in such circumstances.

10.5 The MFSA may refuse an application for admission to the ACL if the Applicant does not comply with any special condition which the MFSA considers appropriate and of which the MFSA has informed the Applicant and/or its Sponsor. The MFSA may also refuse an application for Admissibility to Listing to the ACL of Securities which are already officially listed in another Member State when the Applicant has failed to comply with the obligations resulting from Admission to Listing in that other Member State.

10.6 Without prejudice to any of the above, the MFSA may refuse an application for Admissibility to Listing on the ACL if it considers that the application is not in the interest of investors generally.

10.7 The provisions of Chapter 1 on the Powers of the MFSA, Chapter 11 on Takeover Bids and Chapter 12 on Shareholders' Rights are applicable to those Issuers whose Securities have been Admitted to Listing on the ACL.

Application for Admissibility to Listing

10.8.1 be made in writing on the application form set out in Appendix 10.1 and signed by all the Directors and/or authorised representatives;

10.8.2 be accompanied by a Prospectus drawn up in accordance with the requirements of Commission Regulation 809/2004; and

10.9.2 if Securities of that Class are already Admitted, relate to all further Securities of that Class, issued or proposed to be issued. *(Directive 2001/34/EC Articles 49, 56)*

Where an Applicant has a Substantial Shareholder, it must demonstrate, by means of the presence of independent Directors on the board or otherwise to the satisfaction of the

MFSA, that it is capable at all times of operating and making decisions independently of any such shareholder and all transactions and relationships in the future between the Applicant and any Substantial Shareholder must be at arms' length and on a normal commercial basis.

10.12.2 be duly authorised by all necessary statutory and other authorisations for the creation and issue of such Securities in terms of any applicable system of law. *(Directive 2001/34/EC Articles 45, 53)*

10.13 In the case the Company has been generating revenue for less than two (2) years, the Directors and all employees must agree not to sell any interests they may have in the Company's Securities for at least one (1) year from the date when the securities are Admitted to Listing on the ACL. The Prospectus should also include a statement that all the persons who, at the time of the application for authorisation for Admissibility to Listing on the ACL, are Directors or employees of the Issuer have agreed not to dispose of any interest in the Securities of that Issuer for a period of one (1) year from the date of the Admission to Listing on the ACL, save in the event of an intervening court order, a takeover offer relating to that Issuer's shares becoming or being declared unconditional or the death of a Director or employee;

10.14 Every Prospectus and Supplements thereto required pursuant to this Chapter 10 shall contain:

10.14.1 a prominent risk warning that Alternative Company Listings are markets designed primarily for companies to which a higher investment risk than that associated with established companies tends to be attached and that a prospective investor should be aware of the potential risks in investing in such companies and should make the decision to invest only after careful consideration and consultation with his or her own independent financial adviser; and

10.14.2 a prominent disclaimer that the MFSA accepts no responsibility for the accuracy or completeness of the Prospectus and expressly disclaims any liability

whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of the Prospectus.

Effective Date of Authorisation

10.15 Authorisation for Admissibility to Listing of any Securities on the ACL becomes effective only when the MFSA issues an official notice to that effect.

10.16 The Applicant must pay any fees due in relation to an application for Admissibility to Listing on the ACL as set by the MFSA from time to time.

Specific Conditions for Listing of Equity Securities

Market Capitalisation

10.17 The expected market capitalisation of the Equity Securities for which application for Admissibility to Listing on the ACL is sought must be of at least one million euro (€1,000,000) or the equivalent value in any other convertible currency. If such Market Value cannot be assessed the Applicant's capital and reserves, including profit or loss, from the last financial year must be of at least one million euro (€1,000,000). Further issues of Equity Securities of a Class already authorised as Admissible to Listing are not subject to this limit. *(Directive 2001/34/EC Article 43)*

10.18 Notwithstanding Capital Markets Rule 10.17, the MFSA may admit Equity Securities of a lower value if it is satisfied that there will be an adequate market for the Equity Securities concerned. *(Directive 2001/34/EC Article 43(2))*

Denomination

10.19 A Company may apply for Admissibility to Listing of Equity Securities on the ACL provided that the minimum subscription amount is of at least €10,000 per individual investor. Where a person is subscribing for securities on behalf of third parties, such minimum amount shall apply to each underlying beneficial owner:

10.20 The Equity Securities for which authorsation for Admissibility to Listing is sought must be freely transferable. *(Directive 2001/34/EC Article 46(1))*

10.21 The MFSA may treat Equity Securities which are not fully paid up as freely transferable if arrangements have been made to ensure that the transferability of such Equity Securities is not restricted and that dealing is made open and proper by providing the public with all appropriate information. *(Directive 2001/34/EC Article 46(2))*

10.22 The MFSA may, in the case of the authorisation for Admissibility to Listing of Equity Securities which may be acquired subject to approval, derogate from Capital Markets Rule 10.20 only if the applicable approval procedure does not, in the opinion of the MFSA, disturb the market. *(Directive 2001/34/EC Article 46(3))*

Shares in the Hands of the Public

10.23 An Applicant on the ACL shall, together with its application for Admissibility to Listing demonstrate to the satisfaction of the MFSA that at least twenty-five percent (25%) of each Class of Shares in respect of which application for Admissibility to Listing has been made must be in the hands of the public. Exceptionally a lower percentage may be accepted by the MFSA when, in view of the large number of Shares of the same Class and the extent of their distribution to the market, the market will operate properly with a lower percentage. *(Directive 2001/34/EC Article 48)*

10.24 Shares are not considered to be held in public hands if they are held, directly or indirectly by:

10.24.1 a Director of the Applicant or any of its Subsidiary Undertakings;

10.25 Where Admissibility to Listing is sought for a further block of shares of the same class, the MFSA may assess whether a sufficient number of shares has been distributed to the public in relation to all the shares issued and not only in relation to this further block. *(Directive 2001/34/EC Article 48(2))*

Accounts

10.26 An Applicant seeking authorisation for Admissibility to Listing of its Equity Securities must have published or filed annual accounts in accordance with national law for the three financial years preceding the application for Admissibility to Listing. By way of exception the MFSA may derogate from this condition where such derogation is desirable in the interests of the Applicant or of investors and where the MFSA is satisfied that investors have the necessary information available to be able to arrive at an informed decision on the Appplicant and the Equity Securities for which application for Admissibility to Listing is sought. *(Directive 2001/34/EC Article 44)*

10.27 The MFSA will grant authorisation for Admissibility to Listing to Shares of a company incorporated in an non-EU Member State or EEA State that are not listed whether in the company's country of incorporation or in the country in which the majority of its Shares are held only if the MFSA is satisified that the absence of a listing is not due to the need to protect investors. *(Directive 2001/34/EC Article 51)*

Specific Conditions for Listing of Debt Securities

10.28 A Company may apply for the Admissibility to Listing of Debt Securities on the ACL:

10.28.1 without having a trading record;

10.28.2 provided the Company offers at least two hundred euro (€200,000) or the equivalent value in any other convertible currency of issued debt capital of the Class to be Admissible to Listing. In the case of Tap Issues where the amount of Debt Securities is not fixed this provision shall not apply; and

10.28.3 provided that the minimum subscription amount is at least €50,000 per individual investor and a subsequent minimum holding of €50,000 per individual investor is maintained throughout his/her investment. Where a person is subscribing for securities on behalf of third parties, such minimum amount shall apply to each underlying beneficial owner.

Convertible Securities

10.29 Securities convertible or exchangeable into another Class of Securities or options or warrants to subscribe or purchase such other Class, may become authorised as Admissible to Listing on the ACL only if that other Class of Securities is or will become at the same time a Class of Securities authorised as Admissible to Listing. However, the MFSA may grant an application for Admissibility in respect of such Securities, options or warrants in other circumstances if they are satisfied that holders have the necessary information available to form an opinion concerning the value of the underlying Securities to which such Securities, options or warrants relate. *(Directive 2001/34/EC Article 59)*

Directors

10.30 The Directors of an Applicant must collectively have appropriate expertise and experience for the management of the Company's business.

10.33 The responsibilities of a Sponsor owed to the MFSA, are:

10.33.1 to confirm to the MFSA in writing in such form as the MFSA may from time to time prescribe:

10.33.1.2 immediately when it ceases to be the Applicant's Sponsor giving full reasons for such cessation; and

10.33.2 to provide to the MFSA such information in such form and within such time limits as the MFSA may require.

10.34 A Sponsor must:

10.34.1 provide the MFSA with any information known to it which the MFSA may reasonably require for the purpose of verifying whether these Capital Markets Rules have been complied with by it or the Applicant;

10.34.2 comply with any relevant eligibility criteria established by the MFSA from time to time;

10.34.3 confirm that all matters known to it which should be taken into account by the MFSA in considering the particular application have been disclosed in the Prospectus or otherwise in writing to the MFSA.

CHAPTER 11

Takeover Bids

This Chapter applies in relation to takeover Bids when all or some of the Securities of the Offeree Company are Admitted to Trading on a Regulated Market.

