**License Holders are to follow the 'Guidelines on File Naming Convention' provided on the right-hand side of the File Uploads Tab within the LH Portal, when submitting the above documents in zip files.

Soft Copy Naming Convention Guide:

YYYY = Year of Reporting date --> ex: 2024

MMM = Month of Reporting date --> ex: Jun

LHCode = License Holder Code found in the entity's Corporate Profile on the MFSALH Portal

Ex: *FILH01_Mar2024_ICRQ1*

***Depending on the quarter of the interim return, the following convention must be utilised:

Quarter 1	<i>LHCode_MMMYYYY_ICRQ1.xlsx</i>
Quarter 2	<i>LHCode_MMMYYYY_ICRQ2.xlsx</i>
Quarter 3	<i>LHCode_MMMYYYY_ICRQ3.xlsx</i>

***An automatic validation check is performed on every submission, such that MMM and the reference 'period to' date within the return's Cover Sheet match.

There are scenarios where the accounting reference date of the institution falls outside the conventional Jan – Dec accounting period. In that case, the MMM must reflect the 'period to' date within the return's Cover Sheet.

For instance, when the accounting reference date is between Apr – Mar, the below naming convention must be utilised:

Ref. Period Covered	Naming Convention
Apr 2023 – Jun 2023	<i>LHCode_Jun2024_ICRQ1.xlsx</i>
Apr 2023 – Sep 2023	<i>LHCode_Sep2024_ICRQ2.xlsx</i>
Apr 2023 – Dec 2023	<i>LHCode_Dec2024_ICRQ3.xlsx</i>
Apr 2023 – Mar 2024	<i>LHCode_2024_ACR.xlsx</i>
Apr 2023 – Mar 2024	<i>LHCode_2024_AACR.xlsx</i>
