2. RISK FACTORS

THE VALUE OF INVESTMENTS CAN GO UP OR DOWN AND PAST PERFORMANCE IS NOT NECESSARILY INDICATIVE OF FUTURE PERFORMANCE.

AN INVESTMENT IN THE BONDS INVOLVES CERTAIN RISKS INCLUDING THOSE DESCRIBED BELOW. PROSPECTIVE INVESTORS SHOULD CAREFULLY CONSIDER WITH THEIR OWN FINANCIAL AND OTHER PROFESSIONAL ADVISERS, THE FOLLOWING RISK FACTORS AND OTHER INVESTMENT CONSIDERATIONS AS WELL AS ALL THE OTHER INFORMATION CONTAINED IN THE PROSPECTUS, BEFORE MAKING ANY INVESTMENT DECISION WITH RESPECT TO THE BONDS. SOME OF THESE RISKS ARE SUBJECT TO CONTINGENCIES WHICH MAY OR MAY NOT OCCUR AND THE ISSUER IS NOT IN A POSITION TO EXPRESS A VIEW ON THE LIKELIHOOD OF ANY SUCH CONTINGENCIES OCCURRING.

THE RISK FACTOR FIRST APPEARING BELOW CONSTITUTES THAT RISK FACTOR WHICH THE DIRECTORS HAVE ASSESSED TO BE THE MOST MATERIAL RISK FACTOR, AS AT THE DATE OF THIS SECURITIES NOTE. IN MAKING THIS ASSESSMENT OF MATERIALITY, THE DIRECTORS HAVE EVALUATED THE COMBINATION OF: (I) THE PROBABILITY THAT THE RISK FACTOR OCCURS; AND (II) THE EXPECTED MAGNITUDE OF THE ADVERSE EFFECT ON THE FINANCIAL CONDITION AND PERFORMANCE OF THE ISSUER, IF THE RISK FACTOR WERE TO MATERIALISE.

THE PROSPECTUS, THE DOCUMENTATION INCORPORATED BY REFERENCE HEREIN AND, OR ANY OTHER INFORMATION SUPPLIED IN CONNECTION WITH BONDS ISSUED BY THE ISSUER:

- (I) IS NOT INTENDED TO PROVIDE THE BASIS FOR ANY CREDIT OR OTHER EVALUATION;
- (II) IS NOT AND SHOULD NOT BE CONSIDERED AS A RECOMMENDATION BY THE ISSUER, THE DIRECTORS, ANY OF THE ADVISERS LISTED IN SECTION 4.1 OF THE REGISTRATION DOCUMENT, OR ANY OF THE AUTHORISED FINANCIAL INTERMEDIARIES, THE DOCUMENTATION INCORPORATED BY REFERENCE HEREIN, OR ANY OTHER INFORMATION SUPPLIED IN CONNECTION THEREWITH, THAT ANY RECIPIENT OF THE PROSPECTUS SHOULD PURCHASE THE BONDS ISSUED BY THE ISSUER (AND THEREFORE PROSPECTIVE INVESTORS SHOULD MAKE THEIR OWN INDEPENDENT EVALUATION OF ALL RISK FACTORS, AND SHOULD CONSIDER ALL OTHER SECTIONS IN THIS SECURITIES NOTE); AND
- (III) CONTAIN STATEMENTS THAT ARE, OR MAY BE DEEMED TO BE, "FORWARD-LOOKING STATEMENTS".

2.1. FORWARD-LOOKING STATEMENTS

This Securities Note contains statements that are, or may be deemed to be, "forward-looking statements". Forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "forecasts", "projects", "anticipates", "expects", "envisages", "intends", "may", "will", or "should" or, in each case, their negative or other variations or comparable terminology. These forward-looking statements relate to matters that are not historical facts. They appear in a number of places within the Prospectus and include statements regarding the intentions, beliefs or current expectations of the Issuer and, or the Directors concerning, amongst other things, the Issuer's strategy and business plans, financial condition and performance, results of operations, liquidity, prospects, investments, and the markets in which it operates.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may, or may not occur, in the future. Forward-looking statements are not guarantees of future performance and should therefore not be construed as such. The Issuer's and, or the Group's actual operational results, financial condition and performance, and trading prospects may differ materially from the impression created by the forward-looking statements contained in the Prospectus. In addition, even if the operational results, financial condition and performance, and trading prospects of the Issuer and, or the Group are consistent with the forward-looking statements contained in the Prospectus, those results or developments may not be indicative of results or developments in subsequent periods. Important factors that may cause these differences include, but are not limited to, those factors identified under this section 2 of this Securities Note and elsewhere in the Prospectus.

All forward-looking statements contained in this Securities Note are made only as at the date hereof. Subject to applicable legal and regulatory obligations, the Issuer and its Directors expressly disclaim any obligations to update or revise any forward-looking statement contained herein to reflect any change in expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.

2.2. RISKS SPECIFIC TO THE BONDS

2.2.1. Orderly and liquid market

The existence of an orderly and liquid market for the Bonds depends on a number of factors, including the presence of willing buyers and sellers of the Bonds at any given time and the general economic conditions in the market in which the Bonds are

traded. Such factors are dependent upon the individual decisions of investors and the general economic conditions of the market, over which the Issuer has no control.

Accordingly, there can be no assurance that an active secondary market for the Bonds will develop, or, if it develops, that it will continue. Moreover, there can be no assurance that Bondholders will be able to sell the Bonds at or above the Bond Issue Price or at all.

2.2.2. Future public offers

No prediction can be made about the effect which any future public offerings of the Issuer's securities (including but not limited to the effects arising out of a change in the cash flow requirements of the Issuer or other commitments of the Issuer *vis-à-vis* the new security holders), or any takeover or merger activity involving the Issuer (including but not limited to a delisting, in full or in part, of the Bonds), will have on the market price of the Bonds prevailing from time to time.

2.2.3. Ranking of the Bonds

The Bonds constitute the general, direct, unconditional and unsecured obligations of the Issuer and shall at all times rank *pari passu*, without any priority or preference among themselves, and, save for such exceptions as may be provided by applicable law, without priority or preference to all present and future unsecured obligations of the Issuer. This means that any secured or privileged debts of the Issuer shall rank at all times ahead of the obligations of the Issuer under the Bonds, as a result of which the Bondholders may not be able to recover their investment in the Bonds in the case of insolvency or an equivalent situation, whether in full or in part. Furthermore, third-party security interests may be registered which will rank in priority to the Bonds against the assets of the Issuer, as the case may be, for so long as such security interests remain in effect.

2.2.4. Subsequent changes in interest rate and the potential impact of inflation

The Bonds are fixed rate debt securities. Investment in the Bonds involves the risk that subsequent changes in market interest rates may adversely affect the market value of the Bonds. Investors should be aware that because of the way yield is typically calculated by market participants, the price of fixed income securities (such as the Bonds) tends to move in a way that is inversely proportional to changes in interest rates. Accordingly, when prevailing market interest rates are rising, the prices that market participants will generally be willing to pay for the Bonds can be expected to decline. Conversely, if market interest rates are declining, secondary market prices for the Bonds can generally be expected to rise. Moreover, fixed rate debt securities with a longer period to maturity will tend to reflect a greater degree of secondary market price volatility relative to movements in market interest rates when compared to fixed rate debt securities with a shorter lifespan.

The coupon payable on the Bonds is a nominal interest rate. The real interest rate is computed by subtracting inflation from the nominal interest rate, the result of which indicates the real return on the Bond coupons. In a period of high inflation, an investor's real return on the Bonds will be lower than the Bonds' nominal interest rate and thus undermine an investor's expected return. Furthermore, an increase in inflation may result in a decrease in the traded price of the Bonds on the secondary market.

2.2.5. Amendments to the Terms and Conditions

The Terms and Conditions contain provisions for calling meetings of Bondholders to consider matters affecting their interests generally. In the event that the Issuer wishes to amend any of the Terms and Conditions it shall call a meeting of Bondholders in accordance with the provisions of section 5.4 of this Securities Note. These provisions permit defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant meeting and Bondholders who voted in a manner contrary to the majority.

THE FOREGOING RISK FACTORS ARE NOT EXHAUSTIVE AND DO NOT PURPORT TO BE A COMPLETE LIST OF ALL OF THE RISKS AND CONSIDERATIONS INVOLVED IN INVESTING IN THE BONDS. IN PARTICULAR, THE ISSUER'S PERFORMANCE MAY BE AFFECTED BY CHANGES IN MARKET OR ECONOMIC CONDITIONS AS WELL AS LEGAL, REGULATORY AND TAX REQUIREMENTS APPLICABLE TO THE ISSUER AND, OR THE BONDS.

3. PERSONS RESPONSIBLE, CONSENT FOR USE OF PROSPECTUS AND STATEMENT OF APPROVAL

3.1. PERSONS RESPONSIBLE

The Directors are the persons responsible for the information contained in this Securities Note. To the best of the knowledge and belief of the Directors (who have all taken reasonable care to ensure such is the case), the information contained in this Securities Note is in accordance with the facts and does not omit anything likely to affect the import of such information. The Directors accept responsibility accordingly.

3.2. CONSENT FOR USE OF PROSPECTUS

For the purposes of any subscription for the Bonds through any of the Authorised Financial Intermediaries in terms of this Securities Note, and any subsequent resale, placement or other offering of Bonds by such Authorised Financial Intermediaries in circumstances where there is no exemption from the requirement to publish a prospectus under the Prospectus Regulation, the Issuer consents to the use of the Prospectus (and accepts responsibility for the information contained therein) with respect to any such subsequent resale, placement or other offering of Bonds, provided this is limited only:

- (i) in respect of the Bonds subscribed for through the Authorised Financial Intermediaries;
- (ii) to any resale or placement of the Bonds subscribed as aforesaid, taking place in Malta; and, or
- (iii) to any resale or placement of the Bonds taking place within the period of 60 days from the date of the Prospectus.

There are no other conditions attached to the consent given by the Issuer hereby which are relevant for the use of the Prospectus.

None of the Issuer, the Sponsor, the Manager and Registrar or any of their respective advisers take any responsibility for any of the actions of any Authorised Financial Intermediary, including their compliance with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to a resale or placement of the Bonds.

Other than as set out above, neither the Issuer nor its advisers have authorised (nor do they authorise or consent to the use of the Prospectus in connection with) the making of any public offer of the Bonds by any person in any circumstances. Any such unauthorised offers are not made on behalf of the Issuer or the advisers and neither the Issuer nor the advisers have any responsibility or liability for the actions of any person making such offers.

Investors should enquire whether an intermediary is considered to be an Authorised Financial Intermediary in terms of the Prospectus. If the investor is in doubt as to whether it can rely on the Prospectus and, or who is responsible for its contents, it should obtain legal advice. No person has been authorised to give any information or to make any representation not contained in or inconsistent with the Prospectus. If given or made, it must not be relied upon as having been authorised by the Issuer or its advisers. The Issuer does not accept responsibility for any information not contained in the Prospectus.

In the event of a resale, placement or other offering of the Bonds by an Authorised Financial Intermediary, the Authorised Financial Intermediary shall be responsible to provide information to investors on the terms and conditions of the resale, placement or other offering at the time such is made.

Any resale, placement or other offering of the Bonds to an investor by an Authorised Financial Intermediary will be made in accordance with any terms and other arrangements in place between such Authorised Financial Intermediary and such investor including as to price, allocations and settlement arrangements. Where such information is not contained in the Prospectus, it will be the responsibility of the relevant Authorised Financial Intermediary at the time of such resale, placement or other offering to provide the investor with such information and neither the Issuer nor its advisers shall have any responsibility or liability for such information.

Any Authorised Financial Intermediary using the Prospectus in connection with a resale, placement or other offering of the Bonds subsequent to the Bond Issue shall, limitedly for the period of 60 days from the date of the Prospectus, publish on its website a notice to the effect that it is using the Prospectus for such resale, placement or other offering in accordance with the consent of the Issuer and the conditions attached thereto. The consent provided herein shall no longer apply following the lapse of such period.

Any new information with respect to financial intermediaries unknown at the time of approval of this Securities Note will be made available by the Issuer through a company announcement which will be made available on the Issuer's website: <http://www.mfplc.com/mt/>

3.3. STATEMENT OF APPROVAL

This Securities Note has been approved by the MFSA as the competent authority in Malta for the purposes of the Prospectus Regulation. The MFSA has only approved this Securities Note as meeting the standards of completeness, comprehensibility and

consistency imposed by the Prospectus Regulation and such approval should not be considered as an endorsement of the Issuer or the quality of the Bonds. Investors should make their own assessment as to the suitability of investing in the Bonds.