Introduction

11.1 This Chapter applies in relation to takeover Bids when all or some of the Securities of the offeree Company are Admitted to Trading on a Regulated Market in Malta.

11.1.1 The objective of this chapter is to implement the relevant provisions of Directive 2004/25/EC of the European Parliament and of the Council of 21 April 2004 on takeover bids, other than article 10 of the Directive which is transposed in Chapter 5.

11.1.2 In the event that any of these Capital Markets Rules are in conflict with the provisions of Directive 2004/25/EC of the European Parliament and of the Council of 21 April 2004 on takeover bids, the Directive shall prevail.

11.1.3 In order to give effect to Article 4(5)(ii) of Directive 2004/25/EC, the Authority may dispense with, vary or not require compliance with the terms of any particular Capital Markets Rule in this Chapter, provided that the General Principles set out in Article 3(1) of Directive 2004/25/EC are respected and that where this discretion is exercised a statement explaining the Authority's decision shall be included in the Offer Document.

11.2 The provisions of this Chapter shall not apply to takeover Bids:

11.2.1 for Securities issued by companies, the object of which is the collective investment of capital provided by the public, which operate on the principle of risk-spreading and the Units of which are, at the holders' request, repurchased or redeemed, directly or indirectly, out of the assets of those companies. Action taken by such Companies to ensure that the stock exchange value of their Units does not vary significantly from their net asset value shall be regarded as equivalent to such repurchase or redemption;

11.2.2 for Securities issued by the central banks of the Member States or States.

11.2A The requirement to make a Mandatory Bid in terms of Capital Markets Rule 11.8 shall not apply in the case of use of resolution tools, powers and mechanisms provided for in Title IV of Directive 2014/59/EU of the European Parliament and of the Council of 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms and amending Council Directive 82/891/EEC, and Directives 2001/24/EC, 2002/47/EC, 2004/25/EC, 2005/56/EC, 2007/36/EC, 2011/35/EU, 2012/30/EU and 2013/36/EU, and Regulations (EU) No 1093/2010 and (EU) No 648/2012 or in Title V of Regulation (EU) 2021/23 of the European Parliament and of the Council of 16 December 2020 on a framework for the recovery and resolution of central counterparties and amending Regulations (EU) No 1095/2010, (EU) No 648/2012, (EU) No 600/2014, (EU) No 806/2014 and (EU) 2015/2365 and Directives 2002/47/EC, 2004/25/EC, 2007/36/EC, 2014/59/EU and (EU) 2017/1132.

11.3 In this Chapter, unless the context otherwise requires, the following expressions have the meaning hereby assigned to them:

'Person(s) Acting In Concert' means any natural or legal person who cooperates with the Offeror or the Offeree Company on the basis of an agreement, either express or tacit, either oral or written, aimed either at acquiring Control of the Offeree Company or at frustrating the successful outcome of a Bid. Subsidiary Undertakings, Controlled Undertakings, Parent Companies or any other Group Company of any person cooperating with the Offeror or the Offeree Company shall be deemed to be Person(s) Acting In Concert with that other person and with each other.

'Announce' means publish or make 'available to the public'.

'Control' or 'Controlling Interest' means the holding by a person or the holding by Persons Acting In Concert with him which, when added to any existing holdings of those Securities of the person and/or to holdings of those Securities of Persons Acting In Concert with him, directly or indirectly give him fifty percent plus one of the voting rights of a Company.

'Mandatory Bid' shall mean a Bid made in terms of Capital Markets Rule 11.8.

'Multiple-Vote Securities' means Securities included in a distinct and separate class and carrying more than one vote each.

'Offeree Company' means a Company, the Securities of which are the subject of a Bid.

'Offeror' means any natural or legal person making a Bid.

'Parties To The Bid' means the Offeror, the board of directors if the Offeror is a Company, the Offeree Company, holders of Securities of the Offeree Company and the board of directors of the Offeree Company, and Persons Acting In Concert with such parties.

'Securities' mean transferable Securities carrying voting rights in a Company.

'Takeover Bid' or 'Bid' means a public offer, other than by the Offeree Company itself, made to the holders of the Securities of a Company to acquire all or some of those Securities, whether mandatory or voluntary, which follows or has, as its objective, the acquisition or Control of the Offeree Company.

"Target Company" means an Issuer of Securities for which the Offeror is obliged to make or has made a takeover Bid.

"Voluntary Bid" means a Bid made to all the holders of Securities of a Company for all their holdings when the person making such a Bid does not have a Controlling Interest in the Company.

11.4 The MFSA shall be the authority competent to supervise a Bid where:

11.4.1 the offeree Company is an Issuer whose Securities are Admitted to Trading in Malta and which has its registered office in Malta; or

11.4.2 the Offeree Company is registered in another Member State or State but has its Securities admitted to trading solely on a Regulated Market in Malta:

Provided that if Securities of the Offeree Company are admitted to trading on Regulated Markets in more than one Member State or EEA State, including Malta, the MFSA shall be the authority competent to supervise the Bid if the Securities of the Offeree Company were first admitted to trading on a Regulated Market in Malta.

11.5 The MFSA shall supervise the Bid if the Securities of the Offeree Company were first admitted to trading on Regulated Markets in more than one Member State or EEA State simultaneously, including Malta, and the Offeree Company has determined that the MFSA shall be the authority competent to supervise the Bid and has notified the MFSA accordingly on the first day of trading:

Provided that where, on the coming into force of this Chapter, the Securities of an Offeree Company were already Admitted to Trading on a Regulated Market in Malta and on the Regulated Market of another Member State or EEA State simultaneously, the MFSA together with the regulatory authority of the other Member State or EEA State shall, within four weeks of the coming into force of this Chapter, determine which of the authorities shall supervise the Bid. Otherwise, the Offeree Company shall determine which of the authorities shall supervise the Bid on the first day of trading following the four week period referred to herein.

11.6 Where the MFSA has been designated as the authority competent to supervise the Bid, such a decision shall be made public.

11.7 In the cases referred to in Capital Markets Rule 11.4.2, 11.5 and 11.6 above:

11.7.1 matters relating to the consideration offered in the case of a Bid and procedures applicable to the Bid shall be regulated by the laws of the Member State or EEA State of the regulatory authority supervising the Bid: and

11.7.2 matters relating to the information to be provided to the employees of the Offeree Company and any issues relating to the percentage of voting rights required to confer Control as well as any defensive action taken to frustrate a Bid shall be regulated by the laws of the Member State or EEA State where the Offeree Company is registered.

Mandatory Bid

11.8 Where a person acquires a Controlling Interest as a result of his own acquisition or the acquisition by Persons Acting In Concert with him, such a person shall make a Mandatory Bid as a means of protecting the minority Shareholders of that Company. Such a Mandatory Bid shall be notified by the Offeror Company to the Authority and announced by the Offeror Company to the public as specified in Capital Markets Rule 11.15. Such Mandatory Bid shall be made in the manner specified in Capital Markets Rule 11.19, to all the holders of Securities in that Company for all their holdings at the equitable price as determined in accordance with the provisions of Capital Markets Rule 11.39:

Provided that where Control has been acquired following a Voluntary Bid made to all the holders of Securities for all their holdings, the obligation to launch a Mandatory Bid shall not apply.

11.9 To calculate the threshold required to acquire a Controlling Interest, the following shall, *inter alia*, be included and added to the voting rights held by the Offeror:

11.9.1 voting rights held by Persons acting in their own name but on behalf of the Offeror;

11.9.2 voting rights held by persons acquired and Controlled directly by the Offeror or through intermediaries;

11.9.3 voting rights attached to Securities held by the Offeror which are lodged by way of security, except where the holder of the security Controls the voting rights and declares his intention of exercising them, in which case they shall be regarded as his voting rights.

11.10 Where acquisition of Control takes place as a result of acquisition of holdings by Persons Acting In Concert, the obligation to make a Bid shall lie with the person having the highest percentage of voting rights.

11.11 The obligation to make a Bid to all the holders of Securities shall not apply to those Controlling holdings already in existence on 19th June 2006.

11.12 Anything contained in Chapter 11 of the Capital Markets Rules shall be without prejudice to any rules and regulations applicable to a company which is authorised, licensed or otherwise supervised in terms of the Banking Act (Cap. 371 of the laws of Malta), the Financial Institutions Act (Cap. 376 of the laws of Malta), the Investment Services Act (Cap. 370 of the laws of Malta), the Insurance Business Act Cap. 403 of the laws of Malta) and the Insurance Intermediaries Act (Cap. 487 of the laws of Malta), the Trusts and Trustees Act (Cap. 331 of the laws of Malta), as each may be amended from time to time, or any other law, rule or regulation which would require regulatory consent prior to the

acquisition or disposal of its equity shares in a company where those securities are listed on a Regulated Market.

11.13 *Omissis*

11.14 *Omissis*

Obligation to announce

11.15 An Offeror shall inform the MFSA of a Bid and shall announce his decision to launch the Bid within seven days of acquiring a Controlling Interest.

11.16 The Bid must be announced only after the Offeror ensures that he can fulfil in full any cash consideration, if such is offered, and after taking all reasonable measures to secure the implementation of any other type of consideration.

