1 Introduction

The MFSA is currently updating the Licence Holder Corporate Profile including Licence changes in entity/involvement contact details, addition of new involvements and notice of resignations. Therefore, the MFSA has developed a work stream for Licence Holders to be able to update their own profile (subject to approval by the MFSA) via the Licence Holders Portal (LH Portal) to achieve the following:

- i) Bring the current Licence Holder information/data in line with the latest changes in a timely manner. Licence Holders now have the possibility to update a number of fields related to the information available at MFSA related to Licences, add new involvements and/or submit resignations through the LH Portal.
- ii) Through a specifically designed workflow, the MFSA shall be in a position to either 'approve' or 'reject' the requests put forward by the respective Licence Holder.
- iii) Following the completion of this one time exercise, the licence holders shall be expected to start submitting requests in relation to change in current corporate/involvement details and new involvements through the LH Portal.

2 Licence Holder Portal

2.1 What is the Licence Holder Portal

The Licence Holder Portal is a web-based application which can be accessed by all the individuals/entities licenced by the MFSA. The application provides Licence Holders with the possibility to review and update their profile and submit new involvement and resignation requests for approval.

2.2 Who can access the Corporate Profile (Access Rights)

The Compliance Officer is the Licence Holder's official contact person with the MFSA who will have access to the Corporate Profile. Any change requests or new involvements are to be submitted by the Compliance Officer.

2.3 How to access the Corporate Profile

The Compliance Officer will be required to log onto the individual entity's account through the LH Portal. Upon accessing the LH Portal (<https://lhportal.mfsa.com.mt/>) users can access their profile by Clicking on 'Corporate Profile', available on the left hand side of the screen and as illustrated in Figure 1, below.

In case you are experiencing any issues with the corporate profile or login details, please get in contact with the 'unit designated official' as identified through the official MFSA circular.

2.4 Details available in the Corporate Profile

The Corporate Profile includes the details of the Licence Holder, such as:

- Name of Entity
- Registered Address
- Telephone Number
- Entity Email Address
- Website Address
- Social media links
- List of involvements

2.5 Involvements

This section shall include two types of entity involvements:

- i) Entity involvements as registered by the Registry of Companies. These are marked in black text, as illustrated in Figure 2.
- ii) Entity involvements as registered by the MFSA. These are marked in light blue text, as illustrated in Figure 2.

3 Editing Existing Involvements

3.1.1 What can be edited?

- i) Entity details marked in grey such as company registration number, registration date and address **cannot** be edited. Any change request for these details will be processed through the Registry of Companies, using the relevant applications forms. (Refer to Figure 3).
- ii) Other Entity details such as 'Technical Email', 'Website', 'Legal Identifier' (LEI) and 'Social Media' pages, **can** be edited by the Compliance Officer. (Refer to Figure 3).

The Compliance Officer is to ensure that the inserted details are correct. Once the relevant fields have been updated and verified the user is to click on ‘Save and Submit’. This will automatically generate a ‘new request’ which is forwarded to the MFSA for approval.

5 Submission of supporting documentation

This exercise is aimed at bringing the current company profile up to date, and thus it is assuming that the supporting documentation for any backdated requests is readily available at the MFSA’s end.

Notwithstanding the above, the MFSA shall contact the respective Compliance Officer through the contact details available on the portal should any further clarifications/ supporting documentation be required to support the request.

6 Moving forward

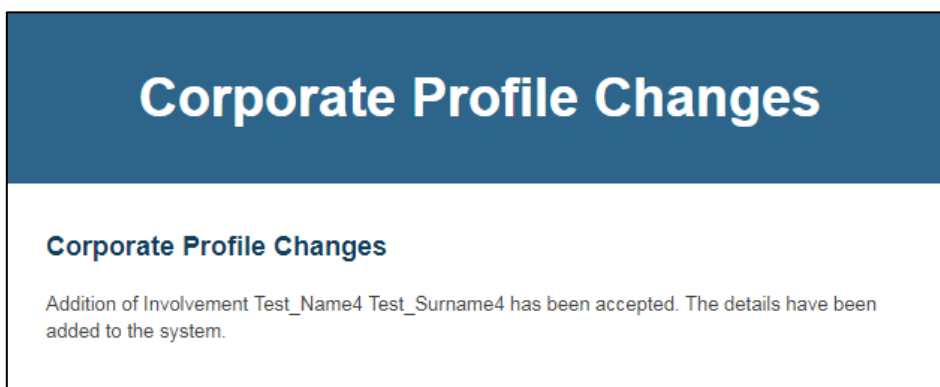

Following the completion of this one-time exercise, any new requests including new involvements, resignations and changes are to be submitted through the LH Portal.

All the supporting documentation shall be submitted in accordance with the guidelines established by the respective functions within the MFSA.

7 Notifications

Once the MFSA approves or rejects a request, the Compliance Officer of the respective entity, will receive an email notification from the MFSA. The notification will be similar to the one illustrated in Figure 6 below:

Figure 6 - Sample Notification

In case of rejection, the reason for the rejection shall be included and if necessary a fresh request would need to be submitted by the Compliance Officer of the respective entity.