4. ESSENTIAL INFORMATION ON THE BOND ISSUE

4.1. REASONS FOR THE ISSUE AND USE OF PROCEEDS

The proceeds from the Bond Issue, which net of Bond Issue expenses are expected to amount to approximately €43,120,000, will be utilised by the Issuer for the following purposes:

- (a) an amount of up to €35,525,000 in the form of Exchangeable Bonds surrendered by Existing Bondholders in favour of the Issuer by virtue of an Exchangeable Bond Transfer resulting in the purchase of Exchangeable Bonds from said Existing Bondholders by the Issuer, for cancellation (as at the date of the Prospectus the total value of Exchangeable Bonds in issue stands at €35,000,000, with an additional amount of *circa* €525,000 attributable to the payment of Cash Settlements arising from the aforementioned Exchangeable Bond Transfer); and
- (b) an amount of *circa* €7,595,000 shall be applied towards general corporate funding purposes. Such proceeds may be used, in part, to finance capital expenditure of the Issuer or any of its Subsidiaries.

In the event that the Bond Issue is fully subscribed and less than €35,000,000 in the form of Exchangeable Bonds are purchased by the Issuer by way of Exchangeable Bond Transfer in terms of paragraph 4.1 (a) above, the amount of €35,525,000 indicated in paragraph (a) above may consist of a combination of: (i) Exchangeable Bonds surrendered as set out in paragraph (a) above; (ii) proceeds from subscription for Bonds by Existing Bondholders in respect of any Excess applied for (provided that such Existing Bondholders have transferred their entire holding in Exchangeable Bonds by Exchangeable Bond Transfer); and (iii) proceeds from the subscription for Bonds by the general public. The proceeds referred to in (ii) and (iii) shall be utilised, in part, for the purposes of effecting the payment of Cash Settlements arising from the Exchangeable Bond Transfer, and any balance of proceeds shall be reserved by the Issuer for the eventual redemption of any residual balance of Exchangeable Bonds not surrendered by Existing Bondholders in favour of the Issuer by virtue of the Exchangeable Bond Transfer, on their corresponding redemption date, being the 3 July, 2024 (the "**Reserve**"). The balance of proceeds shall be applied by the Issuer towards the use identified in paragraph 4.1. (b) above.

In the event that the Bond Issue is not fully subscribed and less than €35,000,000 in the form of Exchangeable Bonds are purchased by the Issuer by way of the Exchangeable Bond Transfer in terms of paragraph 4.1, (a) above, the Issuer will proceed with the listing of the amount of Bonds subscribed for. The amount of €35,525,000 indicated in paragraph (a) above may consist of a combination of: (i) Exchangeable Bonds surrendered as set out in paragraph (a) above; (ii) proceeds from subscription for Bonds by Existing Bondholders in respect of any Excess applied for (provided that such Existing Bondholders have transferred their entire holding in Exchangeable Bonds by Exchangeable Bond Transfer); and (iii) proceeds from the subscription for Bonds by the general public. The proceeds from the Bond Issue shall be applied as follows, in the following order of priority: (i) the payment of the Cash Settlements arising from the Exchangeable Bond Transfer and the creation of the Reserve; and (ii) any balance of proceeds shall be applied by the Issuer towards the use identified in paragraph 4.1. (b) above.

In the event that the Bond Issue is not fully subscribed, however the full €35,000,000 in the form of Exchangeable Bonds are purchased by the Issuer by way of Exchangeable Bond Transfer in terms of paragraph (a) above, the Issuer will proceed with the listing of the amount of Bonds subscribed for, and the proceeds from the Bond Issue shall be applied as follows, in the following order of priority: (i) the payment of Cash Settlements arising from the Exchangeable Bond Transfer (in accordance with paragraph 4.1. (a) above); and (ii) the use identified in paragraph 4.1. (b) above.

4.2. EXPENSES

Professional fees, and costs related to publicity, advertising, printing, listing, registration, sponsor, management, registrar fees, selling commission, and other miscellaneous expenses in connection with this Bond Issue are estimated not to exceed €880,000 in the aggregate. There is no particular order of priority with respect to such expenses. The expenses pertaining to the Bond Issue shall be borne exclusively by the Issuer.

4.3. INTEREST OF NATURAL AND LEGAL PERSONS INVOLVED IN THE BOND ISSUE

Save for the subscription for Bonds by Authorised Financial Intermediaries, and any fees payable in connection with the Bond Issue to M. Z. Investment Services Ltd as Sponsor and Bank of Valletta p.l.c. as Manager and Registrar, in so far as the Issuer is aware, no person involved in the Bond Issue has an interest, conflicting or otherwise, which is material to the Bond Issue.

There will be entered in such electronic register, the names, addresses, identification numbers (in the case of natural persons), registration numbers (in the case of legal persons) and MSE account numbers of the Bondholders together with particulars of the Bonds held by them. A copy of the Bondholder's entry in the CSD's electronic register will, at all reasonable times during business hours, be available for inspection by the Bondholders at the registered office of the Issuer. Title to the Bonds shall be evidenced by an entry in the electronic register of Bonds maintained by the CSD. The CSD will issue, upon a request by a Bondholder, a statement of holdings evidencing his or her entitlement to the Bonds held in the electronic register at the CSD.

Any person in whose name a Bond is registered may (to the fullest extent permitted by applicable law) be deemed and treated at all times, by all persons and for all purposes (including the making of any payments), as the absolute owner of such Bond. Title to the Bonds may be transferred as provided below under the heading entitled "Transferability of the Bonds" in section 5.6 of this Securities Note.

5.3. RIGHTS ATTACHING TO THE BONDS

A Bondholder shall have such rights as are, pursuant to this Securities Note, attached to the Bonds, including:

- (a) the repayment of capital;
- (b) the payment of interest;
- (c) ranking with respect to other indebtedness of the Issuer in accordance with the provisions of section 5.5 below;
- (d) the right to attend, participate in and vote at meetings of Bondholders in accordance with the Terms and Conditions; and
- (e) the enjoyment of all such other rights attached to the Bonds emanating from the Prospectus.

5.4. MEETINGS OF BONDHOLDERS

The Issuer may, from time to time, call meetings of Bondholders for the purpose of consulting with Bondholders or for the purpose of obtaining the consent thereof on matters which in terms of the Prospectus require the approval of a Bondholders' meeting.

A meeting of Bondholders shall be called by the Directors by giving all Bondholders listed on the register of Bondholders as at a date being not more than 30 days preceding the date scheduled for the meeting, not less than 14 days' notice in writing. Said notice may be given by electronic mail, by post or by courier, at the discretion of the Issuer.

Such notice shall set out the time, place and date set for the meeting and the matters to be discussed or decided thereat. Following a meeting of Bondholders held in accordance with the provisions contained herein, the Issuer shall, acting in accordance with the resolution(s) taken at the meeting, communicate to the Bondholders whether the necessary consent to the proposal made by the Issuer has been granted or withheld. Subject to having obtained the necessary approval by the Bondholders in accordance with the provisions of this section 5.4, at a meeting called for that purpose as aforesaid, any such decision shall subsequently be given effect to by the Issuer.

Each Bond shall entitle the holder thereof to one vote. A meeting of Bondholders shall only validly and properly proceed to business if there is a quorum present at the commencement of the meeting. For this purpose at least two Bondholders present, in person or by proxy, representing not less than 50% in nominal value of the Bonds then in issue, shall constitute a quorum. If a quorum is not present within 30 minutes from the time scheduled for the commencement of the meeting as indicated on the notice convening same, the meeting shall stand adjourned to a place, date and time as shall be communicated by the Directors to the Bondholders present at that meeting. The Issuer shall within two days from the date of the original meeting publish by way of a company announcement the date, time and place where the adjourned meeting is to be held. An adjourned meeting shall be held not earlier than seven days, and not later than 15 days, following the original meeting. At an adjourned meeting the number of Bondholders present, in person or by proxy, shall constitute a quorum and only the matters specified in the notice calling the original meeting shall be placed on the agenda of, and shall be discussed at, the adjourned meeting.

Any person who in accordance with the Memorandum and Articles of Association is to chair the annual general meetings of shareholders shall also chair meetings of Bondholders.

Once a quorum is declared present by the chairman of the meeting, the meeting may then proceed to business and address the matters set out in the notice convening the meeting. In the event of decisions being required at the meeting the directors or their representative shall present to the Bondholders the reasons why it is deemed necessary or desirable and appropriate that a particular decision is taken. The meeting shall allow reasonable and adequate time to Bondholders to present their views to the Issuer and the other Bondholders present at the meeting. The meeting shall then put the matter as proposed by the Issuer to a vote of the Bondholders present at the time at which the vote is being taken, and any Bondholders taken into account for the purpose of constituting a quorum who are no longer present for the taking of the vote shall not be taken into account for the purpose of such vote. The voting process shall be managed by the company secretary of the Issuer.

The proposal placed before a meeting of Bondholders shall only be considered approved if at least 75% in nominal value of the Bondholders present at the meeting at the time when the vote is being taken, in person or by proxy, shall have voted in favour of the proposal. A matter decided at a duly convened Bondholders' meeting is binding on all Bondholders irrespective of whether they are present or not.

Save for the above, the rules generally applicable to proceedings at general meetings of shareholders of the Issuer shall *mutatis mutandis* apply to meetings of Bondholders.

The amendment or waiver of any of the Terms and Conditions may only be made with the approval of Bondholders at a meeting called and held for that purpose in accordance with the terms hereof.

5.5. RANKING OF THE BONDS

The Bonds, as and when issued and allotted, shall constitute the general, direct, unconditional and unsecured obligations of the Issuer and shall at all times rank *pari passu*, without any priority or preference among themselves, and, save for such exceptions as may be provided by applicable law, without priority or preference to all present and future unsecured obligations of the Issuer. This means that any secured or privileged debts of the Issuer shall rank at all times ahead of the obligations of the Issuer under the Bonds, as a result of which the Bondholders may not be able to recover their investment in the Bonds, whether in full or in part, in the case of insolvency or an equivalent situation. Furthermore, third-party security interests may be registered which will rank in priority to the Bonds against the assets of the Issuer, as the case may be, for so long as such security interests remain in effect.

5.6. TRANSFERABILITY OF THE BONDS

The Bonds are freely transferable and, once admitted to the Official List, shall be transferable only in whole (i.e. in multiples of €100) in accordance with the rules and regulations of the MSE applicable from time to time.

The minimum subscription amount of €2,000 applicable to subscriptions by the general public shall only apply during the Offer Period. No minimum holding requirement shall be applicable once the Bonds are admitted to listing on the Official List and commencement of trading thereafter, subject to trading in multiples of €100.

Any person becoming entitled to a Bond in consequence of the death or bankruptcy of a Bondholder may, upon such evidence being produced as may from time to time properly be required by the Issuer or the CSD, elect either to be registered himself as holder of the Bond or to have some person nominated by him, registered as the transferee thereof. If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the CSD a notice in writing signed by him stating that he so elects. If he shall elect to have another person registered he shall testify his election by transferring the Bond, or procuring the transfer of the Bond, in favour of that person.

All transfers and transmissions are subject in all cases to any pledge (duly constituted) of the Bonds and to any applicable laws and regulations.

The cost and expenses of effecting any registration of transfer or transmission, except for the expenses of delivery by any means other than regular mail (if any) and except, if the Issuer shall so require, the payment of a sum sufficient to cover any tax, duty or other governmental charge or insurance charges that may be imposed in relation thereto, will be borne by the transferee.

The Issuer will not register the transfer or transmission of Bonds for a period of 15 days preceding the due date for any payment of interest on the Bonds.

5.7. INTEREST

The Bonds shall bear interest from, and including, 16 December, 2022 at the rate of 5% per annum on the nominal value thereof, payable annually in arrears on each Interest Payment Date. The first interest payment will be effected on 16 December, 2023 (covering the period 16 December, 2022 to 15 December, 2023). Any Interest Payment Date which falls on a day other than a Business Day will be carried over to the next following day that is a Business Day.

When interest is required to be calculated for any period of less than a full year, it shall be calculated on the basis of a 360 day year consisting of 12 months of 30 days each, and in the case of an incomplete month, the number of days elapsed.

In terms of article 2156 of the Civil Code (Cap. 16 of the laws of Malta), the right of Bondholders to bring claims for payment of interest and repayment of the principal on the Bonds is barred by the lapse of five years.

5.8. YIELD

The gross yield calculated on the basis of the interest, the Bond Issue Price and the Redemption Value of the Bonds at the Redemption Date shall be 5%.

5.9. PAYMENTS

Payment of the principal amount of Bonds will be made in Euro by the Issuer to the person in whose name such Bonds are registered as at the close of business on the Redemption Date, with interest accrued up to (but excluding) the Redemption Date, by means of direct credit transfer into such bank account as the Bondholder may designate from time to time, provided such bank account is denominated in Euro. Such payment shall be effected within seven days of the Redemption Date. The Issuer shall not be responsible

for any loss or delay in transmission or any charges related thereto. Upon payment of the Redemption Value the Bonds shall be redeemed and the appropriate entry made in the electronic register of the Bonds at the CSD.