11.17 By way of consideration the Offeror may offer Securities, cash or a combination of both:

Provided that a cash consideration must be offered as an alternative in all cases.

The Offeror must provide confirmation that the element of cash offered as consideration will be paid to shareholders accepting the cash offer not later than 30 days from closing of the acceptance period.

11.18 As soon as the Bid shall have been announced, the board of Directors of the Offeree Company and the Offeror shall inform the representatives of their respective employees or, where there are no such representatives, the employees themselves.

Offer Document

11.19 An Offeror shall draw up and make public, not later than twenty one calendar days from announcing his decision to launch a Bid, an offer document containing the information necessary to enable the holders of the Offeree Company's Securities to reach a properly informed decision on the Bid, which offer document shall be communicated to the MFSA prior to it being made available to the public.

11.20 When the offer document is published, the board of Directors of the Offeree Company and of the Offeror shall communicate the offer document to the representatives of their respective employees or, where there are no such representatives, to the employees themselves.

Exemptions concerning Mandatory Bids

11.21 The MFSA may grant exemptions from the obligation to make a Mandatory Bid on the basis of a written application in the following circumstances:

11.21.1 Control of the Target Company was obtained as a result of reduction of the Offeree Company's share capital;

11.21.2 Control of the Target Company was acquired as a result of a merger or division;

11.21.3 Control of the Target Company was obtained through the acquisition of Securities with the intention to sell within a short term;

11.21.4 Control has been obtained by an existing shareholder acquiring Securities following an increase in capital as a result of executing his right of pre-emption and not through the purchase of Securities acquired from other persons;

11.21.5 Control was obtained following a transmission of Securities '*causa mortis'* as a result of which the person's number of voting rights in the Target Company increased.

Details of offer document

11.22 The offer document shall specify at least the following information:

11.22.1 the terms of the Bid;

11.22.5 the compensation offered for the rights which might be removed as a result of the "breakthrough rule" laid down in Capital Markets Rules 11.51 to 11.56 , with particulars of the way in which that compensation is to be paid and the method employed in determining it;

11.22.10 the time allowed for acceptance of the Bid;

11.22.11 where the consideration offered by the Offeror includes Securities of any kind, information concerning those Securities;

11.22.12 information concerning the financing for the Bid;

11.23 A report on the consideration offered, drawn up by one or more experts who are independent of the Offeror or Offeree Company, shall be appended to the offer document. The expert's report should include an evaluation of the consideration being offered with this explained against the background of the offer being made.

The information provided should include, but not necessarily be limited to, whether the Bid price can be defined as 'an equitable price' or a 'fair price', as applicable, in terms of the

Capital Markets Rules and where securities are being offered as part of the consideration, the market performance and liquidity of the securities being offered. More detailed guidance on the requirements of an Independent Expert's Report is given in Guidance Note 2 at the end of Chapter 11.

11.24 The expert's report must confirm that the Offeror has sufficient resources to meet the consideration to be provided on full acceptance of the offer and to pay any debts incurred in connection with the offer.

11.25 The MFSA may request that the parties to a Bid shall provide the Authority with all the information in their possession concerning the Bid at any time on request.

Sufficient time and information for acceptance

11.26 The holders of the Securities of an Offeree Company must have sufficient time and information to enable them to reach a properly informed decision on the Bid.

11.27 The time allowed for the acceptance of a Bid shall be determined in the offer document and shall be not less than three weeks nor more than ten weeks from when the offer document is made available to the public.

The opinion of the board of Directors of the Offeree Company on the Bid

11.28 The board of Directors of the Offeree Company must advise and give its views to the holders of Securities on the effects of implementation of the Bid on employment, conditions of employment and the locations of the Company's places of business.

11.29 In this respect, the board of Directors of the Offeree Company shall draw up and make available to the public a document setting out its opinion of the Bid and the reasons on which it is based, including its views on the effects of implementation of the Bid on all the Company's interests and specifically employment, and on the Offeror's strategic plans for the Offeree Company and their likely repercussions on employment and the locations of the Company's places of business as set out in the offer document in accordance with Capital Markets Rule 11.22.9.

11.30 The board of Directors of the Offeree Company shall at the same time communicate that opinion to the representatives of its employees or, where there are no such representatives, to the employees themselves.

11.31 Where the board of Directors of the Offeree Company receives in good time a separate opinion from the representatives of its employees on the effects of the Bid on employment, that opinion shall be appended to the document.

Board of Directors to call general meeting

11.32 During the period referred to in Capital Markets Rule 11.34 below, the board of Directors of the Offeree Company shall obtain the prior authorisation of the Shareholders in general meeting given for this purpose before taking any action, which may result in the frustration of the Bid and in particular before issuing any shares which may result in a lasting impediment to the Offeror's acquiring Control of the Offeree Company.

11.33 Notice of the meeting convened for the approval of the action referred to above must contain, or be accompanied by, full particulars of the proposed action and a statement explaining the reasons for and significance of such action.

11.34 Such authorisation shall be mandatory at least from the time the board of Directors of the Offeree Company receives the information that a decision has been taken to make a Bid until the result of the Bid is published or the Bid lapses:

Provided that seeking alternative Bids does not require such authorisation.

11.35 In the case of decisions taken before the beginning of the period referred to in Capital Markets Rule 11.34 above and not yet partly or fully implemented, the Shareholders in general meeting shall approve or confirm any decision which does not form part of the normal course of the Company's business and the implementation of which may result in the frustration of the Bid.

11.36 For the purpose of obtaining the prior authorisation, approval or confirmation of the Shareholders referred to in Capital Markets Rules 11.32 and 11.35 a general meeting can be convened at shorter notice than that stipulated in the Memorandum or Articles of Association provided that the meeting does not take place within two weeks of notification.

Defensive tactics

11.37 If a Target Company has received a takeover notice or has reason to believe that a bona fide offer is imminent, the board of Directors of the Company must not take or permit any action, in relation to the affairs of the Target Company that could effectively result in:

11.37.1 an offer being frustrated; or

11.37.2 the holders of Securities of the Target Company being denied an opportunity to decide on the merits of an offer:

Provided that the board of Directors of a Target Company may take or permit the kind of action referred to above if:

11.37.3 the action has been approved by an ordinary resolution of the Target Company; or

11.37.4 the action is taken or permitted under a contractual obligation entered into by the Target Company, or in the implementation of proposals approved by the board of Directors of the Target Company, and the obligations were entered into, or the proposals were approved, before the Target Company received the takeover notice or became aware that the offer was imminent; or

11.37.5 if Capital Markets Rules 11.37.3 and 11.37.4 above do not apply, the action is taken or permitted for reasons unrelated to the offer with the prior approval of the MFSA.

Provided that the notice of the meeting containing the proposed resolution for the approval of the action referred to in Capital Markets Rule 11.37.3 above must contain, or be accompanied by:

11.37.6 full particulars of the proposed action; and

11.37.7 the reasons for it; and

11.37.8 a statement explaining the significance of the resolution under these rules.

Equitable price

11.38 The purchase price for Securities that are the object of a Mandatory Bid must be equitable.

11.39 The equitable price to be paid for Securities is the highest price determined by the following criteria, calculated from the date of the announcement of the Bid:

11.39.1 the price offered for the security should not be below the weighted average price of the Security or the Security transactions made on a Regulated Market during the previous six (6) months;

11.39.2 the price offered for the Security should not be below the highest price paid for the Security by the Offeror or Persons Acting In Concert with the Offeror during the previous six (6) months;

11.39.3 the price offered for the Security should not be below the weighted average price paid for the Security by the Offeror or Persons Acting In Concert with the Offeror during the previous six (6) months;

11.39.4 the price of the Security should not be lower than ten percent (10%) below the weighted average price of the Security within the previous ten trading days.

11.40 If, after the Bid has been announced and before the offer closes for acceptance, the Offeror or any person Acting In Concert with him purchases Securities that are priced higher than the offer price, the Offeror shall increase his offer so that it is not less than the highest price paid for the Securities acquired.

Squeeze-out rights

11.41 Following a Bid made to all the holders of the Offeree Company's Securities for all of their Securities, Capital Markets Rules 11.42 to 11.45 shall apply.

11.42 Where the Offeror holds Securities representing not less than ninety percent (90%) of the capital carrying voting rights and ninety per cent (90%) of the voting rights in the Offeree Company, or where, following acceptance of the Bid, the Offeror has acquired or has firmly contracted to acquire Securities representing not less than ninety percent of the Offeree Company's capital carrying voting rights and ninety per cent (90%) of the voting rights comprised in the Bid, the Offeror has the right to require all the holders of the remaining Securities to sell him those Securities at a fair price for cash.

The cash consideration payable for any Securities to be acquired under this Capital Markets Rule shall be transferred to an account of an appointed trustee with a credit institution within 30 days of the announcement of the result ascertaining the ninety per cent (90%) acceptances where it shall be held for this purpose until such time as payment is made.

11.43 Following a Voluntary Bid, the consideration offered in the Bid shall be presumed fair where, through acceptance of the Bid, the Offeror has acquired Securities representing not less than ninety percent of the Offeree Company's capital carrying voting rights. Following a Mandatory Bid, the consideration offered shall be presumed to be fair.

11.44 To calculate the threshold referred to in Capital Markets Rule 11.42, the voting rights indicated in Capital Markets Rules 11.9.1 to 11.9.3 shall be included and added to the voting rights of the Offeror.

11.44.1 Where the Securities of the Offeree Company are divided into different Classes, the Offeror shall exercise the right of squeeze-out only in the Class in which the threshold laid down in Capital Markets Rule 11.42 has been reached.

11.45 If the Offeror wishes to exercise the right of squeeze-out following a successful Bid, a statement to this effect must be included in the offer document.

11.45.1 An Offeror, after having successfully acquired, or having firmly contracted to acquire, Securities representing not less than ninety percent of the Offeree Company's capital carrying voting rights, shall at the time of making the results of the takeover public in terms of Capital Markets Rule 11.75, confirm whether it will be exercising its squeeze-out rights.

11.45.2 The Offeror shall exercise the right of squeeze-out within three months at the end of the time allowed for acceptance of the Bid.

Sell-out rights

11.46 Following a Bid made to all the holders of the Offeree Company's Securities for all of their Securities, Capital Markets Rules 11.47 to 11.49 shall apply.

11.47 Where following a Bid the Offeror has not confirmed that it will be exercising its right of squeeze-out in terms of Capital Markets Rules 11.45 holders of remaining Securities may require the Offeror to buy their Securities from them at a fair price under the same circumstances as provided for in Capital Markets Rule 11.42.

11.48 *Omissis*

11.49 Capital Markets Rules 11.43 to 11.45 shall apply *mutatis mutandis*.

Opting in and Opting out

11.50 By decision taken in General Meeting, the holders of Securities of an Offeree Company registered in Malta and whose Securities are admitted to trading in Malta may:

11.50.1 where the restrictions laid down in Capital Markets Rules 11.51 to 11.56 below do not exist, the holders of the Securities may opt to apply any or all of the restrictions (an "opting-in resolution"); or

11.50.2 where the restrictions laid down in Capital Markets Rules 11.51 to 11.56 below exist, the holders of the Securities may opt not to apply any or all of the restrictions (an "opting-out resolution").

11.50.3 An opting-in resolution or an opting-out resolution must specify the date from which it is to have effect (the "effective date")

11.50.4 The effective date of an opting-in resolution may not be earlier than the date on which the resolution is passed and the effective date of an opting-out resolution may not be earlier than the first anniversary of the date on which the opting-in resolution was registered with the Registrar.

11.50.5 An opting-in or opting-out resolution can only be taken after prior written authorisation has been sought and obtained from the MFSA:

Provided that if the Securities of the Offeree Company are admitted to trading on Regulated Markets in other Member States or EEA States, or the Offeree Company has requested such admission, the relevant regulatory authority of that Member State or EEA State must be notified of the decision taken in accordance with Capital Markets Rule 11.50.

11.51 Any restrictions on the transfers of Securities provided for in the articles of association of the Offeree Company shall not apply vis-à-vis the Offeror during the time allowed for acceptance of the Bid laid down in Capital Markets Rule 11.27.

11.52 Any restrictions on the transfer of Securities provided for in contractual agreements between the Offeree Company and holders of its Securities, or in contractual agreements between holders of the Offeree Company's Securities entered into after the coming into force of this Chapter, shall not apply vis-à-vis the Offeror during the time allowed for acceptance of the Bid laid down in Capital Markets Rule 11.27.

11.53 Restrictions on voting rights provided for in the articles of association of the Offeree Company shall not have effect at the general meeting of the holders of the Securities which decides on any defensive measures in accordance with Capital Markets Rule 11.37.

11.54 Restrictions on voting rights provided for in contractual agreements between the Offeree Company and holders of its Securities, or in contractual agreements between holders of the Offeree Company's Securities entered into after the coming into force of this Chapter, shall not have effect at the general meeting of the holders of the Securities which decides on any defensive measures in accordance with Capital Markets Rule 11.37.

11.55 Multiple-vote Securities shall carry only one vote each at the general meeting of the holders of the Securities which decides on any defensive measures in accordance with Capital Markets Rule 11.37.

11.56 Where, following a Bid, the Offeror holds 75% or more of the capital carrying voting rights, no restrictions on the transfer of Securities or on voting rights referred to in Capital Markets Rules 11.51 and 11.52 nor any extraordinary rights of the holders of Securities concerning the appointment or removal of board members provided for in the articles of association of the Offeree Company shall apply; multiple-vote Securities shall carry only one vote each at the first general meeting of the holders of Securities following closure of the Bid, called by the Offeror in order to amend the articles of association or to remove or appoint board members.
To that end, the Offeror shall have the right to convene a general meeting of the holders of Securities at short notice, provided that the meeting does not take place within two weeks of notification.

11.57 Where rights are removed on the basis of any one of Capital Markets Rules 11.51 to 11.56, equitable compensation shall be provided for any loss suffered.

11.57.1 The amount of equitable compensation to be granted to the person who suffers loss as a result of any act or omission that would, but for the provisions of Capital Markets Rules 11.51 to 11.56, be a breach of agreement, shall be determined by the Offeror in the offer document as required by Capital Markets Rule 11.22.5.

11.57.2 Where the holder of the rights removed on the basis of any one of Capital Markets Rules 11.51 to 11.56 feels that the compensation offered by the Offeror in accordance with Capital Markets Rule 11.57.2 above is insufficient, such person may apply to the court for the court to determine the amount of compensation it considers just and equitable against any person who would, but for Capital Markets Rules 11.51 to 11.57, be liable to the holder of such rights for committing or inducing the breach.

11.58 Capital Markets Rules 11.53 to 11.56 shall not apply to Securities where the restrictions on voting rights are compensated for by specific pecuniary advantages.

11.59 Capital Markets Rules 11.50 to 11.58 shall not apply when the Government of Malta holds Securities conferring special rights in the Offeree Company.

Competing Bids

11.60 Any person may, during the acceptance period, launch a Bid to compete with the initial Bid made by the Offeror. Such Bids are called competing Bids.

11.60.1 Where competing Bids are made for the Securities of the Offeree Company, the provisions of this Chapter shall apply to each such Bid.

11.61 A person shall announce his decision to launch a competing Bid and must inform the MFSA of the Bid.

11.62 The person making a competing Bid shall, not later than twenty one calendar days from announcing his decision to Bid, draw up an offer document as provided for in Capital Markets Rule 11.22.

11.63 The holders of Securities of the Offeree Company shall have the right to choose between the initial Bid and any competing Bid.

11.64 Where there are competing Bids and the initial Offeror does not withdraw his Bid, the period for acceptance of the initial Bid shall be extended automatically to the time allowed for acceptance of the competing Bid as provided for in the offer document:

Provided that the time allowed for the acceptance period of the competing Bid shall be not less than four weeks from when the offer document of the competing Bid was made available to the public;

Provided further that the time allowed for the acceptance period of the initial Bid and the competing Bid together must not exceed ten weeks from when the offer document of the initial offer was made available to the public.

11.65 The extension of the acceptance period shall be communicated to the MFSA and made public.

Revision of a Bid

11.66 An Offeror may revise a Bid only in the following circumstances:

11.66.1 to increase the consideration;

11.66.2 to increase an existing component to the consideration;

11.66.3 to add a cash component to the consideration;

11.66.4 to extend the time allowed for the acceptance of a Bid but not beyond the maximum period of ten weeks as provided in Capital Markets Rule 11.27

11.67 The Offeror may revise the terms of the Bid at any time not later than fourteen calendar days before the end of the period allowed for acceptance of a Bid.

11.68 The Offeror shall communicate to the MFSA his intention to revise the Bid prior to the revised Bid being made public.

11.69 Notwithstanding the provision of Capital Markets Rule 11.27, where a Bid has been revised, the time allowed for the acceptance of the revised Bid shall be automatically extended by fourteen days:

Provided that the extension does not go beyond the maximum period of ten weeks as provided in Capital Markets Rule 11.27.

11.70 On announcing his intention to revise a Bid, the Offeror shall without delay draw up and make public a supplementary document setting out the amendments to the offer document, which revised document shall be communicated to the MFSA prior to it being made public.

11.71 Where the revision of a Bid increases the consideration offered, the Offeror must provide the increased consideration to each person whose Securities are taken up, whether or not the person accepted the offer before or after the revision was made.

11.72 The conditions of the revised Bid shall also stipulate that Shareholders who have made an offer to the Offeror have the right to withdraw their acceptances or offers.

Lapsing of a Bid

11.73 The takeover Bid automatically lapses if, at the end of the acceptance period, none of the holders of Securities of the Offeree Company have taken up the offer. In the event that the offer was not successful the Offeror is not authorised to make a new offer for the same Offeree Company during a period of one year from when the Bid lapses.

11.74 The Offeror and the Offeree Company shall without delay inform the MFSA and announce the lapsing of the Bid.

Disclosure of the results of Bids

11.75 The Offeror and the Offeree Company shall inform the MFSA and make public the necessary, relevant and complete results of the takeover by not later than ten calendar days from the closing of the acceptance period.