In the case of Bonds held subject to usufruct, payment will be made against the joint instructions of all bare owners and usufructuaries. Before effecting payment, the Issuer and, or the CSD shall be entitled to request any legal documents deemed necessary concerning the entitlement of the bare owner(s) and the usufructuary(ies) to payment of the Bonds.

Payment of interest on the Bonds will be made to the person in whose name such Bonds are registered at the close of business 15 days prior to the Interest Payment Date, by means of a direct credit transfer into such bank account as the Bondholder may designate, from time to time, which is denominated in Euro. Such payment shall be effected within seven days of the Interest Payment Date. The Issuer shall not be responsible for any loss or delay in transmission or any charges related thereto.

All payments with respect to the Bonds are subject in all cases to any applicable fiscal or other laws and regulations prevailing in Malta. In particular, but without limitation, all payments of principal and interest by or on behalf of the Issuer in respect of the Bonds shall be made net of any amount which the Issuer is or may become compelled by law to deduct or withhold for or on account of any present or future taxes, duties, assessments or other government charges of whatsoever nature imposed, levied, collected, withheld or assessed by or within the Republic of Malta or any authority thereof or therein having power to tax.

Except for any charges which may be imposed by the Issuer or any remitting bank or payment institution in connection with the transmission of payments or transfer of funds, no commissions or expenses shall be charged by the Issuer to Bondholders in respect of such payments.

If, due to any problem encountered by the CSD, any remitting bank and, or payment institution, the Issuer cannot make a payment or repayment, such payment or repayment may be postponed until the problem has been resolved.

5.10. REDEMPTION AND PURCHASE

Unless previously purchased and cancelled, the Bonds will be redeemed at their nominal value (together with interest accrued to the date fixed for redemption) on the Redemption Date. In such a case the Issuer shall be discharged of any and all payment obligations under the Bonds upon payment made net of any withholding or other taxes due or which may be due under Maltese law and which are payable by the Bondholders. All Bonds repurchased by the Issuer shall be cancelled forthwith and may not be reissued or re-sold.

5.11. EVENTS OF DEFAULT

The Bonds shall become immediately due and repayable at their principal amount together with accrued interest, if any, should any of the following events ("**Events of Default**") occur:

- 5.11.1. the Issuer shall fail to pay any interest on any Bond when due and such failure shall continue for 60 days after written notice thereof shall have been given to the Issuer by any Bondholder; or
- 5.11.2. the Issuer shall fail to pay the principal amount on any Bond when due and such failure shall continue for 60 days after written notice thereof shall have been given to the Issuer by any Bondholder; or
- 5.11.3. the Issuer shall fail to duly perform or shall otherwise be in breach of any other material obligation contained in the Terms and Conditions and such failure shall continue for 60 days after written notice thereof shall have been given to the Issuer by a Bondholder; or
- 5.11.4. an order is made or resolution passed or other action taken for the dissolution, termination of existence, liquidation, winding-up or bankruptcy of the Issuer; or
- 5.11.5. the Issuer stops or suspends payments (whether of principal or interest) with respect to all or any class of its respective debts or announces an intention to do so or ceases or threatens to cease to carry on its respective business or a substantial part of its respective business; or
- 5.11.6. the Issuer is unable, or admits its inability in writing, to pay its debts as they fall due or otherwise becomes insolvent; or
- 5.11.7. there shall have been entered against the Issuer a final judgment by a court of competent jurisdiction from which no appeal may be or is made for the payment of money in excess of €5,000,000 or its equivalent and 90 days shall have passed since the date of entry of such judgment without it having been satisfied or stayed.

5.12. AUTHORISATIONS AND APPROVALS

The Directors authorised the Bond Issue pursuant to a board of directors' resolution passed on 6 October, 2022.

5.13. NOTICES

Notices will be mailed to Bondholders at their registered addresses and shall be deemed to have been served at the expiration of 24 hours after the letter containing the notice is posted, and in providing such service it shall be sufficient to prove that a prepaid letter containing such notice was properly addressed to such Bondholder at his or her registered address and posted.

5.14. FURTHER ISSUES

The Issuer may, from time to time, without the consent of the Bondholders, create and issue further debentures, debenture stock, bonds, loan notes, or any other debt securities, either having the same terms and conditions as any outstanding debt securities of any series (including the Bonds) and so that such further issue shall be consolidated and form a single series with the outstanding debt securities of the relevant series (including the Bonds), or upon such terms as the Issuer may determine at the time of their issue.

6.2. CONDITIONS TO WHICH THE BOND ISSUE IS SUBJECT

The following terms and conditions shall be read in conjunction with all the other terms and conditions relative to and regulating the contractual relationship created between the Issuer and the Applicant.

- 6.2.1. The issue and allotment of the Bonds is conditional upon the Bonds being admitted to the Official List of the MSE. In the event that the aforementioned condition is not satisfied, any Application monies (including Excess) received by the Issuer will be returned without interest by direct credit into the Applicant's bank account indicated by the Applicant on the relative Application Form.
- 6.2.2. Existing Bondholders applying for Bonds may elect to settle all or part of the amount due on the Bonds applied for (whether in whole or in part consideration for the Bonds being applied for) by completing a pre-printed Application Form 'A', indicating that the consideration for the Bonds applied for shall be settled by way of transfer to the Issuer of all or part of the Exchangeable Bonds held as at the Cut-Off Date in an amount equivalent to the par value of the Bonds applied for (this being, the Exchangeable Bond Transfer). Any Existing Bondholders wishing to apply for Excess, may do so by completing the appropriate section of the Application Form 'A'. Existing Bondholders may lodge their Application Form 'A' with any Authorised Financial Intermediary by not later than 12:00 hours on 16 December, 2022 or such earlier date as may be determined by the Issuer.
- Application Form 'A' can only be used by Existing Bondholders electing to subscribe for the Bonds by way of an Exchangeable Bond Transfer and the Excess if applied for, provided that such Existing Bondholders applying for any Excess, have opted to transfer their entire holding in Exchangeable Bonds by Exchangeable Bond Transfer.
- 6.2.3. By submitting a signed pre-printed Application Form 'A' indicating that the option of the Exchangeable Bond Transfer is being selected (whether in whole or in part consideration for the Bonds being applied for), the Applicant is thereby confirming:
- that all or part (as the case may be) of the Exchangeable Bonds held by the Applicant as at the Cut-Off Date are being transferred to the Issuer, together with the payment due in respect of any Excess, if applicable;
 - that the pre-printed Application Form 'A' constitutes the Applicant's irrevocable mandate to the Issuer to: (a) cause the transfer of the said Exchangeable Bonds in the Issuer's name in consideration of the issue of Bonds; and (b) engage, at the Issuer's cost, the services of such brokers or intermediaries as may be necessary to fully and effectively vest title in the said Exchangeable Bonds in the Issuer and fully and effectively vest title in the appropriate number of Bonds in the Applicant;
 - that the obligations of the Issuer with respect to the Exchangeable Bonds being transferred to the Issuer are extinguished, replaced by obligations on the part of the Issuer under the Bonds to be issued upon acceptance

by the Issuer of the Application in question; and
 (iv) the matter specified in section 6.2.6. below.

- 6.2.4. In the event that an Existing Bondholder applying for a number of Bonds exceeding in value the aggregate nominal value of Exchangeable Bonds held by them as at the Cut-Off Date has been allocated a number of Bonds which is less than the Excess applied for, then such Existing Bondholder shall receive a refund of the price of the Bonds applied for but not allocated. Such refund shall be without interest and shall be made by credit transfer to such account indicated in the Application Form 'A', at the Existing Bondholder's sole risk by not later than 3 January, 2023. The Issuer shall not be responsible for any charges, loss or delay arising in connection with such direct credit transfer.
- 6.2.5. Other Applicants, not being Existing Bondholders, may apply for Bonds by completing Application Form 'B' which may be obtained from any Authorised Financial Intermediary during the Offer Period. In the event that an Applicant has been allocated a number of Bonds which is less than the number applied for, the Applicant shall receive the balance of the price of the Bonds applied for but not allocated, without interest, by credit transfer to such account indicated in the Application Form 'B', at the Applicant's sole risk by not later than 3 January, 2023. The Issuer shall not be responsible for any charges, loss or delay arising in connection with such direct credit transfer.
- 6.2.6. An Applicant applying for the Bonds is thereby confirming to the Issuer, the Registrar and the Authorised Financial Intermediary through whom the Application is made, as applicable, that the Applicant's remittance will be honoured on first presentation and agrees that, if such remittance is not so honoured on its first presentation, the Issuer and the Registrar reserve the right to invalidate the relative Application. Furthermore the Applicant will not be entitled to receive a registration advice or to be registered in the register of Bondholders, unless the Applicant makes payment in cleared funds and such consideration is accepted by the respective Authorised Financial Intermediary, Registrar and, or Issuer, as applicable, which acceptance shall be made in the Authorised Financial Intermediary, Registrar and, or Issuer's absolute discretion and may be on the basis that the Applicant indemnifies the Authorised Financial Intermediary, Registrar and, or Issuer against all costs, damages, losses, expenses and liabilities arising out of or in connection with the failure of the Applicant's remittance to be honoured on first presentation.
- 6.2.7. The contract created by the Issuer's acceptance of an Application filed by an applicant shall be subject to all the terms and conditions set out in this Securities Note and the Memorandum and Articles of Association of the Issuer. It is the responsibility of investors wishing to apply for the Bonds to inform themselves as to the legal requirements of so applying including any requirements relating to external transaction requirements in Malta and any exchange control in the countries of their nationality, residence or domicile.
- 6.2.8. If an Application is submitted on behalf of another person, whether legal or natural, the person submitting the Application will be deemed to have duly bound such other person on whose behalf the Application has been submitted. The person submitting such Application shall be deemed also to have given the confirmations, warranties and undertakings contained in these terms and conditions on their behalf. Such representative may be requested to submit the relative power of attorney, or resolution or a copy thereof duly certified by a lawyer or notary public if so required by the Issuer and the Registrar, but it shall not be the duty or responsibility of the Registrar or Issuer to ascertain that such representative is duly authorised to sign the Application. Furthermore, in cases where the decision to invest is taken by a third party authorised to transact on behalf of the Applicant (a "**decision maker**") such as an individual that holds a power of attorney to trade on the Applicant's account or applications under a discretionary account, details of the decision maker need to be included in the relative panel of the Application Form.
- 6.2.9. In the case of joint Applicants, reference to the Applicant in these terms and conditions is a reference to each of the joint Applicants, and liability therefor is joint and several. The person whose name shall be inserted in the field entitled "Applicant" on the Application Form, or first-named in the register of Bondholders shall, for all intents and purposes, be deemed to be such nominated person by all those joint holders whose names appear in the field entitled "Additional Applicants" in the Application Form or joint holders in the register, as the case may be. Such person shall, for all intents and purposes, be deemed to be the registered holder of the Bond(s) so held.
- 6.2.10. In the case of corporate Applicants or Applicants having separate legal personality, the Application must be signed by a person authorised to sign and bind such Applicant. It shall not be incumbent on the Issuer or Registrar to verify whether the person or persons purporting to bind such Applicant is or are in fact authorised. Applications by corporate Applicants have to include a valid legal entity identifier ("**LEI**") which must be unexpired. Applications without such information or without a valid LEI will not be accepted.
- 6.2.11. In respect of a Bond held subject to usufruct, the name of the bare owner and the usufructuary shall be entered in the register of Bondholders. The usufructuary shall, for all intents and purposes, be deemed *vis-à-vis* the Issuer to be the holder of the Bond(s) so held and shall have the right to receive interest on the Bond(s) and to vote at meetings of the Bondholders but shall not, during the continuance of the Bond(s), have the right to dispose of the Bond(s) so held without the consent of the bare owner, and shall not be entitled to the repayment of principal on the Bond(s)

(which shall be due to the bare owner). Furthermore, the signatures of both the bare owner and the usufructuary will be required in the respective Application.