11.76 The Announcement about the results shall contain at least the following information:

11.76.1 the absolute number of Securities of every kind of Securities acquired by the Offeror during the acceptance period;

11.76.2 the ratios of the different Classes and types of Securities that were included in the takeover Bid;

11.76.3 separate calculations for the participation and voting rights acquired by the Offeror and Persons Acting In Concert.

Irrevocability of Bids

11.77 When a Bid has been announced in accordance with Capital Markets Rule 11.15, it may be withdrawn or declared void only in the following circumstances:

11.77.1 where there are competing Bids and the Offeror decides to withdraw his Bid as provided for in Capital Markets Rule 11.64;

11.77.2 where a condition of the Bid announced in the offer document in accordance with Capital Markets Rule 11.22.8 is not fulfilled;

11.77.3 in exceptional circumstances and with the authorisation of the MFSA, explaining why the Bid cannot be put into effect for reasons beyond the Control of the parties to the Bid.

11.78 The Offeror shall without delay announce the decision to withdraw the Bid.

GUIDANCE NOTES TO CHAPTER 11

These Guidance Notes are not intended to be a substitute for any Capital Markets Rule, or part of the Capital Markets Rules. They have been drawn up to provide guidance on particular aspects of the Capital Markets Rules in Chapter 11.

Guidance Note 1 to Chapter 11 of the Capital Markets Rules – VOLUNTARY AND MANDATORY BIDS

The provisions of Chapter 11 of the Capital Markets Rules apply to both Voluntary and Mandatory Bids, but with only a specific set of the Capital Markets Rules relating to Mandatory Bids.

While the meaning of a Voluntary Bid defined in the Capital Markets Rules is that of 'a bid made to all the holders of Securities of a Company for all their holdings when a person making such a bid does not have a Controlling Interest in the Company' (LR 11.3), a Mandatory Bid on the other hand is triggered by the acquisition of a 'Controlling Interest', (50% plus 1 share). An exception to the rule arises in circumstances where Control has been acquired following a Voluntary Bid made to the holders of Securities for all their holdings (LR 11.8). Capital Markets Rules 11.21.1 – 11.21.5 set out a number of circumstances under which exemptions from the rule to make a Mandatory Bid would apply and can therefore be applied for.

The aim of the Mandatory Bid rule is to protect minority shareholders against holders of a Controlling Interest extracting private benefits from the Offeree Company by preventing any holders of Securities from being able to obtain control over the Offeree Company and start extracting private benefits without first offering the minority holders of Securities an exit opportunity at an equitable price. A Mandatory Bid thus prevents the offeror from obtaining control by acquiring Securities from the market without paying an Equitable Price (Capital Markets Rule 11.39) to all holders of Securities. The Mandatory Bid rule additionally prevents an Offeror obtaining 'creeping' control by acquiring Securities without extending the offer to all holders of Securities equally.

Consideration Offered for a Bid

While the consideration offered for a Voluntary Bid may be freely determined by the Offeror, and while this normally would be related to the price at which the Offeree Company security has been traded at, consideration for Securities purchased under a Mandatory Bid must be 'equitable' and determined by the criteria set out in Capital Markets Rule 11.39.

Consideration offered by the Offeror may be in Securities, cash, or a combination of both. The Capital Markets Rules mandate that cash consideration must offered as an alternative in all cases (Capital Markets Rule 11.17).
Capital Markets Rule 11.23 mandates that a report on the consideration offered is drawn up by one or more experts who are independent of the Offeror or the Offeree Company. The expert's report is to contain an evaluation of the consideration being offered in the Bid. The Capital Markets Rule covers the consideration offered for both a Voluntary Bid and a Mandatory Bid and, as such, any analysis of consideration offered will, out of necessity, compare the consideration being offered to the market price of the Security subject of the Bid. Guidance Note 2 provides guidelines as to what an Independent Expert's Report should encompass.

Squeeze-out and Sell-out rights

An Offeror may invoke his squeeze-out rights (Capital Markets Rules 11.41-45) where following a Bid made to all holders of the Offeree Company's Securities for all their Securities, the Offeror has acquired Securities representing not less than ninety per cent in the Offeree Company and at which point the Offeror has announced that he will be exercising the right to require all the holders of the remaining Securities to sell these to him for cash. If the Offeror wishes to exercise the right of squeeze-out he must do so within three months at the end of time allowed for acceptance of the bid.

A holder of remaining Securities may invoke his sell-out rights (Capital Markets Rules 46-11.48) following a bid where an Offeror has announced that he has acquired Securities representing not less than ninety per cent in the Offeree Company, but has not announced that that he will be exercising his squeeze-out rights (either in the offer document or upon announcement of attainment of such level of acceptances). The Offeror shall be required to buy these Securities at the fair price for cash.

Capital Markets Rule 11.43 states that 'the consideration offered in the Bid shall be presumed as fair where, through acceptance of the Bid, the Offeror has acquired Securities representing not less than ninety percent of the Offeree Company's capital carrying voting rights'.

Squeeze-out and sell-out rights are seen as a protection measure available to residual shareholders and which may be invoked subsequent to both a Voluntary and a Mandatory Bid.

Guidance Note 2 to Chapter 11 of the Capital Markets Rules – GUIDANCE ON THE INDEPENDENT EXPERT'S REPORT (LR 11.23)

Capital Markets Rule 11.23 requires that a report be drawn up by an independent expert on the consideration offered in the event of a takeover bid being made that is regulated by Chapter 11 of the Capital Markets Rules. Holders of Securities should decide on the merits of a Bid on the basis of the information provided in the offer document, the opinion of the Offeree Company's board of directors in the document setting out their opinion on the Bid, the report prepared by the independent expert and advice sought from an authorised financial advisor

Contents of the Independent Experts Report

The report of the independent expert should contain information which is useful to holders of Securities in the Offeree Company in making an informed decision as to the merits of the Bid in light of the consideration offered. In order to make a holistic analysis of the consideration being offered, the concepts of being 'fair' or 'reasonable' should be analysed as two distinct criteria.

Valuation

The independent expert should evaluate how the consideration compares to the market value of the Securities that are the subject of the Bid. If the consideration is equal to or higher than the market value of the securities of the Offeree then the take-over offer could be considered as a 'fair' offer.

Where the consideration offered is less than the market price an independent experts report is required to comment on this, and compare the consideration offered to the 'equitable' price determined in terms of LR11.39. The type of report depends on whether the bid is a Mandatory or Voluntary Bid, as follows:

- Where the Bid is a Mandatory Bid, the Capital Markets Rules provide that the consideration offered must be 'equitable' and the independent expert should confirm whether this is the case.
- Where the Bid is a Voluntary Bid, the expert should consider whether the offer is 'reasonable' or not. The independent expert should take into consideration matters other than the market valuation of the securities that are the subject of the Bid. Generally a takeover offer would be considered 'fair', and as such 'reasonable', if the expert's evaluation determines that the consideration offered is equal or greater than the value of the Securities being acquired. The experts should clearly explain the possible reasons for the differences between their assessment of value and the market value of the Securities bid for. This could include the expert's own valuation being in line with the offer price in spite of this being lower than the market value.

Exemptions from mandatory offer obligations under Capital Markets Rule 11.21

The independent expert should explain why an exemption may have been given from the obligation not to make a Mandatory Bid and the effect of the exemption being granted to the Offeror in the circumstances listed in Capital Markets Rules 11.21.1-11.21.5.

Consideration other than cash

If the Offeror is offering listed or non-listed securities as consideration for the Offeree Company's Securities, the independent expert should examine the value of that consideration and compare it to the valuation of the Offeree Company's Securities.

Such a comparison should be based on the value of the securities being offered as consideration by the Offeror and the fact that the Offeror will be obtaining or increasing control of the Offeree Company. The effect of a share exchange offer should be explained to holders of Securities in the Offeree Company as should be the resultant position of accepting the consideration.

In the event that the Securities being offered as consideration are listed or traded on a Regulated Market and the independent expert uses the market price of such securities as a measure of the value of the consideration offered, the independent expert must also give information on:

- The depth of the market for those securities;
- The volatility of the market price the last six months; and
- The effect of the takeover on the price of such securities.

The methodology or methodologies used should be clearly explained and the sources of data that the independent expert uses in its analysis disclosed in the report.

Company Directors and Dealings in an Offeree Company's Securities

The Independent expert's Report should include information on the individual Directors' shareholdings in both the Offeree and Offeror Company and whether any dealings in Securities have taken place by Directors, the Offeror or Persons Acting in Concert with the Offeror during the six months preceding the Bid, and how this may have affected or influenced the consideration offered.

The expert should include information on any disclosure that may have been made on commitments to Directors of the Offeree Company by the Offeror prior to making the Bid public and whether they have endorsed, or made recommendations on, the Bid.

Conditional Irrevocable Undertakings

An Offeror would normally seek to conclude conditional irrevocable undertakings with key shareholders of the Offeree Company, and from any of the Offeree's board of directors who hold shares in it, to accept the offer if certain pre-determined conditions are met.