- 6.2.12. Applications in the name and for the benefit of minors shall be allowed provided that the Applicant already holds an account with the MSE. Any Bonds allocated pursuant to such an Application shall be registered in the name of the minor as Bondholder, with interest and redemption monies payable to the parents or legal guardian(s) signing the Application until such time as the minor attains the age of 18 years, following which all interest and redemption monies shall be paid directly to the registered holder, provided that the Issuer has been duly notified in writing of the fact that the minor has attained the age of 18 years.
- 6.2.13. All Applications are to be lodged with any of the Authorised Financial Intermediaries listed in Annex II of this Securities Note together with payment of the full price of the Bonds applied for, in Euro with the exception of Applications submitted by Existing Bondholders, where payment needs to correspond to the amount applied for less the aggregate value of the bonds forming the subject of the Exchangeable Bond Transfer, where applicable. Payments may be made by cheque payable to the respective Authorised Financial Intermediary or by any other method of payment as accepted by the respective Authorised Financial Intermediary. In the event that a cheque accompanying an Application is not honoured on its first presentation, the Authorised Financial Intermediary and, or the Issuer acting through the Registrar reserve the right to invalidate the relative Application.
- 6.2.14. By completing and delivering an Application, the Applicant:
- (a) accepts to be irrevocably contractually committed to acquire the number of Bonds allocated to such Applicant at the Bond Issue Price and, to the fullest extent permitted by law, accepts to be deemed to have agreed not to exercise any rights to rescind or terminate, or otherwise withdraw from, such commitment, such irrevocable offer to purchase, and pay the consideration for, the number of Bonds specified in the Application submitted by the Applicant (or any smaller number of Bonds for which the Application is accepted) at the Bond Issue Price (as applicable) being made subject to the provisions of the Prospectus, the Terms and Conditions, the Application Form and the Memorandum and Articles of Association;
 - (b) agrees and acknowledges to have had the opportunity to read the Prospectus and to be deemed to have had notice of all information and representations concerning the Issuer and the issue of the Bonds contained therein;
 - (c) warrants that the information submitted by the Applicant in the Application Form is true and correct in all respects. All Applications need to include a valid MSE account number in the name of the Applicant. Failure to include an MSE account number will result in the Application being cancelled by the Issuer (acting through the Registrar) and subscription monies will be returned to the Applicant in accordance with section 6.2.4. above. In the event of a discrepancy between the personal details (including name and surname and the Applicant's address) appearing on the Application and those held by the MSE in relation to the MSE account number indicated on the Application, the details held by the MSE shall be deemed to be the correct details of the Applicant;
 - (d) acknowledges the processing of any personal data for the purposes specified in the privacy notice published by the Issuer, which is available on the Issuer's website at <http://www.mfplc.com.mt/>. The Applicant hereby acknowledges that the processing of personal data may validly take place, even without the Applicant's consent, in the circumstances set out in the GDPR and the Data Protection Act (Cap. 586 of the laws of Malta) (the "**Data Protection Act**") and any applicable subsidiary legislation, as may be amended from time to time. The Applicant hereby confirms that he/she/it has been provided with and read the privacy notice;
 - (e) authorises the Issuer (or its service providers, including the CSD and, or the Manager and Registrar) and, or the relevant Authorised Financial Intermediary, as applicable, to process the personal data that the Applicant provides in the respective Application Form, for all purposes necessary and subsequent to the Bond Issue applied for, in accordance with the GDPR and the Data Protection Act . The Applicant has the right to request access to, and rectification of, the personal data relating to him/her in relation to the Bond Issue. Any such requests must be made in writing and sent to the Issuer and sent to the CSD at the MSE. The requests must be signed by the Applicant to whom the personal data relates;
 - (f) confirms that in making such Application no reliance was placed on any information or representation in relation to the Issuer or the issue of the Bonds other than what is contained in the Prospectus and accordingly agrees that no person responsible solely or jointly for the Prospectus or any part thereof will have any liability for any such other information or representation;
 - (g) agrees that any refund of unallocated Application monies, will be paid by direct credit, without interest, at the Applicant's own risk, to the bank account as indicated in the Application Form. The Issuer shall not be responsible for any loss or delay in transmission or any charges in connection therewith;
 - (h) warrants that the remittance will be honoured on first presentation and agrees that, if such remittance is not so honoured: (i) the Applicant will not be entitled to receive a registration advice or to be registered in respect of such Bonds, unless and until a payment is made in cleared funds within the Offer Period and such payment is accepted by the respective Authorised Financial Intermediary or by the Issuer acting through the Registrar

(which acceptance shall be made in its absolute discretion and may be on the basis that the Authorised Financial Intermediary or the Issuer acting through the Registrar is indemnified for all costs, damages, losses, expenses and liabilities arising out of, or in connection with, the failure of the Applicant's remittance to be honoured on first presentation at any time prior to unconditional acceptance by the Issuer acting through the Registrar of such late payment in respect of the Bonds); or (ii) the Issuer may, without prejudice to other rights, treat the agreement to allocate such Bonds as void and may allocate such Bonds to another person, in which case the Applicant will not be entitled to a refund or payment in respect of such Bonds (other than return of such late payment);

- (i) agrees that the registration advice and other documents and any monies returnable to the Applicant may be retained pending clearance of his/her remittance and any verification of identity as required by the Prevention of Money Laundering Act (Cap. 373 of the laws of Malta) and regulations made thereunder, and that such monies will not bear interest;
- (j) agrees to provide the Registrar and, or the Issuer, as the case may be, with any information which it or they may request in connection with the Application;

Such information shall be held and controlled by the MSE in terms of the Data Protection Act (and the GDPR, as may be amended from time to time, for the purposes and within the terms of the MSE Data Protection Policy as published from time to time.

6.2.16. It shall be incumbent on the respective Authorised Financial Intermediary to ascertain that all other applicable regulatory requirements relating to subscription of Bonds by an Applicant are complied with, including without limitation the obligation to comply with all applicable requirements set out in Regulation (EU) No. 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Regulation (EU) No. 648/2012 ("**MiFIR**"), as well as the applicable MFS Rules for investment services providers.

6.2.17. By not later than 23 December, 2022, the Issuer shall announce the result of the Bond Issue through a company announcement.

- 6.2.18. No person receiving a copy of the Prospectus or an Application Form in any territory other than Malta may treat the same as constituting an invitation or offer to such person, nor should such person in any event use such Application Form, unless, in the relevant territory, such an invitation or offer could lawfully be made to such person or such Application Form could lawfully be used without contravention of any registration or other legal requirements. In light of the aforesaid, including but not limited to the onerous requirements involved in the registration of the Prospectus in any territory other than Malta and, or compliance with the relevant legal or regulatory requirements, the Issuer has elected not to send Application Forms 'A' to Existing Bondholders having their address as included in the respective register of bondholders outside Malta, except where, *inter alia*, in the absolute discretion of the Issuer, it is satisfied that such action would not result in a contravention of any applicable legal or regulatory requirement in the relevant jurisdiction.
- 6.2.19. Subscription for Bonds by persons resident in, or who are citizens of, or who are domiciled in, or who have a registered address in, a jurisdiction other than Malta, may be affected by the law of the relevant jurisdiction. Those persons should consult their professional advisers (including tax and legal advisers) as to whether they require any governmental or other consents, or need to observe any other formalities, to enable them to subscribe for the Bonds. It is the responsibility of any person (including, without limitation, nominees, custodians, depositaries and trustees) outside Malta wishing to participate in the Bond Issue, to satisfy himself/herself/itself as to full observance of the applicable laws of any relevant jurisdiction, including, but not limited to, obtaining any requisite governmental or other consents, observing any other requisite formalities and paying any transfer or other taxes (of any nature whatsoever) due in such territories. The Issuer shall not accept any responsibility for the non-compliance by any person of any applicable laws or regulations of foreign jurisdictions.
- 6.2.20. The Bonds have not been and will not be registered under the Securities Act of 1933 of the United States of America and accordingly may not be offered or sold within the United States or to or for the account or benefit of a U.S. person.

6.3. PLAN OF DISTRIBUTION AND ALLOTMENT

The Bonds shall be made available for subscription as follows:

- (a) an amount of up to €35,000,000 in nominal value of Bonds, shall be made available for subscription by Existing Bondholders during the Offer Period, electing to subscribe for Bonds by Exchangeable Bond Transfer; and
- (b) an amount of up to €9,000,000 in nominal value of Bonds, as such amount would be increased by any amount not subscribed for by Existing Bondholders by way of Exchangeable Bond Transfer pursuant to 4.1 (a) above, and thus resulting in part of the amount referred to in (a) above becoming available for distribution other than by way of Exchangeable Bond Transfer shall be made available for subscription by Existing Bondholders applying for any Excess, and the general public, *pari passu* between them.

The Bonds are open for subscription during the Offer Period by Existing Bondholders as well as by the general public.

All subscriptions shall be made through Authorised Financial Intermediaries. Subscriptions by the general public shall be subject to a minimum subscription amount of €2,000 in nominal value of Bonds and in multiples of €100 thereafter. Subscriptions by Existing Bondholders electing to participate in the Exchangeable Bond Transfer shall not be subject to minimum subscription requirements, subject to subscriptions in multiples of €100.

Existing Bondholders applying for Bonds are to submit an Application Form 'A' to an Authorised Financial Intermediary and are to settle all or part of the amount due on the Bonds applied for by the transfer to the Issuer of Exchangeable Bonds held by them as at the Cut-Off Date, subject to any Excess subscribed for.

The consideration for the purchase of the Exchangeable Bonds by the Issuer shall be €101.50 per Exchangeable Bond. Such consideration will be settled as follows:

- (i) Existing Bondholders electing to subscribe for Bonds through the transfer to the Issuer of all or part of the Exchangeable Bonds held by them as at the Cut-Off Date shall be allocated such number of Bonds representing the nominal value of Exchangeable Bonds transferred to the Issuer at the Bond Issue Price; and
- (ii) the difference of €1.50 shall be settled by the Issuer by the settlement in cash of €1.50 per Exchangeable Bond so purchased by the Issuer by virtue of the Exchangeable Bond Transfer (the "**Cash Settlement**"). The said amount shall be settled within 30 calendar days from admission to listing of the Bonds by direct credit transfer of the Cash Settlement to the bank account corresponding to the Existing Bondholder in the register of Existing Bondholders. The Issuer shall not be responsible for any charges, loss or delay in transmission.

Interest on the Exchangeable Bonds subject to the Exchangeable Bond Transfer which has accrued up to and including the 15 December, 2022 shall be settled by the Issuer within 30 calendar days from admission to listing of the Bonds. The settlement of accrued interest shall be made by the Issuer by direct credit transfer to the bank account corresponding to the Existing Bondholder in the Registrar of Existing Bondholders. The Issuer shall not be responsible for any charges, loss or delay in transmission.

The transfer of Exchangeable Bonds to the Issuer in consideration for the subscription of Bonds shall cause the obligations of the Issuer with respect to such Exchangeable Bonds to be extinguished and shall give rise to obligations on the part of the Issuer under the Bonds.

Other Applicants not being Existing Bondholders are to submit an Application Form 'B' to an Authorised Financial Intermediary.

It is expected that allotment advice will be dispatched to Applicants within five Business Days of the announcement of the allocation policy. The registration advice, other documents and any monies returnable to Applicants may be retained pending clearance of the remittance and any verification of identity as required by the Prevention of Money Laundering Act (chapter 373 of the laws of Malta), and regulations made thereunder. Such monies shall not bear interest while retained as aforesaid. Dealings in the Bonds shall not commence prior to the Bonds being admitted to the Official List.

6.4. PRICING

The Bonds are being issued at par, that is, at €100 per Bond with the full amount payable upon subscription with the exception of Applications submitted by Existing Bondholders, where payment needs to correspond to the amount applied for less the aggregate value of the bonds forming the subject of the Exchangeable Bond Transfer.

6.5. ALLOCATION POLICY

The Issuer shall allocate the Bonds on the basis of the following allocation policy:

- (a) up to an amount of €35,000,000 in nominal value of Bonds shall be allocated to Existing Bondholders applying for Bonds by way of Exchangeable Bond Transfer up to the extent of their holdings of Exchangeable Bonds at the Cut-Off Date; and
- (b) up to an amount of €9,000,000 in nominal value of Bonds, as such amount would be increased by any amount not subscribed for by Existing Bondholders by way of Exchangeable Bond Transfer and thus resulting in part of the amount referred to in (a) above not being allocated, shall be allocated to: (i) Existing Bondholders in respect of any Excess applied for (provided that such Existing Bondholders have transferred their entire holding in Exchangeable Bonds by Exchangeable Bond Transfer), and (ii) the general public, *pari passu* without any priority or preference between them in accordance with the allocation policy to be issued by the Issuer.

Should Applications submitted by Existing Bondholders applying for Excess, and Applications submitted by the general public, collectively exceed the reserved portion indicated in point (b) above, or in any other case in which amounts subscribed for remain unsatisfied, the unsatisfied excess amounts will be returned by direct credit transfer to the account number indicated on the respective Application Form, as applicable, within five Business Days following the announcement of the basis of acceptance.

6.6. ADMISSION TO TRADING

The MFSA has authorised the Bonds as admissible to listing pursuant to the Capital Markets Rules by virtue of a letter dated 21 November, 2022.

Application has been made to the MSE for the Bonds being issued pursuant to the Prospectus to be listed and traded on the Official List.

The Bonds are expected to be admitted to the MSE with effect from 3 January, 2023 and trading is expected to commence on 4 January, 2023.

7. TAXATION

7.1. GENERAL

Investors and prospective investors are urged to seek professional advice as regards both Maltese and any foreign tax legislation which may be applicable to them in respect of the Bonds, including their acquisition, holding and disposal as well as any income or gains derived therefrom or made on their disposal. The following is a summary of the anticipated tax treatment applicable to Bondholders in so far as taxation in Malta is concerned. This information does not constitute legal or tax advice and is not, and does not purport to be, exhaustive.

The information below is based on an interpretation of tax law and practice relative to the applicable legislation, as known to the Issuer at the date of the Prospectus, in respect of a subject on which no official guidelines exist. Investors are reminded that tax law and practice and their interpretation as well as the levels of tax on the subject matter referred to in the preceding paragraph, may change from time to time.

This information is being given solely for the general information of investors. The precise implications for investors will depend, among other things, on their particular circumstances and on the classification of the Bonds from a Maltese tax perspective, and professional advice in this respect should be sought accordingly.

7.2. TAXATION ON INTEREST PAYABLE TO BONDHOLDERS

Interest payable in respect of the Bond to a recipient, as defined in terms of article 41(c) of the Income Tax Act (Cap. 123 of the laws of Malta) (the “**Income Tax Act**”) is subject to a 15% final withholding tax (10% in the case of certain types of collective investment schemes), unless the recipient elects to be paid the investment income without deduction of the final withholding tax. Bondholders who do not fall within the definition of a “recipient” do not qualify for the said rate and should seek advice on the taxation of such income as special rules may apply.

This withholding tax is considered as a final tax and a Maltese resident individual Bondholder is not obliged to declare the interest so received in his income tax return (to the extent that the interest is paid net of tax). No person shall be charged to further tax in respect of such income. Furthermore, such tax should not be available as a credit against the recipient’s tax liability or for a refund, as the case may be, for the relevant year of assessment in Malta. The Issuer will render an account to the Maltese Commissioner for Revenue of all amounts so deducted, including the identity of the recipient.

In the case of a valid election made by an eligible Bondholder resident in Malta to receive the interest due without the deduction of final tax, interest will be paid gross and such person will be obliged to declare the interest so received in his Maltese income tax return and be subject to tax on such interest at the standard rates applicable to such Bondholder at that time. Additionally, in this latter case, the Issuer will advise the Maltese Commissioner for Revenue on an annual basis in respect of all interest paid gross and of the identity of all such recipients. Any such election made by a resident Bondholder at the time of subscription may be subsequently changed by giving notice in writing to the Issuer. Such election or revocation will be effective within the time limit set out in the Income Tax Act.

In terms of article 12(1)(c) of the Income Tax Act, Bondholders who are not resident in Malta satisfying the applicable conditions set out in the Income Tax Act, including but not limited to the condition that the Bondholder is not owned and controlled by, whether directly or indirectly, nor acts on behalf of an individual(s) who are ordinarily resident and domiciled in Malta, are not taxable in Malta on the interest received and will receive interest gross, subject to the requisite declaration/evidence being provided to the Issuer in terms of law.

7.3. TAXATION ON CAPITAL GAINS ON TRANSFER OF THE BONDS

On the assumption that the Bonds would not fall within the definition of “securities” in terms of article 5(1)(b) of the Income Tax Act, that is, “shares and stocks and such like instrument that participate in any way in the profits of the company and whose return is not limited to a fixed rate of return”, to the extent that the Bonds are held as capital assets by the Bondholder, no tax on capital gains is chargeable in respect of a transfer of the Bonds.

7.4. DUTY ON DOCUMENTS AND TRANSFERS

In terms of the Duty on Documents and Transfers Act (Cap. 364 of the laws of Malta) (the “**DDTA**”), duty is chargeable *inter alia* on the transfer or transmission *causa mortis* of marketable securities. A marketable security is defined in the said legislation as “a holding of share capital in any company and any document representing the same”.

Consequently, the Bonds should not be treated as constituting marketable securities within the meaning of the legislation and therefore, the transfer or transmission thereof should not be chargeable to duty.

Furthermore, even if the Bonds are considered to be treated as marketable securities for the purposes of the DDTA, in terms of article 50 of the FMA, as the Bonds constitute financial instruments of a company quoted on a regulated market, as is the MSE, redemptions and transfers of the Bonds should, in any case, be exempt from duty.

7.5. EXCHANGE OF INFORMATION

In terms of applicable Maltese legislation, the Issuer and, or its agents are required to collect and forward certain information (including, but not limited to, information regarding payments made to certain Bondholders) to the Commissioner for Revenue. The Commissioner for Revenue will or may, in turn, automatically or on request, forward the information to other relevant tax authorities subject to certain conditions. Relevant legislation includes, but is not limited to:

- (a) the agreement between the Government of the United States of America and the Government of the Republic of Malta to Improve International Tax Compliance and to Implement FATCA – incorporated into Maltese law through Legal Notice 78 of 2014; and

- (b) the implementation of Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by Council Directive 2014/107/EU) which provides for the implementation of the regime known as the Common Reporting Standard – incorporated into Maltese law through Legal Notice 384 of 2015 entitled the Cooperation with Other Jurisdiction on Tax Matters (Amendment) Regulations, 2015.

Failure on the part of a Bondholder to provide the Issuer with the necessary information required for its compliance with applicable legislation, may have consequences on the Bondholder's holding and, or may result in the Issuer having to report the Bondholder to the relevant tax authorities.

INVESTORS AND PROSPECTIVE INVESTORS ARE URGED TO SEEK PROFESSIONAL ADVICE AS REGARDS BOTH MALTESE AND ANY FOREIGN TAX LEGISLATION APPLICABLE TO: (I) THE ACQUISITION, HOLDING AND DISPOSAL OF THE BONDS; (II) THE INTEREST PAYMENTS MADE BY THE ISSUER; AND (III) THE REPORTING BY THE ISSUER TO THE COMMISSIONER FOR REVENUE OF INFORMATION ON THE BONDHOLDERS AND ON PAYMENTS MADE TO THE BONDHOLDERS AND THE EXCHANGE OF SUCH INFORMATION BETWEEN MALTA AND RELEVANT FOREIGN TAX AUTHORITIES. THE TAX LEGISLATION OF THE INVESTOR'S COUNTRY OF DOMICILE AND OF THE ISSUER'S COUNTRY OF INCORPORATION (MALTA) MAY HAVE AN IMPACT ON THE INCOME RECEIVED FROM THE BONDS. THE ABOVE IS A SUMMARY OF THE ANTICIPATED TAX TREATMENT APPLICABLE TO THE BONDS AND TO BONDHOLDERS. THIS INFORMATION DOES NOT CONSTITUTE LEGAL OR TAX ADVICE AND REFERS ONLY TO BONDHOLDERS WHO DO NOT DEAL IN SECURITIES IN THE COURSE OF THEIR NORMAL TRADING ACTIVITY.

8. ADDITIONAL INFORMATION

Notes on how to complete this Application Form and other information

The following notes are to be read in conjunction with the Prospectus dated 21 November 2022 regulating the Bond Issue

This Application Form is not transferable and entitles you to a preferential treatment as holder of the 5.3% Mariner Finance p.l.c. Unsecured Bonds 2024 (the "Exchangeable Bonds") and is to be submitted as a method of payment where the Applicant selects to apply for the 5% Mariner Finance p.l.c. Unsecured Bonds 2032 (the "Bond/s") so as to transfer to the Issuer all or part of the holding in the Exchangeable Bond held by the Applicant as at the Cut-Off Date, the nominal value of which is set out in Box 1 of Panel D. By submitting this signed Application Form, Existing Bondholders shall be deemed to:

- i. cause the transfer of the said Exchangeable Bonds in the Issuer's name in consideration of the issue of Bonds; and
- ii. engage, at the Issuer's cost, the services of such brokers or intermediaries as may be necessary to fully and effectively vest title in the said Exchangeable Bonds in the Issuer and fully and effectively vest title in the appropriate number of Bonds in the Applicant.

1. This Application is governed by the Terms and Conditions of the Bond Issue contained in Section 6 of the Securities Note dated 21 November 2022 forming part of the Prospectus. Capitalised terms not defined herein shall, unless the context otherwise requires, have the meaning ascribed to them in the Prospectus.
2. This Application Form is to be completed in BLOCK LETTERS. For applicants who are non-residents in Malta for tax purposes, the relative box in Panel F must be completed.
3. The MSE account number pertaining to the Existing Bondholders, has been preprinted in Panel A and reflects the MSE account number on the bond register of the Exchangeable Bonds held at the CSD as at 11 November 2022 (trading session of the 09 November 2022). If an MSE account pertains to more than one person (including husband and wife), the full details of all individuals must be given in Panels A and B but the first named bondholder shall, for all intents and purposes, be deemed to be the registered holder of the Bonds (vide note 6 below). Applications by more than two persons are to use the Addendum to the Application Form.

Upon submission of an Application Form, Bondholders who opt to have an online e-portfolio facility (by marking the relative box in Panel A), will receive by mail at their registered address a handle code to activate the new e-portfolio login. Registration for the e-Portfolio facility requires a mobile number to be provided on the Application Form. The Bondholder's statement of holdings evidencing entitlement to Bonds held in the register kept by the CSD and registration advices evidencing movements in such register will be available through the said e-portfolio facility on <https://eportfolio.borzamalta.com.mt/>. Further detail on the e-portfolio may be found on <https://eportfolio.borzamalta.com.mt/Help>.

4. Applications in the name and for the benefit of minors shall be allowed provided that the applicant already holds an account with the MSE. Any Bonds allocated pursuant to such an Application shall be registered in the name of the minor as Bondholder, with interest and redemption proceeds payable to the parents or legal guardian/s signing the Application Form until such time as the minor attains the age of eighteen (18) years, following which all interest and redemption proceeds shall be payable directly to the registered holder, provided that the Company has been duly notified in writing of the fact that the minor has attained the age of eighteen (18) years. Panel C must be inserted with full details of the parents/legal guardians.

5. In the case of a body corporate, a valid Legal Entity Identifier ("LEI") needs to be inserted in Panel A. **Failure to include a valid LEI code, will result in the Application being cancelled by the Registrar.** Applications must be signed by duly authorised representatives indicating the capacity in which they are signing.

6. **EXISTING BONDHOLDERS ARE TO NOTE THAT ANY SECURITIES ALLOTTED TO THEM WILL BE RECORDED BY THE MALTA STOCK EXCHANGE IN THE MSE ACCOUNT QUOTED ON THIS APPLICATION FORM EVEN IF THE DETAILS OF SUCH MSE ACCOUNT NUMBER, AS HELD BY THE CSD OF THE MALTA STOCK EXCHANGE, DIFFER FROM ANY OR ALL OF THE DETAILS APPEARING OVERLEAF. A SEPARATE REQUEST BY THE APPLICANT TO CHANGE THESE DETAILS AS RECORDED AT THE MSE, WILL HAVE TO BE EFFECTED.**

7. Where a decision to invest is taken by a third party authorised to transact on behalf of the Applicant (a "decision maker") such as an individual that holds a power of attorney to trade on the Applicant's account or applications under a discretionary account, details of the decision maker need to be included in Panel C.

8. Where an MSE account number is held subject to usufruct, Panel C needs to be completed and both the bare owner/s and the usufructuary/ies are to sign this Application Form.

9. Where the Applicant wishes to acquire a number of Bonds having an aggregate value which exceeds the nominal value of the number of the Exchangeable Bonds set out in Box 1 of Panel D, the Applicant may do so by including such higher amount in Box 3 in Panel D. In such case, the Applicant must ensure that the relative Application Form is accompanied by payment of the difference between the full price of the amount of Bonds applied for and the nominal value of Exchangeable Bonds being transferred as set out in Box 2.

10. Only Applicants who hold a valid official Maltese Identity Card or companies registered in Malta will be treated as resident in Malta. In such a case the Applicant may elect to have final withholding tax, currently 15%, deducted from interest payments in which case such interest need not be declared in the Applicant's income tax return. The Applicant may elect to receive the interest gross (i.e. without deduction of final withholding tax), but will be obliged to declare interest so received in the tax return. The Company will render an account to the Maltese Commissioner for Revenue of all interest paid, all amounts of tax deducted by the payor in respect of the interest paid and of the identity of all such recipients. Interest received by non-resident Applicants is not taxable in Malta and non-residents will receive interest gross. Authorised entities applying in the name of a prescribed fund will have final withholding tax (currently 10%), deducted from interest payments.

In terms of Section 7.2 of the Securities Note, unless the Company is otherwise instructed by a Bondholder, or if the Bondholder does not fall within the definition of "recipient" in terms of article 41(c) of the Income Tax Act (Cap. 123 of the laws of Malta), interest shall be paid to such person net of final withholding tax, (currently 15%) of the gross amount of interest, pursuant to article 123 of the Income Tax Act (Cap. 123 of the laws of Malta).

11. Non-residents of Malta should note that payment of interest to individuals and certain residual entities residing in another EU Member State is reported on an annual basis to the Director General Inland Revenue, Malta, who will in turn exchange the information with the competent tax authority of the Member State where the recipient of interest is resident. This exchange of information takes place in terms of the Council Directive 2014/107/EU, of 9 December 2014 amending Directive 2011/16/EU as regards mandatory automatic exchange of information in the field of taxation.