Irrevocable undertakings will usually provide for the shareholder, or director, to accept the offer within a certain time period of it being made once certain conditions are met and to refrain from doing anything which might frustrate the Bid.

Where the presence of such undertakings has been announced, the independent expert should indicate the names of these key holders and the percentage holding that each holds, this for the other shareholders to be able to assess the probable outcome of the offer being made.

Assumptions made by the Independent Expert

Where an independent expert's valuations have been based on assumptions, these should be explained in a manner which enables the holders of the Securities in the Offeree Company to understand the information contained in the report.

The independent expert should explain the methodology and principal assumptions underlying their valuation that could include generic statements broadly explaining these assumptions without the requirement to include extensive detail on company specific commercial information. Assumptions relating to specific present or future macro-economic conditions (e.g. inflation rates, exchange rates, commodity prices) that may be relevant to the consideration being offered should be backed up with references to the sources from which that information was drawn.

Where changes in any of the key macro assumptions are likely to materially impact the valuation (e.g. changes in the exchange rate or interest rate assumptions), the independent expert should consider including a sensitivity analysis which sets out the impact of such changes.

Reasonable basis for relying on information

The independent expert should explain the analysis undertaken and should make reference to the source of the information it has used in arriving at its conclusions. The independent expert should ensure that material information quoted or used in the analysis is not irrelevant or misleading.

Where the independent expert intends to rely on the work of another expert, the independent expert should be comfortable with the level of expertise, experience and credibility of the expert, evaluate the relevance of the methodologies and key assumptions adopted by the expert and where possible, review the reasonableness of the results derived by that expert.

Forecasts of financial information

The independent expert may rely on financial information provided in the Company's Annual Reports or projections published by the Offeree Company, such as those included in the Financial Analysis Summary report required in terms of the Listing Policies of the MFSA dated 05 March 2013, as may be updated from time to time. However, the independent expert should satisfy himself of the reasonableness of any forecast financial information used and ensure that adequate disclosure is made in relation to the limitations of the financial forecasts used.

Disclaimers

The independent expert should include a paragraph stating the purpose of the Report and the terms under which it was prepared and should make a declaration as to the expert's independence from the parties it has drawn on for its compilation.

A statement should be included which limits the purpose of the report as being that required in terms of Capital Markets Rule 11.23, namely 'on the consideration offered' by the Offeree and, as such, to assist holders of Securities in the Offeree Company in forming their own opinion as to whether to accept the terms being offered or not. The statement should also include a statement that the report does not represent a recommendation to accept or refuse the offer and that it does not contain any assessment of the consequences that could arise from accepting or refusing the offer.

Disclaimers as to the accuracy of the information, including on the reliance on forecasts of future profits, cash flows or the financial position may be included in the report but the expert would all the same be expected carry out reasonableness checks on any such information that has been used in compiling the report provided that the source of the information is quoted and that the source is generally considered reliable. As for example, 'The assessment made and information contained in this report is based on information available at the time of our work and can be subject to changes. In rendering this assessment, the independent expert has not performed an audit or a due diligence of the parties concerned nor has it sought to verify the information provided by the contributors or the sources which however it considers generally reliable'.

Guidance Note 3 to Chapter 11 of the Capital Markets Rules – OBLIGATION TO ANNOUNCE UNDER CHAPTER 11 OF THE CAPITAL MARKETS RULES

An announcement to make a Bid will, in all circumstances, be communicated to the Offeree Company's board, even if this is announced to the board at the same time as a public announcement is made.

Where a friendly Bid is concerned, discussions will have taken place over a period of time and once the conditions listed in Capital Markets Rule 11.16 can be fulfilled, a public announcement would then be made. Capital Markets Rule 11.15 places an obligation on any person who gains control of a company to inform the MFSA within seven days of acquiring control. In the case of a hostile Bid, however, any pre-bid conditions, including those of Capital Markets Rule 11.16 will have been tackled without the Offeree Company's board having even been consulted and a public announcement will, in most circumstances, be made at the same time as the announcement to the Board.

Prior to the announcement of an offer or possible offer, all persons privy to confidential information, and particularly price-sensitive information, concerning the offer or possible offer must treat that information as confidential and may only pass it to another person if it is necessary to do so and if that person is made aware of the need for secrecy. All such persons must conduct themselves so as to minimise the chances of any leak of information.

The requirement for a public announcement will be triggered immediately should the Offeree Company's share price be subject to undue price movements due to rumour or possible speculation, the suspicion of a leak in confidential information or where it is desirable to make an announcement in order to prevent possible market abuse. It is the potential offeror who is, in the first place, responsible for making such an announcement.

An announcement of a Bid by the Offeror triggers a period of twenty-one calendar days mentioned in Capital Markets Rule 11.19 during which he must prepare an offer document to be made available to both the MFSA and the public.

May 2018

Guidance Note 4 to Chapter 11 of the Capital Markets Rules – TAKEOVER BIDS - RESPONSIBILITIES OF COMPANY DIRECTORS

The provisions relating to directors in Article 136A of the Companies Act (Cap. 386 of the laws of Malta) should be borne in mind when Directors make recommendations in relation to takeover Bids, in particular that a director of a company is bound to act honestly and in good faith in the best interests of the company and that it is the directors of a company who shall promote the well-being of the company they represent. Directors must, as fiduciaries, take into account the collective interests of their shareholders prior to and during any Bid process.

Shareholders of a company are entitled to look to directors for information and guidance in order to help them decide whether or not to accept a Bid, especially where a share exchange offer is made as part of the compensation package, or where competing bids are involved in the takeover process. Directors must be able to justify the reasons when and why recommendations are made to accept the lower of competing Bids.

Directors should ensure that sufficient information and advice is contained in the offer document to enable shareholders to reach an informed decision and avoid giving misleading advice which could prevent shareholders from making an uninhibited choice. In this context while most Bids involve a friendly approach to takeovers where the Offeror is involved in negotiations prior to a takeover, Offeree Company directors have an important role to play where a hostile Bid is concerned.

Directors of the Offeree Company should give careful consideration to any decisions they intend taking before entering into any commitment with an offeror (or anyone else) which would restrict their freedom to advise their shareholders in the future. Such commitments may give rise to conflicts of interest or result in a breach of a directors' fiduciary duties.

The importance of Capital Markets Rule 11.23 and the mandating that a report on the consideration offered is drawn up by one or more experts who are independent of the Offeror or Offeree Company becomes clear in this context. Guidance Note 2 to Chapter 11 sets out what can be expected of such a report.

Capital Markets Rule 11.24 requires that the independent expert assesses and confirms 'that the Offeror has sufficient resources to meet the consideration to be provided on full acceptance of the offer and to pay any debts incurred in connection with the offer'. This is normally seen as being in the best interests of both the shareholders and the Directors of both the Offeror and Offeree companies. Directors of an Offeree Company are obliged to circulate their views on the offer and make known to the shareholders the substance of advice given by any independent expert.

Capital Markets Rules 11.28 to 11.31 cover important aspects of the responsibilities of the directors of a company that has become the subject of a Bid and provide an understanding of the obligations of the Board of Directors of an Offeree Company in relation to the advice and views they are required to give to Offeree Shareholders as well as to the company's employees upon the announcement of a Bid.

An Offeree company that receives notice of a takeover, or the Board of that Company has reason to believe that an offer is imminent may not permit any action to be taken that may frustrate a Bid, unless their Shareholders have given approval to do so as provided for in Capital Markets Rule 11.37

Capital Markets Rules 11.32 to 11.36 provide guidance on procedures that have to be followed by the Board of Directors of an Offeree Company when calling a general meeting for the purpose of obtaining authorisation of their Shareholders prior taking any action which may result in a lasting impediment to the Offeror acquiring control of the Offeree Company.

Directors should bear in mind the provisions of Article 136A of the Companies Act prior to, during and after the bid process. This states that 'directors shall be obliged to exercise the degree of care, diligence and skill which would be exercised by a reasonably diligent person having both the knowledge, skill and experience that may reasonably be expected of a person carrying out the same functions as are

carried out by or entrusted to that director in relation to the company'. The Act further adds that a director shall:

(b) not make secret or personal profits from their position without the consent of the company, nor make personal gain from confidential company information;
(c) ensure that their personal interests do not conflict with the interests of the company;
(d) not use any property, information or opportunity of the company for their own or anyone else's benefit, nor obtain benefit in any other way in connection with the exercise of their powers, except with the consent of the company in general meeting or except as permitted by the company's memorandum or articles of association;
(e) exercise the powers they have for the purposes for which the powers were conferred and shall not misuse such powers.

May 2018

Guidance Note 5 to Chapter 11 of the Capital Markets Rules – TAKEOVER BIDS – PRE-TAKEOVER AGREEMENTS

Most Bids are of consequence to the parties involved and the disclosure that a deal is in the offing can have unexpected effects on a company's operations, be these disruptions in trading, loss of confidence by the suppliers or customer base of either party or even a negative reaction by employees. Disclosing sensitive non-public information may impact a listed company's trading and as a result its value and ultimately the disclosure could prejudice the Bid itself.