The contents of Notes 10 and 11 above do not constitute tax advice by the Company and Applicants are to consult their own independent tax advisors in case of doubt.

12. Interest, refund and redemption proceeds will be credited to the account indicated in Panel G or as otherwise amended by the Bondholder/s during the term of the Bond.

13. The Offer Period will open at 08:30 hours on 28 November 2022 and will close at 12:00 hours on 16 December 2022, or such earlier date as may be determined by the Issuer. Application for Bonds may be lodged with any Authorised Financial Intermediary listed in Annex II of the Securities Note during normal office hours. **Remittances by post are made at the risk of the Applicant and the Company disclaims all responsibility for any such remittances not being received by the date of closing of the subscription lists.** If any Application is not accepted after the closure of the subscription lists or is accepted for fewer Bonds than those applied for, the monies equivalent to the number of Bonds not being accepted will be returned by direct credit into the IBAN specified in panel G.

14. By completing and delivering an Application Form you (as the Applicant(s)) acknowledge that:
 - a. the Company or its duly appointed agents including the CSD and the Registrar, may process the personal data that you provide in the Application Form in accordance with the Data Protection Act (Cap. 586 of the laws of Malta) and the General Data Protection Regulation (GDPR) (EU) 2016/679 as amended from time to time;
 - b. the Company may process such personal data for all purposes necessary for and related to the Bonds applied for; and
 - c. you, as the Applicant, have the right to request access to and rectification of the personal data relating to you, as processed by the Company.

Any such requests must be made in writing and addressed to the Company. The request must be signed by yourself as the Applicant to whom the personal data relates.

The value of investments can go up or down and past performance is not necessarily indicative of future performance. The nominal value of the Bonds on offer will be repayable in full upon redemption. An investor should consult an independent financial advisor, licensed under the Investment Services Act (Cap. 370 of the laws of Malta), for advice.

In the case of an Application by more than one person (including husband and wife) full details of all individuals must be given in Panels B and C but the person whose name appears in Panel B shall, for all intents and purposes, be deemed to be the registered holder of the Bonds (vide note 6 below). Applications by more than two persons are to use the Addendum to the Application Form.

Upon submission of an Application Form, Bondholders who opt to have an online e-portfolio facility (by marking the relative box in Panel B), will receive by mail at their registered address a handle code to activate the new e-portfolio login. Registration for the e-Portfolio facility requires a mobile number to be provided on the Application Form. The Bondholder's statement of holdings evidencing entitlement to Bonds held in the register kept by the CSD and registration advices evidencing movements in such register will be available through the said e-portfolio facility on <https://eportfolio.borzamalta.com.mt/>. Further detail on the e-portfolio may be found on <https://eportfolio.borzamalta.com.mt/Help>.

3. ORGANISATIONAL STRUCTURE

As the holding company of the Group, the Company is ultimately dependent upon the operations and performance of the Group's operating company. The organisational structure of the Group is illustrated in the diagram hereunder:

SIA Mariner Finance Baltic ("MFB") is a private limited liability company incorporated and registered in Latvia. It has an authorised and issued share capital of the euro equivalent of €25,000,000 divided into 25,000,000 ordinary shares of €1 per share, fully paid up. The company was set up on 28 February 2013 principally to act as the immediate parent company of BCT and to provide financing to its subsidiary company.

A brief overview of **SIA Baltic Container Terminal ("BCT")** is provided in section 5 below.

4. INVESTMENT PROPERTY

The Company owns and operates a commercial and office building located in Merkela Street, Riga, Latvia, consisting of a five-storey building having *circa* 2,480m² of rentable space (floor area of *circa* 3,300m²)³ (“**Merkela Property**”). The Merkela Property is situated at a major intersection in the central part of Riga, within the main retail and commercial area of the city. In terms of a local grading system, the building is classified as Class B commercial/office space.

The Merkela Property is carried at €4,361,000, a decrease of €209,000 from the prior year (FY2020: €4,570,000). The fair value has been determined based on an independent certified expert’s valuation dated 25 March 2022. This decrease in fair value has been solely due to the COVID-19 pandemic which has led the independent expert to adjust the occupancy rates of the property.

The Company has a lease agreement with McDonald’s Latvia for an area measuring 626m². The lease expires in 2023 and rent receivable is based on a percentage of net annual sales. The remaining area is leased to three other tenants for use as office space or commercial activity. Each of the aforesaid lease agreements specifies a fixed rental charge per square metre and the contractual period ranges from three to ten years.

Commercial & office building – Merkela Street, Riga, Latvia

In addition to the above-mentioned building, the Company owns a parcel of land in Latvia valued at €82,000 (FY2020: €82,000). The fair value has been determined based on independent certified expert’s valuation dated 26 January 2018.

³ In section 4 of the financial analysis summary dated 2 June 2022, the rentable space was incorrectly stated at 3,880m².

5. SIA BALTIC CONTAINER TERMINAL

5.1 Introduction

BCT is a private limited liability company incorporated and registered in Latvia. The company was incorporated on 26 March 1996 and is principally engaged in the provision of port and related services at the port of Riga. BCT operates at the Riga Free Port No. 48 under a port concession license issued by the Riga Free Port Authority which expires on 22 March 2047. Apart from the license, the company had entered into a real estate purchase agreement on 30 April 2003 whereby the Riga Free Port Authority sold to BCT, which acquired, full ownership of all yards within the boundaries of the BCT terminal (excluding the quay), together with all underlying communications, warehousing facilities, parking and paved areas surrounding said warehouses, and covered rail ramps.

SIA Baltic Container Terminal

The Freeport of Riga is a regional port that services cargo vessels operating in the Baltic region, particularly in trade with the Commonwealth of Independent States (CIS). Mariner's BCT covers 57 hectares on an island at the mouth of the river Daugava with favourable navigation at the terminal all year round with no tide to influence its 24/7 operation. The terminal enjoys optimum connectivity by rail and road to the major cities of the four countries that border Latvia: Russia, Estonia, Lithuania and Belarus.

5.2 Market and Competition

The BCT container terminal is located at the mouth of the river Daugava which runs through the centre of Latvia's capital Riga. Its favourable geographical location and good, direct access via road and rail to its market hinterland make it strategically located to serve as a gateway to meet container traffic demand to and from the main industrial centres of Russia and other destinations including Moscow, Kaluga, Novgorod, St Petersburg, Minsk, Kiev, Vilnius, Tallinn, Almaty and Tashkent.

Latvia is a fast-developing country located on the south-east coast of the Baltic Sea in the centre of the Baltic States (Lithuania, Latvia and Estonia). It represents the financial hub of the three nations and its favourable geopolitical environment provides excellent business opportunities for the four major markets bordering Latvia - Belarus, Estonia, Lithuania and Russia.

The standing of Russia in the region has been disrupted since February 2022 following its invasion of Ukraine and the subsequent sanctions implemented by the international community which effectively cut-off the country from most Western production inputs.

There are three main ports in Latvia - Venstpils, Riga and Liepaja - and these are mainly involved in transit cargo. The Freeport of Riga is by far the major container-handling port in Latvia. Moreover, BCT is the only specialised container terminal within the port. There are two other terminals - Riga Central Terminal (RCT) and Riga Universal Terminal (RUT) - which handle relatively small volumes of containerised cargo, though their main fields of activity are in the handling of general and bulk cargoes. As a specialised container terminal BCT is better equipped in terms of infrastructure, superstructure and workforce to efficiently and productively handle containers.

In addition to RCT and RUT, BCT's other competitors comprise specialised container terminals which are located in the neighbouring Baltic States and other eastern Baltic countries. These include: Klaipeda Container Terminal (KCT) and Klaipeda Smelte Container Terminal (KSCT) in Klaipeda, Lithuania; HHLA Muuga (formerly Transiidikeskuse) (HHLA) in Tallinn, Estonia; the container terminals within the Port of St. Petersburg, Russia, and; Palokangas - EU Container Terminal and Mussalo Container Terminal within HaminaKotka Port, Finland.

KCT, KSCT and HHLA, located in the neighbouring Baltic States represent the most direct form of competition to BCT due to their similar geographical locations, hinterland markets, inland connections, geopolitical environment and general terminal facilities. Below is a comparison of BCT with its direct competitors for the financial years 2012 to 2021.

5.3 Principal Activities

BCT commenced activities on 1 May 1996, subsequent to the restructuring of a state-owned company, Riga Trade Port. It operates over an area of *circa* 557,000m². The BCT terminal has an annual container handling capacity of *circa* 450,000 TEUs⁴, and offers the following services:

- **Quay-side operations** – including the berthing of vessels for the loading and/or unloading of containerised cargo using four ship-to-shore gantry cranes. A fifth ship-to-shore gantry crane was delivered during 2020. Quay operations are supported by a variety of yard and interface equipment which includes reach stackers, rail-mounted gantries as well as various tractors, trailers and forklifts.
- **Yard operations** – the terminal has a container storage yard comprising a capacity of *circa* 20,000 TEUs. In addition, the yard has 500 reefer points, that is, electrical outlets for the storage of temperature-controlled containers.
- **Gate and rail operations** – including the transfer of containers between the container terminal and inland road and rail networks. BCT has direct access to both road and rail networks, and operates its own rail handling facility which can service up to 64 rail platforms simultaneously.
- **Warehousing** – the terminal has *circa* 20,400m² of covered warehousing space for the storage of general cargo. The warehouse facilities have direct access to the rail and road networks for more efficient distribution of cargo. In January 2020, BCT completed development of further warehouse facilities, thereby increasing capacity by an additional 11,000m².
- **Ancilliary activities** – a wide range of value-added services are provided at the container terminal due to an optimised integrated logistics chain. Through a container freight station, the terminal offers the service of, amongst others, stuffing and stripping of containers (packing/unpacking). In addition, BCT also provides engineering services for the repair of damaged containers.

Of the activities outlined above, the principal business at BCT is quay-side operations (the loading and unloading of containers), which in H1 2022 represented 68% of total revenue generated by the company (FY2021: 65%).

As an important node within the region's logistics network, BCT's clients include shipping lines, freight forwarders, third party logistics service providers, liner agents, inland carriers (such as road haulage companies), as well as end-customers. The container terminal services some of the world's largest shipping lines which call directly at the terminal as well as other shipping lines that use common feeder services. These include Maersk Line, Compagnie Maritime d'Affretement – Campagnie Generale Maritime (CMA-CGM) and Mediterranean Shipping Company (MSC), Unifeeder and Cosco (including Orient Overseas Container Line [OOCL]), as well as Evergreen, ONE and HMM. BCT has strong relationships with all the major shipping lines and their local representatives and strives to maintain good relations with both existing and potential clients.

⁴ TEU is the abbreviation for twenty-foot equivalent unit, a standard measure for a container for transporting goods, used to calculate how many containers a ship can carry, or a port can deal with.

Source: MZ Investment Services Limited

Notwithstanding the global economic downturn caused by the pandemic, the number of TEUs handled by BCT in **FY2020** was broadly equal to the volume handled in the prior year (302,403 TEUs compared to 302,080 TEUs in FY2019). Revenue for the year amounted to €15.8 million, a decrease of €782,000 or -5% compared to FY2019. The reduction in revenue is mainly attributable to COVID-19 related discounts afforded to clients. As a result, EBITDA declined from €8.6 million in FY2019 to €8.1 million, and operating profit margin decreased by 1% to 51%.

Depreciation and amortisation charge was higher in FY2020 by €479,000 on account of an increase in property, plant and equipment. The company completed new warehouse facilities at the beginning of FY2020 and in July 2020 got delivery of a new gantry crane. Net profit achieved in FY2020 amounted to €5.7 million compared to €6.9 million in FY2019 (-18%).

In **FY2021**, BCT handled 281,568 TEUs compared to 302,403 TEUs in the prior year (-7%). This was mainly due to a shortage of containers in the first half of 2021 and increases in freight/shipping prices, following disruptions caused by the COVID-19 pandemic. In consequence, revenue for the year decreased by 7% from €15.8 million in FY2020 to €14.7 million in FY2021.

The decline in revenue impacted EBITDA by €0.8 million (y-o-y) which amounted to €7.3 million in FY2021 (FY2020: €8.1 million). Operating profit margin for the year decreased by 1 percentage point to 50% (FY2020: 51%).

Depreciation & amortisation was higher y-o-y by 7% to €2.2 million (+€142,000) and related to the commissioning of a new quay crane and a warehouse. This additional charge was partly offset by a decrease in net interest cost of €101,000 (y-o-y) to €24,000. Total comprehensive income in FY2021 amounted to €4.8 million compared to €5.7 million in FY2020 (-16%).

During H1 **2022**, BCT's operational performance improved on a comparable basis primarily due to a post COVID-19 pandemic recovery. Furthermore, the Russia-Ukraine conflict had a positive effect on volumes too with containers previously passing through Russia being diverted instead to Riga. Volumes handled at BCT in H1 2022 were 21.7% higher than those handled in the same period of the previous year.

On an annual basis, BCT expects to handle approximately 331,000 TEUs in FY2022, an increase of 17% from the prior year. As such, revenue is projected to increase by €3.0 million (+21%) from €14.7 million in FY2021 to €17.7 million, while EBITDA is expected to amount to €8.7 million compared to €7.3 million in FY2021 (+19%). Overall, management is estimating BCT's total comprehensive income to amount to €6.1 million for the full year, an increase of €1.3 million from FY2021.

In **FY2023**, TEU volume is expected to grow by 4% to 344,000 TEUs (FY2022: 331,000 TEUs) while average revenue per TEU is projected to increase by 3.85%. As such, revenue generated by BCT is estimated to increase by €1.5 million, from €17.7 million in FY2022 to €19.2 million. EBITDA is projected to increase by 12% (+€1.0 million) to €9.7 million. The EBITDA margin is expected to remain stable at *circa* 50%.

Overall, total comprehensive income is forecasted to amount to €7.3 million in FY2023, an increase of €1.2 million (+20%) over FY2022. In consequence, net profit margin is expected to improve by 4 percentage points to 38%.

* Please refer to Part 5 of this report entitled "Glossary of Alternative Performance Measures (APM)"

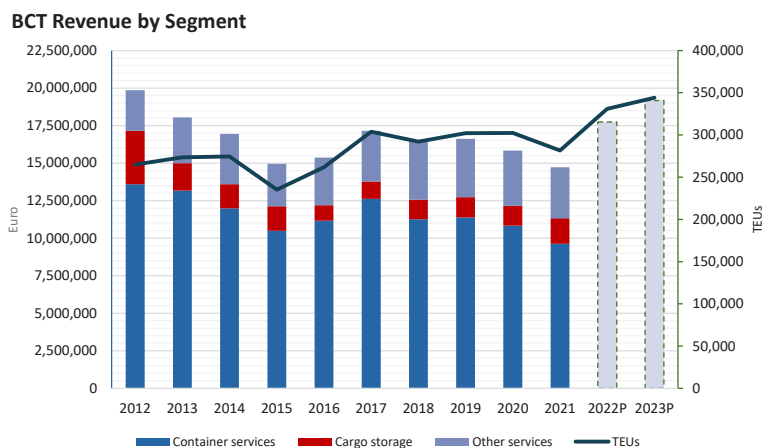

Over the past 10 years, BCT's performance has been fairly consistent on y-o-y basis, whereby average revenue and average EBITDA for the said period amounted to €16.5 million and €8.7 million respectively. Compared to the last published financial information, actual revenue (FY2021: €14.7 million) was lower than average by 11% mainly due to supply constraints of containers, while actual EBITDA (FY2021: €7.3 million) was lower than average by 16%. Volumes handled by BCT in the reviewed

period increased from *circa* 265,000 TEUs in FY2012 to *circa* 282,000 TEUs in FY2021 (the peak year in terms of volume was in FY2017 with 304,000 TEUs).

Competition has increased considerably over the years, which resulted in lower revenue and EBITDA per TEU being generated by BCT. In FY2021, the terminal generated total revenue and EBITDA per TEU of €52 and €26 respectively, compared to €75 and €43 respectively in FY2012. Notwithstanding increased competition, management has undertaken various measures to ensure that the company's EBITDA and profit margins are safeguarded through ongoing capital investment at the terminal (infrastructure, equipment, software, etc.) and implementation of operational efficiencies.

In FY2022 and FY2023, BCT's revenue is projected to surpass average revenue by 8% and 16% respectively (+€1.3 million and +€2.7 million respectively). EBITDA in FY2022 is expected to equal the average EBITDA of €8.7 million but register an 11% increase over average EBITDA in FY2023.

The above chart depicts BCT's revenue by segment. The principal activity of BCT is the handling (loading and unloading) of containers (blue bar) and during the last 10 years represented *circa* 70% of total revenue. Volume of containers (TEUs) has progressively increased from 265,000 TEUs in 2012 to 282,000 TEUs in 2021 (+6%). Notwithstanding, total revenue has decreased from €19.9 million in 2012 to €14.7 million (-26%). Due to the competitive and price-sensitive nature of BCT's industry, the company has been inclined to handle higher container volumes but generate less revenue per TEU. On a unit basis, BCT's revenue has declined from €75/TEU in 2012 to €52/TEU in 2021.

The chart shows a decline in 2015 of 14% (y-o-y) in the number of TEUs handled by BCT. This adverse movement was principally due to the geopolitical situation in Russia at the time and the depressed price of oil.

In view of the general improvement in economic conditions, but also supported by the sanctions on Russia due to the war in Ukraine which diverted container traffic from the port of St Petersburg to alternative terminals in the Baltics, BCT is projecting revenue per unit to increase to €54 and €56 in FY2022 and FY2023, and volume is expected to increase from 282,000 TEUs in FY2021 to 331,000 TEUs and 344,000 TEUs in FY2022 and FY2023 respectively. As such, BCT's revenue is expected to increase by 21% in FY2022 and 8% in the following year.

6. NEW INVESTMENT – M&RUPE PROPERTY

6.1 Overview

On 6 October 2022, the Company entered into a share purchase agreement, which agreement was subsequently amended, with Mariner Capital Limited, the Company's immediate parent company, pursuant to which Mariner Capital Limited agreed to sell and transfer to the Company the entire issued share capital which it held in SIA Mariner Logistics, and the Company agreed to accept and purchase the entire issued share capital of SIA Mariner Logistics. The consideration due by the Company to Mariner Capital Limited, in the amount of €7,238,931, shall be set-off against a receivable due by Mariner Capital Limited to the Company.

Following the completion of this transaction, SIA Mariner Logistics will become a wholly owned subsidiary of the Company, engaged principally in the operation and lease of real estate in Latvia.

SIA Mariner Logistics was incorporated in 2019 as a subsidiary of Mariner Capital Limited. It was set up to act as the parent and finance company of SIA Elipse BLC (Latvian registration number 40003706196) and SIA Elipse Centrs (Latvian registration number 40103987320), two entities incorporated and registered in Latvia.

SIA Elipse BLC was granted the right of use of a plot of land in the municipality of Mārupe, Riga, Latvia, by the Riga International Airport for a period of 49 years, due to expire in June 2054 (the "Mārupe Land"). SIA Elipse BLC developed a commercial property on the Mārupe Land, and thereafter operated same as a warehouse building with office space, two auxiliary buildings and an engineering building, covering a total area of 31,549m² (the "**Mārupe Property**").

The Mārupe Property is located on a site which is strategically located within the territory of the Riga International Airport in Latvia, with excellent road connections to Riga City Centre, Riga port, national highways and the Baltic highway network. It is also in close proximity to the planned Rail Baltic project, which will connect Riga International Airport to Riga City Centre and to other key cities in the Baltics.

In terms of a reorganisation agreement dated 4 November 2020, the Mariner Logistics sub-group underwent a group reorganisation whereby the subsidiaries of SIA Mariner Logistics, namely SIA Elipse BLC and SIA Elipse Centrs, were acquired by SIA Mariner Logistics, following which the two subsidiaries ceased to exist. As a result of the reorganisation, SIA Mariner Logistics acquired all the property, rights and liabilities of its subsidiary companies, and consequently acquired the right of use of the Mārupe Land and became the owner and operator of the Mārupe Property.

A loan agreement dated 1 March 2019 by and between SIA Mariner Logistics and Luminor Bank AS is secured by, *inter alia*, the assets of SIA Mariner Logistics. Such security interests include but are not limited to pledges over the Mārupe Property granted by SIA Mariner Logistics in favour of Luminor Bank AS.

The Mārupe Property is leased out to a total of 14 tenants, with five of said tenants accounting for 78% of the revenue generated by SIA Mariner Logistics. The warehouse with office premises with a total area of 9,593 sqm within the warehouse is leased out to a third party tenant until 1 June 2028, and the warehouse with an area of 4,443 sqm and locker room of 32 sqm is leased out to another key third party tenant until 31 March 2024. According to the lease agreements entered into with the other 12 tenants, covering a total area of 14,035 sqm, the leases are due to expire between 2023 and 2026, and are expected to be renewed thereafter. Two of the key leases due to expire in 2023 will be automatically extended for another one-year period under the same terms and conditions, unless either party objects to the extension. As at the date of this report, no such objection has been manifested by either the Group or the respective tenants.

An area of *circa* 10,145m² of the Mārupe Land has additionally been developed by SIA Mariner Logistics, which area is predominantly being operated as a car park. The remaining area of *circa* 19,080m² is, as at the date of this report, undeveloped land.

As at 1 September, 2022 the Mārupe Property was valued by an independent expert at €24,460,000, while the vacant area of *circa* 19,080 sqm (to be developed into additional logistics space and for which foundational works have been undertaken) was valued at €890,000, which together aggregate to a value of €25,570,000.

As such, financial information for 2020 covers the period from 1 October 2020 to 31 December 2020. After accounting for operating expenses and finance costs, ML reported total comprehensive income for 2021 of €663,000 compared to €498,000 in 2020.

The average remaining term of the lease is 49 years.

Liabilities as at 31 December 2021 mainly included a bank loan of €15.5 million which repayment date was extended from 28 February 2022 to 28 February 2027. In addition, an amount of €3.8 million related to interest-bearing loans due to related parties.

7. ECONOMIC ANALYSIS - LATVIA⁵

Latvia's 2022 growth spurt is set to be cut short by an inflation surge and a slowing global economy. The doubling of energy prices ahead of the coming heating season is projected to make households scale back on consumption likely resulting in negative quarterly GDP growth around the year change. In 2023, consumption is expected to partially recover once the heating season is over. However, by that time a slowing external environment is forecast to weigh on Latvia's exports. A pick-up in EU-funded investments is expected to give a boost to public investment in both 2023 and 2024. Energy price growth is forecast to peak before 2023 and services prices are forecast to gradually become the main inflation driver during the forecast horizon. The general government deficit is set to decrease to 3.4% of GDP in 2023 and further to 1.4% in 2024.

2022 started with a strong growth in exports and a recovery in private consumption that was driven by a lifting of the pandemic-related restrictions to economic activity. However, growth is expected to slow in the second part of the year as household disposable incomes shrink amid surging energy prices and exports face headwinds from slowing foreign demand. Overall, on the back of the strong growth in the first half of the year, GDP growth for 2022 is forecast at 1.9%.

In 2023, GDP growth is expected to decline by 0.3%. While the end of the heating season is likely to provide a boost to consumption, this is expected to be a mild increase amid still high energy prices and depleted household savings. Similarly, weakened real disposable incomes and slowing construction and manufacturing elsewhere in the EU means exports are also set to struggle. Private investment growth is forecast to slow amid dwindling savings and rising interest rates. However, clearing of the backlog of EU funded projects should provide a timely boost to public investments keeping the economy out of a recession in 2023.

In 2024, growth is expected to pick up to 2.6%. A stabilisation in energy prices is set to provide relief for household budgets and hence foster their consumption. EU-funded investments are expected to have gathered pace by then and private investment would benefit from a relief in construction materials' prices, although higher interest rates are set to dampen household investment. Export growth is expected to continue struggling amid weak growth in Europe and a global investment slowdown, which is forecast to reduce demand for Latvia's sizeable timber industry. Import growth is expected to follow demand dynamics and after a significant slowdown in 2023 it is forecast to pick up in 2024.

In 2022, HICP⁶ inflation is forecast to reach 16.9%, but it is expected to peak before the end of 2022 as the full increase in wholesale energy prices is assumed to have been passed on to consumers by then. However, energy prices are expected to remain elevated throughout 2023 and combined with knock-on effects to non-energy prices, inflation is projected at 8.3%. By 2024 energy prices are expected to begin falling, but services price inflation supported by strong wage growth is set to take over as the main inflation driver.

During **FY2020**, the global economy experienced the impact of the COVID-19 pandemic. Such pandemic was unprecedented but its effect on the Group's business operations in the said year was minimal. In fact, both container volumes handled and occupancy levels within the Group's principal activities were similar to those of the previous year despite the pandemic. The only financial impact resulting from the pandemic was in the form of COVID-19 related discounts given to the Group's clients.

In 2020, revenue decreased by €782,000 or -5%, from €16.6 million in FY2019 to €15.8 million and rental income generated from the property in Latvia amounted to €368,000 compared to €456,000 in the prior year. Net operating expenses also decreased but not to the same extent as revenue (by -2%) which thus resulted in a 8% decline in EBITDA to €7.9 million (FY2019: €8.6 million).

Depreciation and amortisation charge was higher in FY2020 on a comparable basis by €479,000 on account of new property, plant & equipment. Furthermore, the carrying value of the property in Latvia was reduced by €463,000. As such, profit after tax in FY2020 amounted to €3.2 million, a decrease of €1.7 million (-35%) compared to €4.9 million generated in the previous year.