Any discussions related to a prospective Bid may require the disclosure of inside information, and as such be subject to the provisions of the Market Abuse Regulation (EU) No 596/2014 including the provisions relating to Market Soundings in Article 11 of the Regulation.

Non-Disclosure Agreements

Parties considering making a Bid under the Capital Markets Rules, more often than not, begin discussions with negotiation of a confidentiality or non-disclosure agreement (NDA). This would restrict one or more parties from disclosing the fact that discussions are taking place as well as the terms and conditions of any potential deal and information about one or both parties' businesses. The fact that information may be discussed or disclosed under the terms of a confidential agreement or any other agreement made between the parties should not in itself cause the information to cease to qualify as 'inside information'.

Memorandum of Understanding

At some stage during discussions between the potential acquirer and the (major) shareholders of a Offeree company, consideration will be given to the formulation of an agreement (or memorandum of understanding) setting out the conditions that need to be fulfilled before the Offeror commits to making an offer to all Shareholders of the Offeree Company for up to 100% of its shares.

This agreement would normally set out the terms agreed in anticpation of the Offer, agreement to the structure of the transaction, which may include the commitment of the board of directors of the Offeree Company to recommend the acquisition, representations and warranties and covenants restricting the material change in the operation of the business of the Offeree Company until the end of the Offer and the Offeree Company on such matters as the successful completion of a due diligence exercise, restrictions on the ability of the Offeree Company to solicit competing proposals and possibly agreement to a termination fee should the acquisition not be completed should a third party make a competing offer. The agreement may not under any circumstances contain clauses which imply that a transfer of shares has been agreed to or has taken place, nor may it not contain details of the proposed Bid, including details of any consideration that may be offered.

A condition for an Offer to be considered 'unconditional' may include that a level of acceptances is received for the Bid to be considered 'unconditional', implying that should this condition not be fulfilled the Offeror may consider the Offer as lapsed and return to shareholders any shares which may have been tendered in acceptance of the offer. The offer would be declared "unconditional" only after all the conditions have been met.

Equal Treatment of Shareholders

The provisions of Article 3 (General Principles) of Directive 2004/25/EC on Takeover Bids make it clear that all shareholders of an Offeree Company must be afforded equal treatment and that as a rule information disclosed to any single or group of shareholders must be made available to all shareholders. Particular attention is drawn to the first three Principles of Article 3 which relate to all the holders of Securities in Offeree Companies, and as such, include those who are not signatories to any pre-takeover agreement that may be signed between the Major Shareholders of an Offeree company and a Prospective Offeror.

The parties to a Bid are reminded of the provisions of Capital Markets Rule 11.25 under which the MFSA may requests for the filing of a copy of any confidential agreements made between the parties. Capital Markets Rule 11.25 reads 'The MFSA may request that the parties to a Bid shall provide the Authority with all the information in their possession concerning the Bid at any time on request.'

May 2018

Guidance Note 6 to Chapter 11 of the Capital Markets Rules – TAKEOVER BIDS – DEFENSIVE TACTICS AND THE BREAK THROUGH RULES

A Bid could be termed as 'friendly' when following discussions two interested parties' agree that the potential of their two combined businesses offers both the potential for greater synergies and as efficiencies and consequently greater growth and ultimately profits. The result of such discussions normally results in the potential Offeror and the major shareholders of the Offeree Company formulating a form of memorandum of understanding, on what conditions need to be further discussed between both parties before the Offeror can make a firm offer for the securities of the Offeree Company.

A Bid is considered 'hostile, the other hand, when an offer is rejected by the Offeree Company's board and where the Offeror continues to pursue it. In a hostile Bid an Offeror could make the offer directly to the Offeree Company's shareholders after having announced its firm intention to make an offer.

Non Frustration Rule

The Takeover Directive 2004/25/EC, in Article 9(3), provides that it is the general meeting of a Company that shall 'approve and confirm' any decisions which do not form part of the normal course of a company's business and the implementation of which may result in the frustration of a Bid. Capital Markets Rule 11.37 entitled '*Defensive tactics*' transcribes the provisions of the Directive Article 9(3).

Defensive tactics may take many different forms and may, for example, include the Board entering into a material transaction which is not part of the Offeree Company's normal course of business, effect a transaction which may materially affect the financial position of the company, as for example through a buy-back of shares or the undertaking of any action which is designed to influence the holding of a future shareholder. Such actions may of course be agreed with the Offeror as part of the Bid conditions.

Capital Markets Rule 11.37 does not rule out the board of directors of a Offeree Company taking action which may result in an offer being frustrated if the action is approved by an ordinary resolution of the Offeree Company; if the action was taken or permitted under a contractual obligation entered into before the Offeree Company became aware that the offer was imminent; or if the action is taken or permitted for reasons unrelated to the offer with the approval of the MFSA. This would possibly include pre-emptive action which directors may take in the absence of an Offer but which is all the same designed to protect against a possible future change of control ('poison-pill').

Article 9(3) makes it clear that decisions on the control and ownership of a company should be the preserve of the shareholders. Accordingly, directors of an Offeree Company should proceed with caution when considering action that has the potential to frustrate an offer and obtain independent legal and financial advice on such actions.

Breakthrough

Article 11 of Directive 2004/25/EC sets out the provisions relating to 'Breakthrough', provisions which apply to any Bid which has been made public. The provisions of Article 11 are transcribed in Capital Markets Rules 11.50 -11.56 headed *'Opting in and Opting Out'.* Holders of Securities of in an Offeree Company may, at a General Meeting following the announcement of a Bid, choose to either apply the restrictions on transfers of Securities provided for in Capital Markets Rules 11.51 – 11.54 (*opting-in resolution)* or to opt out of these *(opting–out resolution).* Additionally, Capital Markets Rules 11.55 and 11.56, and their possible effect on Securities holders voting rights, need to be taken into consideration when considering any decisions that need to be taken in this regard at a General Meeting.

12.17 In this section 'record date' means the day falling thirty (30) days immediately preceding the date set for the general meeting to which it relates.

12.18 A person shall be entitled to receive notice of, participate in and vote at a general meeting if such person is entered as a shareholder on the register of Shareholders on the record date and any change to an entry on the said register after the record date shall be disregarded in determining the right of any person to attend and vote at the meeting.

12.19 Any provision of the Articles of Association of the Issuer is void in so far as it would have the effect of:

12.19.1 imposing a restriction on a right of a Shareholder to participate in and vote at a general meeting of the Issuer unless his Shares are deposited with, or transferred to, or registered in the name of, another person before the meeting; or

12.19.2 imposing a restriction on the right of a Shareholder to sell or otherwise transfer Shares in the Issuer at any time between the record date and the general meeting to which it applies if the right to sell would not otherwise be subject to a restriction.

12.20 Proof of qualification as a Shareholder may be required by an Issuer subject only to such requirements as are necessary to ensure the identification of Shareholders and only to the extent that they are proportionate to the achievement of that objective.

Participation in the general meeting by electronic means

12.21 Issuers may allow their Shareholders to participate in the general meeting by Electronic Means, including any or all of the following forms of participation:

12.23 The Shareholders shall be informed of any requirements or restrictions which an Issuer puts in place pursuant to Capital Markets Rule 12.22.

12.23A Where votes by Shareholders are cast electronically, an electronic confirmation of receipt of the votes shall be sent to the person that casts the vote.

12.23B Issuers shall ensure that after the general meeting the Shareholder or a third party nominated by the shareholder can obtain, at least upon request, confirmation that their votes have been validly recorded and counted by the company, unless that information is already available to them.

12.23C The format of the electronic confirmation of receipt of the votes shall comply with the Commission Delegated Regulation (EU) 2018/1212 of 3 September 2018 laying down minimum requirements implementing the provisions of Directive 2007/36/EC of the European Parliament and of the Council as regards shareholder identification, the transmission of information and the facilitation of the exercise of shareholders rights.

Right to ask questions

12.24 Every Shareholder shall have the right to ask questions which are pertinent and related to items on the agenda of a general meeting and to have such questions answered by the Directors or such person as the directors may delegate for that purpose subject to any reasonable measures that the Issuer may take to ensure the identification of the Shareholder. The said right shall also be enjoyed by a proxy holder appointed by the Shareholder.

12.25 The Issuer may provide one overall answer to questions having the same content.

12.26 An answer to a question asked pursuant to Capital Markets Rule 12.24 is not required where:

12.26.1 to give an answer would interfere unduly with the preparation for the meeting, involve the disclosure of confidential information or cause prejudice to the business interests of the Issuer;

12.26.2 the answer has already been given on the Issuer's website in the form of an answer to a question;

12.26.3 it is not in the interests of good order of the meeting that the question be answered; or

12.26.4 the Issuer is unable to provide an immediate reply, provided that such reply is subsequently posted on the website of the Issuer.

Right to vote on the remuneration policy

12.26A Issuers shall establish a remuneration policy as regards directors. Furthermore, issuers shall grant the right to shareholders to vote on the remuneration policy at the general meeting, which vote shall be binding.

12.26C The remuneration policy shall explain how the pay and employment conditions of employees of the company were taken into account when establishing the remuneration policy.

12.26D Where an Issuer awards variable remuneration, the remuneration policy shall set clear, comprehensive and varied criteria for the award of the variable remuneration. It shall indicate the financial and non- financial performance criteria, including, where appropriate, criteria relating to corporate social responsibility, and explain how they contribute to the objectives set out in the first subparagraph, and the methods to be applied to determine to which extent the performance criteria have been fulfilled. It shall specify information on any deferral periods and on the possibility for the Issuer to reclaim variable remuneration.

12.26E Where the Issuer awards share-based remuneration, the policy shall specify vesting periods and where applicable retention of shares after vesting and explain how the share based remuneration contributes to the objectives set out in the first subparagraph.

12.26F The remuneration policy shall indicate the duration of the contracts or arrangements with directors and the applicable notice periods, the main characteristics of supplementary pension or early retirement schemes and the terms of the termination and payments linked to termination.

12.26G The remuneration policy shall explain the decision-making process followed for its determination, review and implementation, including, measures to avoid or manage conflicts of interests and, where applicable, the role of the remuneration committee or other committees concerned. Where the policy is revised, it shall describe and explain all significant changes and how it takes into account the votes and views of shareholders on the policy and reports since the most recent vote on the remuneration policy by the general meeting of shareholders.

12.26H Issuers shall pay remuneration to their directors only in accordance with a remuneration policy that has been approved by the general meeting.

Provided that, where no remuneration policy has been approved and the general meeting does not approve the proposed policy, Issuers may continue to pay remuneration to its directors in accordance with its existing practices, and shall submit a revised policy for approval at the following general meeting.

Provided further that where an approved remuneration policy exists and the general meeting does not approve the proposed new policy, the Issuer shall continue to pay remuneration to its directors in accordance with the existing approved policy and shall submit a revised policy for approval at the following general meeting.

12.26I Issuers shall submit the remuneration policy to a vote by the general meeting at every material change and in any case at least every four years.

12.26J Issuers shall ensure that after the vote on the remuneration policy at the general meeting the remuneration policy together with the date and the results of the vote is made public without delay on the Issuer's website and remains publicly available, free of charge, at least as long as it is applicable.

Information to be provided in the remuneration report

12.26K Issuers shall draw up a clear and understandable remuneration report. The contents of the remuneration report shall be in line with the requirements listed in Appendix 12.1 to this Chapter.

12.26L The annual general meeting shall have the right to hold an advisory vote on the remuneration report of the most recent financial year. The Issuer shall explain in the following remuneration report how the vote by the general meeting has been taken into account.

Provided that, in the case of small and medium-sized companies as defined, respectively, in Article 3(2) and (3) of Directive 2013/34/EU, Issuers shall provide, as an alternative to a vote, for the remuneration report of the most recent financial year to be submitted for discussion in the annual general meeting as a separate item of the agenda. The Issuer shall explain in the following remuneration report how the discussion in the general meeting has been taken into account.

12.26M Issuers shall, after the general meeting, make the remuneration report publicly available on their website, free of charge, for a period of 10 years, and may choose to keep it available for a longer period provided it no longer contains the personal data of directors.

12.26N The auditor shall check that the information that needs to be provided in the remuneration report, as required in terms of Chapter 12 of the Capital Markets Rules including Appendix 12.1, has been included.

12.26O Directors, acting within their field of competence as may be assigned to them by law, shall be collectively responsible for ensuring that the remuneration report is drawn up and published in accordance with the requirements of the Capital Markets Rules.

12.26P The Issuer and its directors shall equally be held liable for any breach of duties prescribed by Capital Markets Rules 12.26M and 12.26O.

Proxy voting

12.27 Without prejudice to Capital Markets Rule 12.28, every person entered into the register of members kept by the Issuer shall be entitled to appoint one person to act as proxy holder to attend and vote at a general meeting instead of him. The proxy holder shall enjoy the same rights to speak and ask questions in the general meeting as those to which the member thus represented would be entitled.

12.28 Where a person whose details are entered into the register of members is holding the shares for and on behalf of third parties, such member is entitled to grant a proxy to each of his clients or to any third party designated by a client. The said member shall be entitled to cast votes attaching to some of the Shares differently from the others. Accordingly proxy forms shall be designed by Issuers to allow such split voting.

12.29 A proxy holder shall, prior to a general meeting disclose to the Shareholder who appointed him any facts of which he is aware and which may be relevant for that Shareholder in assessing any risk that the proxy holder might pursue any interest other than the interest of such Shareholder.

12.30 Without prejudice to the generality of Capital Markets Rule 12.29, the facts that a proxy holder is required to disclose include:

12.30.1 whether he is a controlling Shareholder of the Issuer, or is another entity controlled by such Shareholder;

12.30.2 whether he is a Director of the Issuer, or of a controlling Shareholder or controlled entity referred to in Capital Markets Rule 12.30.1;

12.30.3 whether he is an employee or an auditor of the Issuer, or of a controlling Shareholder or controlled entity referred to in Capital Markets Rule 12.30.1; and

12.31 A proxy holder appointed in terms of Capital Markets Rule 12.27 shall not transfer his proxy to another person. Where, however, the proxy holder is a legal person, it may exercise the powers conferred upon it through a duly appointed corporate representative.

12.32 A proxy holder shall vote in accordance with any instructions given by the appointing Shareholder, keep a record of such instructions for at least five years and, confirm, upon a request of the appointing Shareholder, that the voting instructions have been complied with. Unless otherwise provided in the memorandum and articles of association of an Issuer or the terms of issue of shares:

12.32.1 on a show of hands a shareholder present in person or by proxy shall have one vote independently of the number of shares held or represented;

12.32.2 on a poll a shareholder present in person shall have one vote for every share of which he is the holder; and

12.32.3 on a poll a proxy shall have one vote for each share for which he holds a valid proxy form.

12.33 Any person acting as a proxy holder may hold a Proxy from more than one Shareholder without limitation as to the number of Shareholders so represented. Where a proxy holder holds Proxies from several Shareholders, he may cast votes for a certain Shareholder differently from votes cast for another Shareholder.

In the case of voting by a show of hands, a proxy who has been mandated by several shareholders and instructed to vote by some shareholders in favour of a resolution and by others against the same resolution, shall have one vote for and one vote against the resolution.

Formalities for the appointment of proxy holders and notification

12.34 A Proxy shall be appointed by written notification to an Issuer or by Electronic Means.

12.35 A Shareholder shall be entitled to:

12.35.1 appoint a Proxy by Electronic Means, to an address specified by the Issuer,

12.35.2 have the electronic notification of such appointment accepted by the Issuer; and

12.35.3 have at least one effective method of notification of a Proxy by Electronic Means offered to it by an Issuer.

12.36 Capital Markets Rules 12.34 and 12.35 shall apply *mutatis mutandis* to the revocation of the appointment of a Proxy.

12.37 The provisions of the articles of association of an Issuer relating to the appointment of a Proxy and the notification of such appointment to an Issuer may only contain such formal requirements as are necessary to ensure the identification of a Shareholder, or the Proxy. Likewise, any provision of the articles of association of an Issuer dealing with the issuing of voting instructions to a Proxy may contain only such formal requirements as are necessary to ensure the possibility of verifying the content of such voting instructions. In both cases, the said formal requirements shall be proportionate to the achievement of those objectives.

Voting by correspondence

12.38 An Issuer's articles of association may provide that on a vote on a resolution on a poll taken at a meeting, the votes may include votes cast in advance. Any such provision may be made subject only to such requirements and restrictions as are:

12.38.1 necessary to ensure the identification of the person voting; and

12.38.2 proportionate to the achievement of that objective.

12.39 Nothing in this section affects the power of an Issuer to require reasonable evidence of the entitlement of any person who is not a Shareholder to vote.

Voting results

12.40 Where a poll is taken at a general meeting of an Issuer and a request is made by a Shareholder for a full account of the poll, the Issuer shall publish the following information on its website by not later than fifteen (15) days after the day of the general meeting at which the voting result was obtained:

12.40.2 the text of the resolution or, as the case may be, a description of the subject matter of the poll;

12.40.3 the number of shares for which votes have been validly cast;

12.40.4 the proportion of the Issuer's issued share capital at close of business on the day before the meeting represented by those votes;

12.40.5 the total number of votes validly cast; and

12.40.6 the number of votes cast in favour of and against each resolution and, if counted, the number of abstentions.

12.41 Where no Shareholder requests a full account of the voting at a general meeting, it shall be sufficient for the Issuer to establish the voting results only to the extent necessary to ensure that the required majority is reached for each resolution.

12.42 Where voting on a particular item or resolution is conducted by a show of hands rather than by a poll, it shall not be necessary in the case where a Shareholder requests a full account of the voting at a general meeting for the Issuer to publish the information required under Capital Markets Rules 12.40.3 to 12.40.6 (both included) and it shall be sufficient for the chairman of the meeting to publish a statement indicating:

12.42.1 the total number of Shareholders entitled to vote present at the meeting;

12.42.2 that upon a show of hands at the meeting it appeared that the resolution had either been carried or rejected.