The Group's revenue in **FY2021** amounted to €14.7 million, a decrease of 7% or €1.1 million from the prior year. As explained in section 5.4 of this report, the decline was mainly attributable to a shortage of containers in the first half of 2021 and increases in freight/shipping prices. Rental income was lower on a y-o-y basis by €43,000 to €561,000.

EBITDA generated in FY2021 amounted to €7.2 million compared to €7.9 million in FY2020 (-8%), while operating profit margin was lower by 1 percentage point to 48%. Notwithstanding the decline in EBITDA, interest cover remained strong at 3.84 times (FY2020: 4.15 times).

The Group aims to deliver a return on capital employed above the level of its cost of funding. The return on capital employed as at year end stood at 8% (FY2020: 9%).

Due to the impact of the pandemic, the carrying value of investment property was impaired by €209,000 (FY2020: loss on revaluation of €463,000). Depreciation & amortisation was higher by €194,000 primarily on account of the commissioning of a new quay crane and a warehouse at BCT. No material changes were noted in investment income and taxation. Overall, total comprehensive income was lower by €565,000 from €3.2 million in FY2020 to €2.6 million in FY2021 (-18%). The Group achieved a net profit margin of 18% in FY2021 compared to 20% in the previous year.

In **FY2022**, the Group is projected to achieve a 21% increase in revenue to €17.7 million (FY2021: €14.7 million) mainly in view of the increase in volume handled at the terminal in H1 2022, which trend is expected to continue at least for the rest of the current financial year.

Operating profit margin is expected to remain stable at 48% and accordingly, the Group is projected to report an EBITDA of €8.7 million in FY2022 compared to €7.2 million in FY2021 (+20% or €1.5 million). Interest cover is expected to improve from 3.84 times in FY2021 to 4.11 times due to a projected increase in EBITDA.

In consequence of the above-mentioned increase in operational activities, profit after tax is projected to amount to €4.1 million, an increase of 57% or €1.5 million over the prior year (FY2021: €2.6 million).

The projections for **FY2023** assume that the acquisition of SIA Mariner Logistics is completed at the beginning of FY2023.

Revenue generated from terminal operations is expected to increase y-o-y by 8% to €19.2 million (FY2022: €17.7 million) on account of improving business conditions. In addition, rental income of €2.3 million is projected to be generated from the Måruppe Property pursuant to the consolidation of SIA Mariner Logistics. In consequence, EBITDA is expected to increase by €2.4 million (+28%) from €8.7 million in FY2022 to €11.1 million which will in turn increase operating profit margin by 8 percentage points to 51%.

Due to the projected increase in outstanding bonds from €35 million to €55.4 million and consolidation of SIA Mariner Logistics' bank borrowings, net finance costs are expected to increase from €2.1 million in FY2022 to €3.3 million. As such, interest cover is expected to decline from 4.11 times in FY2022 to 3.38 times.

The Group expects to report a profit after tax of €5.2 million in FY2023 compared to €4.1 million in the prior year (+27%). Such higher earnings will result in a higher return on shareholders' equity (from 5% in FY2021 to 10% in FY2023). The return on capital employed and on assets is projected to remain stable from the last published financial statements at 9% and 4% respectively.

Total assets as at 31 December **2021** amounted to €102.3 million, an increase of €2.0 million from a year earlier. The primary movements included an increase in loans & receivables of €4.2 million and a decrease of €1.4 million in property, plant & equipment.

Total liabilities decreased y-o-y by €0.6 million, mainly on account of an increase in bank borrowings of €0.2 million and a reduction in lease obligations amounting to €0.7 million (reflecting annual lease payments).

Equity increased by the net profit of the year of €2.6 million, from €50.3 million in FY2020 to €52.9 million in FY2021. The gearing ratio improved by 1 percentage point to 47% (FY2020: 48%).

During the year under review, the liquidity ratio weakened from 0.59 times in FY2020 to 0.54 times in FY2021.

For the year ending 31 December **2022**, the Group does not anticipate any major changes to its financial position. Total assets are projected to amount to €105.0 million (FY2021: €102.3 million) mainly on account of an increase in property, plant & equipment and cash balances of €1.3 million and €1.7 million respectively.

Total liabilities are expected to increase by €1.9 million to €51.3 million, and principally comprise bank loans and bonds amounting to €42.8 million and lease liability of €5.6 million. The gearing ratio of the Group is projected to decrease y-o-y by 1 percentage point to 46%.

The Group's statement of financial position as at 31 December **2023** includes the consolidation of the assets and liabilities of SIA Mariner Logistics and a net increase in bonds of €20.55 million.

Total assets are projected to increase by €37.5 million mainly on account of:

- i) the increase in property, plant & equipment of €7.6 million (net of depreciation charge) includes capital expenditure by BCT of approx. €3.0 million and *circa* €5.5 million is earmarked for the development of a new warehouse at ML and installation of solar panels on the roof of the existing warehouse (scheduled for completed in FY2024 at an estimated cost of €9.0 million);
- ii) the increase of €24.6 million in investment property relates to the fair value of the Mårupe Property;
- iii) the increase in right-of-use assets and lease liabilities of €3.2 million and €3.1 million respectively refer to the existing lease of land of ML;
- iv) the decrease of €10.4 million in loans and receivables reflects: (i) the reduction of €7.2 million in balances due from Mariner Capital Limited as consideration for the acquisition of SIA Mariner Logistics; and (ii) the elimination upon consolidation of *circa* €3.5 million in loans between ML and BCT;
- v) the increase in projected cash balances to €11.6 million (FY2022: €2.4 million) is explained further in the commentary on the cash flow statement.

During the projected year under review, the liquidity ratio should improve from 0.68 times in FY2022 to 0.92 times in FY2023.

Total liabilities are projected to increase by €36.0 million (y-o-y), which movement is expected to emanate primarily from changes in borrowings and other financial liabilities.

In FY2023, bank borrowings and other financial liabilities are projected to increase by €11.2 million mainly on account of existing bank loans of ML.

Bonds are expected to increase from €35 million in FY2022 to €55.4 million in FY2023 on the assumption that 65% of current bondholders will exchange their bonds for new bonds. The remaining outstanding portion of existing bonds amounting to €12.25 million will be settled in June 2024 and therefore have been classified as current liabilities.

The gearing ratio of the Group is expected to increase by 10 percentage point in FY2023 to 56%. Using alternative measurements of leverage, net debt to equity is projected to increase from 0.86 times in FY2022 to 1.26 times in FY2023, while net debt to EBITDA will weaken to 6.25 years in FY2023 from 5.31 years in the prior year.

Net assets per share is projected to increase from €1,074 in FY2022 to €1,103 in FY2023.

During the year, the Group's investment in property, plant and equipment amounted to €4.0 million (FY2019: €7.1 million), while net amounts advanced to parent company and related parties amounted to €3.8 million compared to €6.1 million in FY2019.

Net cash used in financing activities amounted to €1.6 million compared to cash inflows of €7.0 million in the prior year. Net cash used in investing activities amounted to €4.0 million (FY2020: net outflows of €7.7 million) and mainly comprised net amounts advanced to parent company and related party of €3.6 million and capital expenditure amounting to €0.4 million.

Net cash used in financing activities amounted to €0.5 million compared to cash inflows of €1.6 million in FY2020. Such amount included lease liability payments and net drawdown of bank loans amounting to €0.7 million (outflow) and €0.2 million (inflow) respectively.

In view of the expected increase in EBITDA in **FY2022** and **FY2023**, net cash inflows from operating activities are expected to amount to €6.78 million and €6.81 million respectively compared to €4.43 million in FY2021. In the latter projected year, the Group will be in receipt of rent receivable from the Mårupe Property.

Net cash used in investing activities is projected to amount to €3.1 million in FY2022 and €8.5 million in FY2023, as further explained below.

BCT intends to invest €6.1 million in FY2022 and FY2023 mainly for the purposes of extending its quay and other terminal related expenditure. PART 4 – EXPLANATORY DEFINITIONS

Income Statement	
Revenue	Total revenue generated by the Group from its business activities during the financial year.
Operating expenses	Operating expenses include the cost of terminal operations and management expenses in maintaining the investment property.
EBITDA	EBITDA is an abbreviation for earnings before interest, tax, depreciation and amortisation. EBITDA can be used to analyse and compare profitability between companies and industries because it eliminates the effects of financing and accounting decisions.
Profit after tax	Profit after tax is the profit made by the Group during the financial year both from its operating as well as non-operating activities.
Profitability Ratios	
Operating profit margin	Operating profit margin is operating income or EBITDA as a percentage of total revenue.
Net profit margin	Net profit margin is profit after tax achieved during the financial year expressed as a percentage of total revenue.
Efficiency Ratios	
Return on equity	Return on equity (ROE) measures the rate of return on the shareholders' equity of the owners of issued share capital, computed by dividing profit after tax by shareholders' equity.
Return on capital employed	Return on capital employed (ROCE) indicates the efficiency and profitability of a company's capital investments, estimated by dividing operating profit by capital employed.
Return on assets	Return on assets (ROA) is computed by dividing profit after tax by total assets.
Equity Ratios	
Earnings per share	Earnings per share (EPS) is the amount of earnings per outstanding share of a company's share capital. It is computed by dividing net income available to equity shareholders by total shares outstanding as at balance sheet date.
Cash Flow Statement	
Cash flow from operating activities	Cash generated from the principal revenue-producing activities of the Company.
Cash flow from investing activities	Cash generated from the activities dealing with the acquisition and disposal of long-term assets and other investments of the Company.

Cash flow from financing activities	Cash generated from the activities that result in change in share capital and borrowings of the Company.
Balance Sheet	
Non-current assets	Non-current asset are the Group's long-term investments, which full value will not be realised within the accounting year. Non-current assets are capitalised rather than expensed, meaning that the Group allocates the cost of the asset over the number of years for which the asset will be in use, instead of allocating the entire cost to the accounting year in which the asset was purchased. Such assets include intangible assets (goodwill on acquisition), investment properties, and property, plant & equipment.
Current assets	Current assets are all assets of the Company, which are realisable within one year from the balance sheet date. Such amounts include inventory, accounts receivable, cash and bank balances.
Current liabilities	All liabilities payable by the Company within a period of one year from the balance sheet date, and include accounts payable and short-term debt.
Non-current liabilities	The Company's long-term financial obligations that are not due within the present accounting year. The Company's non-current liabilities include bank borrowings and bonds.
Total equity	Total equity includes share capital, reserves & other equity components, and retained earnings.
Net assets per share	Total assets less total liabilities divided by the number of equity shares in issue.
Financial Strength Ratios	
Liquidity ratio	The liquidity ratio (also known as current ratio) is a financial ratio that measures whether or not a company has enough resources to pay its debts over the next 12 months. It compares a company's current assets to its current liabilities.
Interest cover	The interest coverage ratio is calculated by dividing a company's operating profit of one period by the company's interest expense of the same period.
Net debt to EBITDA	The net debt to EBITDA ratio is a measurement of leverage, calculated as a company's interest bearing liabilities minus cash or cash equivalents, divided by its EBITDA. This ratio shows how many years it would take for a company to pay back its debt if net debt and EBITDA are held constant.
Gearing ratio	The gearing ratio indicates the relative proportion of shareholders' equity and debt used to finance a company's assets, and is calculated by dividing a company's net debt by net debt plus shareholders' equity. Alternatively, the gearing ratio can be calculated by dividing a company's net debt by shareholders' equity.

PART 5 – GLOSSARY OF ALTERNATIVE PERFORMANCE MEASURES (APM)

The financial information included in this report includes certain measures to assess the financial performance of the Group's business that are termed "non-IFRS measures" because they exclude amounts that are included in, or include amounts that are excluded from, the most directly comparable measure calculated and presented in accordance with IFRS, or are calculated using financial measures that are not calculated in accordance with IFRS. Such measures comprise the following:

Container revenue per TEU

A TEU or Twenty-foot Equivalent Unit is a unit of measurement used to determine cargo capacity for container ships and terminals. This measurement is derived from the dimensions of a 20ft standardised shipping container. Because standard containers can be 20 or 40ft in length the capacity of a container ship can depend on the ratio of the two sizes.

BCT reports the volume of containers handled by the terminal in TEUs (port throughput). Container revenue per TEU is calculated by dividing annual revenue of BCT by total TEUs handled at the terminal during the same period.

EBITDA

EBITDA is calculated as operating income/(loss) after adding back depreciation and amortisation.

Management evaluates operating performance based on EBITDA and is done to give a more comparable basis for profitability. Also, it is a metric closer to net cash generation. Excluding revaluation of property, net finance costs and one-off transactions gives a more comparable year-on-year measure of trading performance.

EBITDA per TEU

EBITDA per TEU is calculated by dividing BCT's EBITDA by total TEU's handled at the terminal during the same period.
